Edgar Allan Poe Jeffrey Meyers, 2000-09-05 This biography of Edgar Allan Poe a giant of American Literature who invented both the horror and detective genre is a portrait of extremes a disinherited heir a brilliant but underpaid author a temperate man and uncontrollable addict *The Sorrows of Poe. [A Review of "Edgar Allan Poe Letters Till Now Unpublished," Edited by Mary N. Stanard.] (Reprinted from "The Yale Review.")*. Thomas Ollive MABBOTT, 1926 Edgar Allan Poe Richard Kopley, 2025-03-18 A groundbreaking exploration of one of America's most iconic and misunderstood authors Edgar Allan Poe A Life is the most comprehensive critical biography of Poe yet produced exploring his fascinating life his extraordinary work and the vital relationship between the two Best known for his tales of mystery and the macabre found in such works as The Raven Annabel Lee and The Tell Tale Heart this legendary American author continues to intrigue and enthrall his devoted readers Written by one of the world's leading Poe experts this biography is a rich and rewarding study for the general reader as well as for the seasoned scholar Richard Kopley combines a biographical narrative of Poe's enduring challenges including his difficult foster father his personal losses his great struggles with depression and alcoholism and the poverty that dogged his existence with close readings of his work that focus not only on plot character and theme but also on language allusion and structure in a way that enhances our understanding of both While incorporating past Poe scholarship this volume also relates unknown stories of Poe culled from privately held letters unavailable to previous biographers presenting a range of groundbreaking archival discoveries that illuminate the man and his oeuvre in ways never before possible **The Final Days of Edgar Allan Poe** David F. Gaylin, 2024-04-18 Occurring in a time of primitive medicine and inconsistent record keeping Poe's death has become one of the enduring mysteries of American literature David F. Gaylin's book marks the first attempt to offer a comprehensive and balanced study of this historical event After chronicling the circumstances that may have contributed to the poet's death the book examines key details about the story It traces Poe's movements and personal encounters before also exploring how Poe was handled and treated by others who attempted to come to his aid Proceeding with the liveliness of a detective story the discussion sheds new light on these events and it offers new information about the burial of Poe's body and the subsequent relocations of his tomb With the addition of supplementary reference materials including a register of formally proposed causes of death a timeline of relevant events and a map of Poe's final movements in Baltimore this book is an essential resource for both scholars and general readers seeking answers to the mystery of Poe's death **Edgar Allan Poe** Arthur Hobson Quinn, 1997-12-26 Now in paperback the classic monumental biography of Poe by Arthur Hobson Quinn Renowned as the creator of the detective story and a master of horror the author of The Red Mask of Death The Black Cat and The Murders of the Rue Morgue Edgar Allan Poe seems to have derived his success from suffering and to have suffered from his success The Raven and The Tell Tale

Heart have been read as signs of his personal obsessions and The Fall of the House of Usher and The Descent into the Maelstrom as symptoms of his own mental collapse Biographers have seldom resisted the opportunities to confuse the pathologies in the stories with the events in Poe s life Against this tide of fancy guesses and amateur psychologizing Arthur Hobson Quinn s biography devotes itself meticulously to facts Based on exhaustive research in the Poe family archive Quinn extracts the life from the legend and describes how they both were distorted by prior biographies *The New Statesman* ,1925 **The Dickensian** Bertram Waldrom Matz,1926 *The Nation and Athenæum* ,1925 **The Nation and the Athenæum** ,1925 **The Nation** ,1925 *Current literature of the month* ,1924
