Eagan,1995-08-01 To find out more information about Rowman Littlefield titles please visit us at [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)      Developing Disciples of Christ Julianne Stanz,2017-10-01 St Pope John Paul II reminds us in Catechesi Tradendae that catechesis is a moment a very remarkable one in the whole process of evangelization In other words catechesis is an essential part of evangelization not something separate from it Therefore it is critically important that catechetical leaders recognize how to effectively catechize in a way that advances the Church s primary mission to evangelize To that end this third volume of The Effective Catechetical Leader will explore a Catholic understanding of evangelization grounded in Scripture and Tradition how the New Evangelization supports and enhances today s catechesis the inseparable nature of content and methodology in catechesis the absolute importance of adult catechesis and so much more The Effective Catechetical Leader series developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country is the only series to encompass all the various aspects of catechetical

leadership This series provides the practical skills strategies and approaches that ensure successful parish faith formation in an evangelizing manner which leads directly to a vibrant Church From best practices to new approaches for proclaiming God's word in a rapidly changing world this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of all ages within our diverse Church **Competent Christian Counseling, Volume One** Timothy Clinton, George Ohlschlager, 2002-04-16 The authoritative new reference guide that equips counselors pastors and church leaders and caregivers for an effective ministry of soul care Under the guidance of the highly respected American Association of Christian Counselors AACC more than 40 leading Christian professionals have come together to provide this comprehensive authoritative and up to date reference guide for professional and lay counselors pastors and leaders in training Competent Christian Counseling offers you the best contributions on spiritual formation and pastoral care from Scripture as well as from giants of church history the latest research theory and successful practice methods in Christian counseling a practical 21st century model of Christian counseling that is not only counselor friendly but also facilitates effective biblical client change all geared to help people mature in the ways and wisdom of Jesus Christ Competent Christian Counseling edited by Timothy Clinton and George Ohlschlager is destined to be regarded for years to come as the authoritative trustworthy resource for Christian counseling Sex and the Marriage Covenant John Kippley, 2014-01-23 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title Sex and the Marriage Covenant is an appropriate description of the book's contents Marriage comes into being by a couple unreservedly entering God's covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book When Saints are Lovers John T. Seddon, 1997 When Saints Are Lovers explores the cultural and spiritual foundations of the life of Reverend Thomas Frederick Price M M a co founder of the Catholic Foreign Mission Society Maryknoll in the United States John T Seddon III having based this study on the Diary of Father Price discusses how these foundations developed into Price's dedication to the Blessed Mother and a spiritual marriage with St Bernadette Soubirous Love, Joy, and Sex Stan Chu Ilo, 2019-07-30 There is no papal document that has generated as much interest controversy and debate in recent times as Pope Francis's Amoris Laetitia This document which came out of two very divisive synods of Catholic bishops and leaders in Rome in 2014 and 2015 will probably be the most discussed document ever produced by a pope in modern Catholicism on marriage and family life This volume has gathered seminal commentaries on Amoris Laetitia by African Catholic theologians social scientists and pastoral workers They offer African theological and pastoral responses to the principles and practices proposed by Pope Francis and the Synod on the family on such contested issues as same sex relations divorce and remarriage and reception and denial of Holy Communion in the church among other

divisive issues These important essays and commentaries show the strengths and weaknesses of this papal commentary and point out the missing link in the global conversation on marriage family and same sex relations Their argument for the inclusion of African perspectives and moral traditions in the search for a third way in finding an inclusive and integrated pastoral art of accompaniment is very compelling The authors here also call for the inclusion of Africa s own unique challenges like polygamy childless marriages and the impact of migration civil conflict diseases ecological and population crises and the rights of African women in the global discussion on marriage and family life They also challenge uncritical cliches in world Christianity that Africa s opposition to same sex marriages or Western propaganda about population or birth control and contraception are conservative while showing diverse African conversations on these topics in the search for abundant life on this beautiful continent
