Eddie Murphy Frank Sanello,1997 This fascinating profile of Eddie Murphy details the complicated life of the comic actor revealing the private demons and public outbursts that have created one of the most complex and successful figures in the entertainment industry today of photos many in color

The Unruly Life of Woody Allen Marion Meade,2014-04-01 A psychologically nuanced tough minded portrait of the New York filmmaker and his relationships with Mia Farrow and Soon Yi Previn Publishers Weekly Writer director actor humorist Woody Allen stands as one of our era s most celebrated artists Starting in the 1950s Allen began crafting a larger than life neurotic persona that has since entertained and enlightened millions In his films widely thought to be autobiographical explorations of his own comic fears and fixations Allen carefully controlled the public s view of him as a lovable scamp But that all came crashing down the day Mia Farrow found a Polaroid on her mantle What followed was a flurry of sensational headlines and legal battles His relationship with Soon Yi Previn thirty four years his junior and the step daughter of his longtime girlfriend caused shockwaves in the public s perception of the director yet few biographers and journalists have explored what happened and why In this the first deep investigation of Allen s life and the events surrounding his split with Farrow biographer Marion Meade tracks down dozens of friends actors neighbors and film historians They open up with insights and details rare in the world of wealth and celebrity What results is a fascinating portrait of a flawed genius as adept at constructing his own image as he is at crafting films Rereleased and updated this is an unauthorized biography that neither Woody Allen s fans nor his detractors will be able to put down The revised and updated edition was reviewed in the Wall Street Journal in 2013 by Carl Rollyson in a roundup of the five best Hollywood biographies

Film Comedy and the American Dream Zach Sands,2017-09-13 Film Comedy and the American Dream is an examination of national identity in the era of the American superpower as projected in popular comedic films that center on issues of upward mobility It is the story of what made audiences laugh and why and what this says about the changing shape of the American Dream from the end of the Second World War through the first part of the twenty first century Through a combination of narrative and thematic analyses of popular comedic films contextualized within a dynamic historical framework the book traces the increasing disillusionment with this central ideology in the face of multiple forms of systemic exclusion It argues that film comedy is a major component of the discourse surrounding the American Dream because these movies often evoke humor by highlighting the incongruities that exist between the ideals that define this nation versus the actual lived experiences of its citizens
