## **Educational Administration In Meghalaya:**

Educational Administration in Meghalaya Srilekha Majumdar, Torist Mark, 2000 **EDUCATIONAL ADMINISTRATION AND MANAGEMENT** Dr. M. Sudarshan ,2022-07-14 Educational administration is regarded as the process of integrating the appropriate human and material resources that are made available and made effective for achieving the purposes of a programme of an educational institution The term Administration doesn't refer to any single process or act It is like a broad umbrella encompassing a number of processes such as planning organizing directing coordinating controlling and evaluating the performance The same situation occurs in the field of educational administration The concept of educational administration is applicable in case of an educational organisation which has certain purposes or goals to fulfill Education in India Padma Ramachandran, Vasantha Ramkumar, 2005 A thorough study of the theory and practice of education in context of present day India realities this exhaustive volume provides an authoritative insight **Meghalaya** Hargovind Joshi, 2004 The Book Relates To The North Eastern State Of India Which Has 3 Major Tribes The Khasis The Jaintias And The Garos And Is Strategically Located On Indo Bangladesh Border Traces The Old History Of The State In All Its Perspectives Presents An Authentic Account Of Modern Meghalaya Has 16 Chapters Appendix Select Bibliography And Index **Educational Management** Mr. Rohit Manglik, 2024-02-08 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels **Empowering India Through Digital Literacy (Vol. 1)** Dr. R. Babu, Dr. S. Kalaivani & Dr. K. Saileela, 2019-04-26 Traditionally education is centered on sources such as schools teachers and print media The learners reached the information sources by enrolling with schools teachers and libraries Prior to the digital era information was not accessible by the majority of people and even those accessed were unable to obtain current information with respect to today's context The modern society wants to know the information as it happens and when it happens and the world is moving from an information society to a knowledge society Thus education is given the highest priority and brainpower is becoming the most valuable asset of an organisation Advances in digital technology have opened up many avenues of learning Technology has made information accessible transmittable from anywhere and by to all groups of people The higher education landscape is changing rapidly challenging academic professionals to think critically about their roles in the field **Researching Educational Governance: Realizing UN 2030 Agenda and Beyond** H.C. Pokhriyal, B.S. Nagi, M.C. Sati, Padmakar Mishra, R.P. Juyal and A.S. Khullar, 2023-01-01 Achieving the lofty Goal 4 of the UNSDGs which aims to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all will require the entire education system to be reconfigured a fact as aptly underlined in the National Education Policy 2020 of India This would essentially entail putting in place a very effective educational governance devised and formulated on the basis of cutting edge research outputs Three

Volumes of the present book is a modest yet maiden attempt to comprehend and unfold the blending of diverse research methodologies and amply demonstrate through empirical findings that innovative policies and interventions curated on the basis of this approach of research can ensure quality education Governance emerges as one of the core areas for research Therefore Volume I provides a wide canvas of governance in general and educational governance in particular for research along with a unique opportunity to elaborate both the theory and practice of Quantitative Qualitative and Participatory Methodologies in researching governance that is the frontier challenge looking for suitable answers Volume II uniquely comprehends multiple aspects of quality in dynamic and wider perspectives as perceived by the primary stakeholders including community Refreshing insight into the quality perspectives of educational governance will facilitate the researchers to explore innovative interventions in respective areas of human development Community is the third constituent of governance along with the state and the market Therefore Volume III explores a futuristic vision of community governance leading to quality education Also an attempt has been made to critically appraise the provisioning of community governance including the local self governments as well as free and compulsory elementary education The Book is a live comprehension of the conceptual framework of research and methods along with handling of research problems at the ground It is like explaining how to by giving suitable case studies conducted by the authors on educational governance It is hoped that the three Volumes will be an exciting learning experience that would enable us to address researching challenges over which the public policy makers researchers development administrators planners and students may build their concepts logical structures and planned interventions facilitating the achievement of effective educational governance at micro level ensuring quality education in the coming decades
