deserves to be in the hands of every reader who loves history and adventure Kirkus Reviews Two Worlds William Westfall, 1989 Religion was at the heart of Ontario life for many years In Two Worlds Westfall examines the origin character and social significance of the powerful and distinctive Protestant culture that grew and flourished in Southern Ontario in the Light at the Edge of the World Wade Davis, 2009-12-01 For more than 30 years renowned anthropologist Wade Davis has traveled the globe studying the mysteries of sacred plants and celebrating the world s traditional cultures His passion as an ethnobotanist has brought him to the very center of indigenous life in places as remote and diverse as the Canadian Arctic the deserts of North Africa the rain forests of Borneo the mountains of Tibet and the surreal cultural landscape of Haiti In Light at the Edge of the World Davis explores the idea that these distinct cultures represent unique visions of life itself and have much to teach the rest of the world about different ways of living and thinking As he investigates the dark undercurrents tearing people from their past and propelling them into an uncertain future Davis reiterates that the threats faced by indigenous cultures endanger and diminish all cultures **Inside Edge: A Revealing** Journey Into the Secret World of Figure Skating Christine Brennan, 2022-02-01 Figure skating is the most beautiful and mysterious of all sports When the skaters are on the ice every twitch of a muscle and every slip of a skate blade is visible for the world to see In Inside Edge Christine Brennan chronicles for the first time a season on the skating circuit intimately portraying the lives on and off the ice of the sport s current and upcoming stars Woven into the narrative are stories of figure skating luminaries including Peggy Fleming Janet Lynn Katarina Witt Brian Boitano Scott Hamilton Kristi Yamaguchi Nancy Kerrigan Oksana Baiul Michelle Kwan Rudy Galindo and Tara Lipinski Revealing the backstage conflicts high profile figure skaters face and the ambition that drives them Brennan also tells the stories of their families of improbable rises to the top and of wasted talents If skaters are perfect they can become international heroes But if they fall if they miss a three revolution jump on a quarter inch blade of steel the despair is theirs alone This is their life on the edge where decades of training culminate in little more than four crucial minutes on the ice There is no other sport like it There is no other story like Where Two Worlds Clash Gaurav Garg, Englaland burns The year is AD 865 and the Viking Great Heathen Army theirs has landed a ravenous serpent coiling around the Saxon kingdoms For Eadric of Northwic a young thegn whose world is shattered by the brutal fall of his home the invasion means the loss of everything his family his freedom his future Dragged into captivity he becomes a thrall in the fearsome shadow of Ivar the Boneless witnessing firsthand the strategic genius and pitiless cruelty of the Norse conquerors But within Eadric the embers of defiance refuse to die His daring escape into the treacherous fenlands ignites a spark of resistance transforming him into the elusive Fenland Ghost a leader of men striking from the shadows His path will ultimately lead him to the last bastion of Saxon hope King Alfred of Wessex Meanwhile Astrid a formidable Norse shield maiden rides with the invading host her axe earning her renown But the relentless bloodshed and the decaying honor among her kinsmen ignite a crisis of conscience Choosing exile over allegiance to a corrupt jarl she

embarks on a solitary journey through the burgeoning lawless Danelaw From the turbulent port of Lundenwic to the Norse capital of Jorvik Astrid forges a new identity as an independent warrior her skills sought after her loyalties her own Yet a V lva s prophecy and the whispers of a resilient Saxon commander haunt her steps pulling her towards a destiny she never sought The Serpent's Fury plunges readers into the heart of 9th century England a land torn asunder by cultural collision and relentless warfare As Eadric rises from a vengeful fugitive to a key commander in Alfred's army and Astrid navigates the perilous path of an outcast seeking purpose their lives intersect in moments of conflict grudging respect and unexpected alliance Against the backdrop of legendary battles like Edington and the formation of the Danelaw this sweeping saga explores the true cost of war the enduring strength of the human spirit and the complex choices that shape legacies in an age where survival itself is a victory The Ragged Edge of the World Eugene Linden, 2012-03-27 A pioneering work of environmental journalism that vividly depicts the people animals and landscapes on the front lines of change s inexorable march A species nearing extinction a tribe losing centuries of knowledge a tract of forest facing the first incursion of humans how can we even begin to assess the cost of losing so much of our natural and cultural legacy For forty years environmental journalist and author Eugene Linden has traveled to the very sites where tradition wildlands and the various forces of modernity collide In The Ragged Edge of the World he takes us from pygmy forests to the Antarctic to the world s most pristine rainforest in the Congo to tell the story of the harm taking place and the successful preservation efforts in the world s last wild places The Ragged Edge of the World is a critical favorite and was an editors pick on Oprah com Encounter Between Two Worlds Aldivan Torres, Vidente, 2024-08-22 After the resolution of the seer's second adventure I returned to the normal routine of work social contact and human relations I was a long time without contact with Renato the guardian or even the Hindu and the priestess walking companions Until on a beautiful sunny day when I enjoyed a moment of leisure with my family I heard a thin voice calling me from afar As I directed my vision to voice my eyes filled with tears as I recognized my benefactor who had helped me overcome my challenges and entered the world's most dangerous cave on my first trip to the mountain As I got closer I got up to greet her gave her a kiss and a big hug I took the opportunity to introduce you to my mother and my brothers The contact was brief but intense Discreetly she asked me for a private conversation I accepted the invitation and together we went to my room to have more privacy. On the way our eyes crossed and hers gave Constitutional Rights in Two Worlds Mark S. Kende, 2009-03-02 This book examines me confidence and a dose of mystery the South African Constitutional Court to determine how it has functioned during the nation s transition Experience on the Edge: Theorizing Liminality Brady Wagoner, Tania Zittoun, 2021-10-19 Liminality has become a key concept within the social sciences with a growing number of publications devoted to it in recent years The concept is needed to address those aspects of human experience and social life that fall outside of ordered structures In contrast to the clearly defined roles and routines that define so much of industrial work and economic life it highlights spaces of transition indefiniteness ambiguity

play and creativity Thus it is an indispensable concept and a necessary counterweight to the overemphasis on structural influences on human behavior This book aims to use the concept of liminality to develop a culturally and experientially sensitive psychology This is accomplished by first setting out an original theoretical framework focused on understanding the liminal sources of cultural experience and second an application of concept to a number of different domains such as tourism pilgrimage aesthetics children's play art therapy and medical diagnosis Finally all these domains are then brought together in a concluding commentary chapter that puts them in relation to an overarching theoretical framework This book will be useful for graduate students and researchers in cultural psychology critical psychology psychosocial psychology developmental psychology health psychology anthropology and the social sciences cultural studies among others The Edge of Meaning James Boyd White, 2003-04 Certain guestions are basic to the human condition how we imagine the world and ourselves and others within it how we confront the constraints of language and the limits of our own minds and how we use imagination to give meaning to past experiences and to shape future ones These are the questions James Boyd White addresses in The Edge of Meaning exploring each through its application to great works of Western culture Huckleberry Finn the Odyssey and the paintings of Vermeer among them In doing so White creates a deeply moving and insightful book and presents an inspiring conception of mind language and the essence of living **On the Edge** Ilona Andrews, 2009-09-29 Step into a whole new world in the first Novel of the Edge from the 1 New York Times bestselling author of the Kate Daniels series The Edge lies between worlds on the border between the Broken where people shop at Wal Mart and magic is a fairy tale and the Weird where blueblood aristocrats rule changelings roam and the strength of your magic can change your destiny Rose Drayton thought if she practiced her magic she could build a better life for herself But things didn t turn out the way she d planned and now she works an off the books job in the Broken just to survive Then Declan Camarine a blueblood noble straight out of the deepest part of the Weird comes into her life determined to have Rose and her power But when a flood of creatures hungry for magic invade the Edge Declan and Rose must overcome their differences and work together to destroy them or the beasts will devour the Edge and everyone in it *The Wall at the Edge of the World Damion* Hunter, 2020-05-21 Save lives Or take them A gripping novel of the Roman frontier Ebook includes a new short story entitled The West Pasture Army Medic Postumus Justinius Corvus is a long way from his native Britannia in the Syrian provinces at the far corner of Empire But now he is going home unexpectedly promoted to Senior Surgeon in the Sixth The new Emperor faces problems in the far flung island at the edge of Empire Trouble is brewing north of the Wall The tribes are stirring a new conflict is brewing old and new loyalties will be tested Postumus will find himself at the heart of the maelstrom and with his hands soaked in blood Deeply researched and utterly enthralling this is a searing historical epic perfect for fans of Ben Kane Conn Iggulden and Bernard Cornwell Praise for The Wall at the Edge of the World A fine mix of story and history and the author manages to shed light on a period when the Roman Empire flexed its muscles at the edge of the world Historical
