

EDITING YOUR NEWSLETTER

—JAMES H. HARRIS

When you edit a newsletter, you are not only editing the content, but you are also editing the design. The design of a newsletter is as important as the content. A well-designed newsletter is more likely to be read and shared than a poorly designed one. There are several key elements to consider when editing a newsletter: layout, typography, and graphics. The layout should be clean and easy to read, with a clear hierarchy of information. Typography should be consistent and legible, using a variety of font sizes and weights to create visual interest. Graphics should be used sparingly and effectively to enhance the content, but not distract from it. By paying attention to these details, you can create a newsletter that is both informative and visually appealing.
