Mark Harrison, editor, *The Economics of World War II: Six Great Powers in International Comparison*. Cambridge, UK; Cambridge University Press, 1998. xiii + 307 pp. \$49.95 (cloth), ISBN: 0-521-62046-5.

Reviewed for EH.NET by Geoffrey T. Mills, College of Business, University of Northern Iowa.

Scholars and students of World War II will find this collection of essays an extremely useful addition to their libraries. The essays cover the six major antagonists of the war: Germany, Japan, Italy, the Soviet Union, the UK and the US. The editor succeeds in achieving a major goal of the book which is to "provide a text of statistical reference for students and researchers interested in international and comparative economic history, the history of WWII, the history of economic policy, and comparative economic systems." While this is an ambitious goal, these essays provide insight into these issues, and, where possible, answers to important questions.

Mark Harris on has organized this book around three key questions. What contribution did economies make to war preparedness and to winning or losing the war? What was the effect of wartime experiences on post war fortunes? Did those who won the war then lose the peace? Given these questions, economic growth as effected by military mobilization becomes a central theme of the book. In general all six authors devote space not only to the economics of the war economy, but also to the periods before the war, and to the consequences of World War II on long-run economic fortunes.

In the introduction, Harrison provides an extensive overview of the book. This essay is essentially an extended quantitative discussion of the economic and military elements of the war. In essence, this section outlines the stark economic realities of conducting an extended large scale war and concludes that a major reason, if not the prime reason, the allies were victorious was due to their overwhelming advantage in the material and logistic aspects of the conflict. Harrison also penned the article on the Soviet economy. This piece is an impressive statistical analysis of the Soviet war effort and

Downloading Economics Of World War Ii Six Great Powers In International Comparison provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economics Of World War Ii Six Great Powers In International Comparison has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economics Of World War Ii Six Great Powers In International Comparison. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economics Of World War Ii Six Great Powers In International Comparison. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Economics Of World War Ii Six Great Powers In International Comparison, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economics Of World War Ii Six Great Powers In International Comparison has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
