*Good with Their Hands* Carlo Rotella, 2002-10-25 A native of the Rust Belt whose own life resonates with these stories Rotella has gone to the home turf of his characters hanging out in boxing gyms and blues clubs riding along with cops and moviemakers discussing the future of Brockton with a visionary artist and a pitbull fancying janitor who both plan to save the city's soul These people make culture with their hands and hands become an expressive metaphor for Rotella as he traces the links between their individual talents and the urban scenes in which they flourish His writing connects what happens on the street to the larger story of urban transformation especially the shift from a way of life that demanded individuals be good with their hands to one that depends on the intellectual and social skills fostered by formal education and service work

**The Studios after the Studios** J. D. Connor, 2015-04-08 Modern Hollywood is dominated by a handful of studios Columbia Disney Fox Paramount Universal and Warner Bros Threatened by independents in the 1970s they returned to power in the 1980s ruled unquestioned in the 1990s and in the new millennium are again besieged But in the heyday of this new classical era the major studios movies their stories and styles were astonishingly precise biographies of the studios that made them Movies became product placements for their studios advertising them to the industry to their employees and to the public at large If we want to know how studios work how studios think we need to watch their films closely How closely Maniacally so In a wide range of examples *The Studios after the Studios* explores the gaps between story and backstory in order to excavate the hidden history of Hollywood's second great studio era

**Flavor and Soul** John Gennari, 2017-03-18 In the United States African American and Italian cultures have been intertwined for more than a hundred years From as early as nineteenth century African American opera star Thomas Bowers *The Colored Mario* all the way to hip hop entrepreneur Puff Daddy dubbing himself the Black Sinatra the affinity between black and Italian cultures runs deep and wide Once you start looking you'll find these connections everywhere Sinatra croons *bel canto* over the limousine swing of the Count Basie band Snoop Dogg deftly tosses off the line *I'm Lucky* Luciano bout to sing soprano Like the Brooklyn pizzeria and candy store in Spike Lee's *Do the Right Thing* and *Jungle Fever* or the basketball sidelines where Italian American coaches Rick Pitino and John Calipari mix it up with their African American players black Italian connections are a thing to behold and to investigate In *Flavor and Soul* John Gennari spotlights this affinity calling it the edge now smooth sometimes serrated between Italian American and African American culture He argues that the edge is a space of mutual emulation and suspicion a joyous cultural meeting sometimes darkened by violent collision Through studies of music and sound film and media sports and foodways Gennari shows how an Afro Italian sensibility has nourished and vitalized American culture writ large even as Italian Americans and African Americans have fought each other for urban space recognition of overlapping histories of suffering and exclusion and political and personal *rispetto* Thus *Flavor and Soul* is a cultural contact zone a piazza where people express deep feelings of joy and pleasure wariness and distrust amity and enmity And it is only at such cultural edges Gennari argues that America can come to truly understand its racial and ethnic dynamics

**Transgression and Redemption in American Fiction** Thomas J. Ferraro, 2020-12-03 *Transgression and Redemption in American Fiction* is a critical study of classic American novels Ferraro returns to Hawthorne's closet of secreted sin to reveal *The Scarlet Letter* as a deviously psychological turn on the ancient Mediterranean Catholic folk tales of female wanderlust cuckolding priests and demonic revenge This lights the way to explore what Ferraro calls the Protestant temptation to Marian Catholicism in seven modern American masterworks including Chopin's *The Awakening*

Fitzgerald's *The Great Gatsby*, Cather's *The Professor's House* and Hemingway's *The Sun Also Rises*. *Transgression and Redemption in American Fiction* explores stories of forbidden passion and sacrificial violence with ultra radiant women and sometimes men at their focus. It examines how these novels speak to readers across religious and social spectrums generating an inclusive mode of address and near universal relevance. Ferraro breaks the codes of contemporary criticism in his thematic focus and critical style going beyond Protestantism and even Judeo-Christian Orthodoxy itself. *Transgression and Redemption in American Fiction* encourages the attentive reader to think about the American imagination, the myriad arts of writing about the passion plays of love and even our canonical structures for reading and thinking about literature in new ways.

In the Game A. Bass, 2005-09-23 Talking about race and sports almost always leads to trouble. Rush Limbaugh's stint as an NFL commentator came to an abrupt end when he made some off-handed comments about the Philadelphia Eagles' black quarterback Donovan McNabb. Ask a simple question along these lines: Why do African Americans dominate the NBA and watch the sparks fly. It is precisely this flashpoint that the contributors to this volume seek to explore. Professional and amateur sports wield a tremendous amount of cultural power in the United States and around the world and racial/ethnic and national identities are often played out through them. *In the Game* collects essays by top thinkers on race that survey this treacherous terrain. They engage fascinating topics like race and cricket in the West Indies, how black culture shaped the NFL in the 1970s, the famed black on white Cooney Holmes boxing bout and American Indian mascots for sports teams.

*Chronicle of a Camera* Norris Pope, 2013-03-06 This volume provides a history of the most consequential 35mm motion picture camera introduced in North America in the quarter century following the Second World War: the Arriflex 35. It traces the North American history of this camera from 1945 through 1972 when the first lightweight self-blinded 35mm cameras became available. *Chronicle of a Camera* emphasizes theatrical film production, documenting the Arriflex's increasingly important role in expanding the range of production choices, styles and even content of American motion pictures in this period. The book's exploration culminates most strikingly in examples found in feature films dating from the 1960s and early 1970s, including a number of films associated with what came to be known as the Hollywood New Wave. The author shows that the Arriflex prompted important innovation in three key areas: it greatly facilitated and encouraged location shooting; it gave cinematographers new options for intensifying visual style and content; and it stimulated low budget and independent production. Films in which the Arriflex played an absolutely central role include *Bullitt*, *The French Connection* and most significantly *Easy Rider*. Using an Arriflex for car-mounted shots, hand-held shots and zoom lens shots led to greater cinematic realism and personal expression.
