**Students With Interrupted Formal Education** Brenda Custodio,Judith B. O'Loughlin,2017-02-23 New hope for our most vulnerable English learners One of the guiding principles of effective English language teaching is for educators to know their students And that in a nutshell captures the value of this book The compassion that Custodio and O Loughlin feel for our SIFE students the commitment they have to educating them well and the comprehension they have of the assets these learners bring to the classroom are evident in the writing tools and vignettes they share Deborah J Short Under the best of circumstances the academic demands of today s classrooms can be daunting to our English learners But for the tens of thousands of newly arrived students with interrupted formal education even the social challenges can be outright overwhelming Rely on this all in one guide from Brenda Custodio and Judith O Loughlin for expert insight on how to build the skills these students need for success in school and beyond Inside you ll find Essential background on factors leading to interrupted education Specific focus on refugee children and Latino immigrants Guidance on building internal resilience for long term social and emotional health Recommendations for creating supportive environments at the classroom school and district level About one thing Brenda and Judith are absolutely convinced our SIFE students can learn and make progress often at a remarkable speed But it s up to us their educators to provide the time attention and a specific focus Consider this book your first step forward **Narrowing the Achievement Gap** Susan J. Paik,Herbert J. Walberg,2007-06-04 The subject of minority children s learning has long been the concern of civic leaders parents scholars and educators The federal legislation No Child Left Behind emphasizes the concern even more It specifically requires assessing the academic achievement of minority students particularly in economically disadvantaged areas and holding schools accountable for their progress Schools that fail to attain Adequate Yearly Progress face the real possibility of being forced to close if they continually fail to perform Unlike the past these are increasingly high stakes consequences for educators parents students and the schools that serve them This book is timely and relevant because it addresses these issues and recommends solutions for Latino Black and Asian students This book also has implications for the problems the nation faces in helping all students to learn well particularly those that lag in academic achievement In considering the broad problems and in recommending

solutions the book provides breadth concision and unique organization As the introductory chapter makes clear the book simultaneously considers not only the three most visible minority groups in the U S but draws upon the perspectives of anthropology education ethnic studies psychology and sociology From these several perspectives this book is organized within three broad sections 1 culturally diverse families and schooling 2 issues of immigration and schooling experiences and 3 socio cultural perspectives on teaching learning and development Within each section the authors marshal research literature regarding each ethnic minority group
