Good News For Women A Biblical Picture Of Gender Equality:

Good News for Women Rebecca Groothuis, 1996-12-01 Most evangelical discussion of the gender issue has been spent in feverish debate over the exegetical intricacies of the traditional prooftexts writes Rebecca Merrill Groothuis And though faithful exegesis is certainly crucial a myopic fixation on a handful of controversial biblical texts will not ultimately resolve the gender debate In *Good News for Women* Groothuis looks at the Big Picture the overall outline of biblical teaching on relationships between men and women This provides the foundation for examining the passages specifically relating to gender issues Written with the razor sharp insight that prompted critical acclaim for Groothuis first book *Good News for Women* shows that the broad sweep of biblical thought aligns more readily with gender equality than gender hierarchy traditionalist prooftexts do not present an open and shut case in favor of universal male authority the traditionalist agenda on gender issues is neither helpful nor healthy for Christian women today *From Judaism to Christianity: Tradition and*

Complementarity Gregg Allison, 2025-05-15 In *Complementarity* theologian Gregg Allison presents a fresh vision for understanding God's design for men and women as image bearers in the home the church and society As a framework

broader than either complementarianism and egalitarianism and underlying both of them complementarity affirms the equal dignity significant difference and flourishing interdependence of men and women Allison grounds his exploration of complementarity in the complex history of the relationship between women and men throughout church history as well as the contemporary contexts of feminism complementarianism patriarchalism and egalitarianism He examines relevant passages from the Old and New Testaments before offering theological considerations of gender and how all Christians fulfill the offices of prophet priest and king Allison concludes by explaining how a robust understanding of complementarity fosters mutual flourishing for male and female image bearers Allison offers a path forward for Christians who want to foster mutual support for male and female image bearers within their churches and communities *Feminist Edges of the Qur'an* Aysha A. Hidayatullah, 2014-04-01 Aysha Hidayatullah presents the first comprehensive analysis of contemporary feminist interpretations of the Qur'an Synthesizing prominent feminist readings of the Qur'an in the United States since the late twentieth century she provides an essential introduction to this nascent field of Qur'anic scholarship and engages in a deep investigation as well as a radical critique of its methods and approaches With a particular focus on feminist passages in the Qur'anic text she argues that many feminist interpretations rely on claims about feminist justice that are not fully supported by the text and she proposes a major revision to their exegetical foundations A provocative work of Muslim feminist theology *Feminist Edges of the Qur'an* is a vital intervention in urgent conversations about women and the Qur'an *The Motives of Self-Sacrifice in Korean American Culture, Family, and Marriage* Chul Woo Son, 2014-01-24 The concept of self sacrifice is highly important to Korean Americans With hierarchy of age social status and gender defined roles taking primacy over equality and justice self sacrifice becomes instrumental in maintaining family and social relationships Unfortunately in family relationships sacrifice has more to do with submission and endurance than it does with sacrificial service that is redemptive and mutually beneficial When self sacrifice carries hidden motives coercive responsibility obligation shame guilt or one's reputation that self sacrifice is not self giving neither serving nor being of mutual benefit In this context it is important to explore the attitudes and motives of self sacrifice in Korean American families In unlocking and exploring the dynamics of the theology and practice of self sacrifice for Korean Americans this book explores cultural virtues marital relationships gender inequality domestic violence and their theological implications The author introduces a new approach and model with a proposal for a healthier and a more judicious understanding of self sacrifice for Korean American family relationships The element of equal regard as pertaining to self sacrifice offers Korean Americans a refreshing hope in the perspective of familial relationships and a liberating casting off of culturally and religiously imposed burdens The Korean American family ought to be grounded on a love ethic of equal regard and place its value on mutuality self sacrifice and individual fulfillment When this is done sacrificial love can be understood as justly appropriated for both husbands and wives males and females and parents and children Thus Christian teaching and theology may deliver a more transparent message of true agape and its

liberating effects for the marginalized especially women and children Unashamed Servant-Leadership Rachel Rajagopal, 2017-12-14 Asian Christian female servant leaders have faced painful and humbling experiences in their leadership development at every turn and at every corner Asian women who are evangelical servant leaders rarely have any real voice in their community In this book Rachel Rajagopal enrolls ten servant leaders who speaking as one seek to have their collective voice heard recognized and valued The testimonies of these women's encounters with the Lord Jesus Christ and their personal obedience to God's call despite their challenges as female ministry leaders are powerful examples of God using women in his sovereign plan Many of the hindrances these servant leaders encountered were simply because God made them women Dr Rajagopal's rigorous examination of the Asian social cultural and theological context in relation to women in Christian leadership allows these stories to jump off the pages and into readers hearts This thorough study not only illuminates the Asian context but is eminently transferable to other parts of the world in pursuit of releasing women into their gifting from God

Scott Womble, 2008 Beyond Reasonable Doubt is not just another book among many tackling the issues surrounding the role of women in the church After witnessing discussions on this topic in settings as varied as the seminary classroom the foyers in the local church and even his own living room Scott Womble sought to bring these perspectives into one holistic discussion The result is a comprehensive resource which addresses theology exegesis and everyday life Utilizing the hypothetical setting of a courtroom Womble argues that the case which sentences women to secondary roles in ministry demands a retrial An accumulation of 95 solid arguments is presented on behalf of the women who need a defense attorney as they await the verdict regarding their place in the church His 95 theses raise more than reasonable doubt and clearly show that women must be released into ministry Scott Womble B S Saint Louis Christian College M Div Lincoln Christian Seminary is professor of biblical studies at Saint Louis Christian College where he also serves as the Adults in Ministry Coordinator Prior to joining the college in 2002 Womble served as full time preaching minister in central Illinois for seven years He still regularly fills the pulpit on Sunday mornings having preached at over fifty churches He is a regular book reviewer for the Stone Campbell Journal Womble is an avid sports enthusiast Scott and his wife Lisa have been married twenty three years and have two children Amanda and Michael Ordinary People,
