The Broadview Anthology of Literature of the Revolutionary Period 1770-1832, 2010

The Final Days of Edgar Allan Poe David F. Gaylin, 2024-04-18 Occurring in a time of primitive medicine and inconsistent record keeping Poe s death has become one of the enduring mysteries of American literature David F Gaylin s book marks the first attempt to offer a comprehensive and balanced study of this historical event After chronicling the circumstances that may have contributed to the poet s death the book examines key details about the story It traces Poe s movements and personal encounters before also exploring how Poe was handled and treated by others who attempted to come to his aid Proceeding with the liveliness of a detective story the

discussion sheds new light on these events and it offers new information about the burial of Poe's body and the subsequent relocations of his tomb. With the addition of supplementary reference materials including a register of formally proposed causes of death, a timeline of relevant events, and a map of Poe's final movements in Baltimore, this book is an essential resource for both scholars and general readers seeking answers to the mystery of Poe's death. *Edgar Allan Poe, Wallace Stevens, and the Poetics of American Privacy* Louis A. Renza, 2002-04-01

Throughout the history of the United States, a commitment to both democratic political ideals and to capitalist realities has made privacy a persistently controversial issue. Only rarely, however, has privacy attracted the attention of American literary criticism. In his ingeniously argued new study, Louis A. Renza extends the idea of privacy beyond the received wisdom of its popular legal and psychological conceptions and iconoclastically beyond its conception in postmodern literary theory to show that the public-private paradigm has import for American literary texts past and present. It is a truism of cultural studies that the interior space of imagination is socially constructed, and thus that the private is ineluctably political. But Renza shows, through a brilliantly original analysis of works by Edgar Allan Poe and Wallace Stevens, that as an effect of reading and writing, a real or radical privacy continually resists appropriation. In admirably close readings of Poe's tales, his long essay *Eureka*, and Stevens's *Harmonium* poems, Renza demonstrates that both writers ground the concept of privacy in the possibility of multiple interpretations of their texts. Neither Poe nor Stevens resists meaning or sense, but by thematically engaging in their work the inescapable public-private dichotomy of artistic creation, they create a highly personal idiom that like Poe's purloined letter allows them to hide in plain sight and in that way to finesse public constructions of meaning. Thus, surprisingly, privacy can always be conceived as something more than what current social-cultural codes urge us to believe. The poetics Renza compellingly elucidates does not deny the insights of current theory but offers a refreshing alternative that allows for the radical autonomy of authorship without resorting to vague elitist claims of individual genius. His thoughtful readings are a major contribution to traditional Poe and Stevens scholarship, and his challenging thesis will provoke new investigations into the privacy issue in American literature as a whole. *The Short Fiction of Edgar Allan Poe* Edgar Allan Poe, 1976

The Short Fiction of Edgar Allan Poe brings together in one convenient edition all of the information a reader needs to understand Poe's stories. Readable, attractive, and accessible to a general reader or student, it also provides a useful resource for the scholar and specialist. Stuart Levine and Susan Levine tracked down information that is often highly specialized and hard to come by through an extensive program of literary sleuthing, an investigation that took him through the hundreds of places where scholars make their contributions to knowledge. ***The Broadview Anthology of Literature of the Revolutionary Period 1770-1832*** D.L. Macdonald, Anne McWhir, 2010-03-04

The selections from 132 authors in this anthology represent gender, social class, and racial and national origin as inclusively as possible, providing both greater context for canonical works and a sense of the era's richness and diversity. In terms of genre, poetry, non-fiction, prose, philosophy, educational writing, and prose fiction are

included Geographically America Canada Australia India and Africa are represented along with Britain emphasizing Romantic literature as a world literature Biographical headnotes explanatory footnotes and an extensive bibliography clarify and illuminate the texts for readers **Fallen Angel** Robert Morgan,2023-11-15 Over 170 years after his death Edgar Allan Poe remains a figure of enduring fascination and speculation for readers scholars and devotees of the weird and macabre In *Fallen Angel* acclaimed novelist and poet Robert Morgan offers a new biography of this gifted complicated author Focusing on Poe s personal relationships Morgan chronicles how several women influenced his life and art Eliza Poe his mother died before he turned three but she haunted him ever after The loss of Elmira Royster Shelton his first and last love devastated him and inspired much of his poetry Morgan shows that Poe known for his gothic and supernatural writing was also a poet of the natural world who helped invent the detective story science fiction analytical criticism and symbolist aesthetics Though he died at age forty Poe left behind works of great originality and vision that *Fallen Angel* explores with depth and feeling

A Companion to the Literature and Culture of the American South Richard Gray,Owen Robinson,2008-04-15 From slave narratives to the Civil War and from country music to Southern sport this Companion is the definitive guide to the literature and culture of the American South Includes discussion of the visual arts music society history and politics in the region Combines treatment of major literary works and historical events with a survey of broader themes movements and issues Explores the work of Edgar Allan Poe Mark Twain William Faulkner Zora Neale Huston Flannery O Connor and Eudora Welty as well as those black and white male and female who are writing now Co edited by the esteemed scholar Richard Gray author of the acclaimed volume *A History of American Literature* Blackwell 2003 *The Battle for the American Mind* Carl J. Richard,2006-08 *The Battle for the American Mind* brings together religion politics economics science and literature to present a compelling history of the American people In this brief and entertaining book noted historian Carl J Richard argues that there have been three worldviews that have dominated American thought theism humanism and skepticism Theists put their faith in God humanists in man and skeptics have faith in neither god nor man Each worldview has had an epoch of domination leading to the present Age of Confusion where theists humanists and skeptics battle one another for control of American hearts and minds By clearly explaining what Americans believed exploring why they did so and showing how that impacted the nation s development Carl J Richard presents a unique portrait of the United States past and present

Critical Companion to Edgar Allan Poe Dawn B. Sova,2007 Examines the life and career of Edgar Allan Poe including synopses of many of his works biographies of family and friends a discussion of Poe s influence on other writers and places that influenced his writing *The Dangerous Sex* Hoffman R Hays,2023-07-07 First published in 1966 *The Dangerous Sex* shows how the irrational concept of the dangerous sex evolved and how it was and is used by man to maintain his dominance He examines sexual practices and beliefs marriage customs and rituals and social behaviour in every society and every age from pre historic times to the present day The result is a revealing picture of the deep seated male hostility that generates

the way of the sexes and has fed it throughout human history It is also a blazing indictment of this ingrained psycho social pattern as it unconsciously destroys and disrupts huge areas of human happiness In this enquiry into misogyny H R Hays suggests that men must face their own compulsions before a true and balanced relation between the sexes is achieved This book therefore throws a new light on the problems of feminism the feminine mystique and the whole controversy concerning the place of women in society and will be of interest to students of literature gender studies anthropology and psychology
