Coward,2013-06-06 This first volume in the Coward Collection contains four plays written within a two year period when Coward and the century were still in their 20s The volume is introduced by Sheridan Morley Coward s first biographer Hay Fever a comedy of bad manners concerns a weekend with friends of the Bliss family who have all been invited independently for a weekend at their country house near Maidenhead The Vortex was a controversial drama in its time introducing drug addiction onto the stage at a time when alcoholism was barely mentioned Fallen Angels which is written for two star actresses was described as degenerate vile obscene shocking the second half of the play is entirely taken up with an alcoholic duologue between the two women Easy Virtue is an elegant laconic tribute to a lost world of drawing room dramas no other writer went more directly to the jugular of that moralistic tight lipped but fundamentally hypocritical 20s society He is simply a phenomenon and one that is unlikely to occur ever again in theatre history Terence Rattigan *The Untold Story* Joseph
