All About Love Pat Morrell-Donnelly,2023-07-28 *All About Love* is Pat Morrell Donnelly s ninth book to publish It contains two hundred twenty poems on different subjects Each poem contains the word love Many are motivational and inspirational type poems Some tell about life and about life s struggles and challenges that Pat has experienced They tell about the love of God Agape love love of parents love of nature love of country and different kinds of love Most have a positive ending Reading the poems will take one away a bit from the vicissitudes of life Pat believes she has been given a gift from God that puts these poems in her mind Perhaps some of the thoughts also come from being on this earth ninety four years Many of the poems were written in the nineteen eighties and nineteen nineties and all through the years that followed

They portray some of the difficulties Pat experienced through out her life The poems tell about different hardships problems losses and heartbreaks Pat suffered Many times she is awakened in the night with thoughts going round in her head She jots down or scribbles the thoughts on a pad next to her bed and deciphers the scribbling the following morning She has also written many poems while under the hair dryer The book also contains a short story The Faded Photograph It is a great love story Pat wrote about a special couple she knew The lady was originally from England A second short story called Unfinished is about her mother who was killed by a drunk driver when her mother was forty five years of age A beautiful life snuffed out prematurely Pat worked all her life since age fourteen She made it as the saying goes and then lost it all She was very successful at one point but from wrong choices and decisions she lost all the material possessions she had attained over her lifetime Pat realizes her poems are not everyone s cup of tea She appreciates that many have purchased her books and say they love her poems They speak to just what that person needs at the time Their spirit is lifted She shares her life s experiences through her poetry If Pat s poems can offer a bit of pleasure to any individual then the effort to put this book together and get it published will have been worth it all Carpenters Mike Cidoni Lennox,Chris May,2021-11-16

Introduction by Richard Carpenter The definitive biography of one of the most enduring and endeared recording artists in history the Carpenters is told for the first time from the perspective of Richard Carpenter through more than 100 hours of exclusive interviews and some 200 photographs from Richard s personal archive many never published After becoming multimillion selling Grammy winning superstars with their 1970 breakthrough hit They Long to Be Close to You Richard and Karen Carpenter would win over millions of fans worldwide with a record breaking string of hits including We ve Only Just Begun Top of the World and Yesterday Once More By 1975 success was taking its toll Years of jam packed work schedules including hundreds of concert engagements proved to be just too much for the Carpenters to keep the hits coming and ultimately to keep the music playing at all However Richard and Karen never took their adoring public or each other for granted In Carpenters The Musical Legacy Richard Carpenter tells his story for the first time With candor heart and humor he sheds new light on the Carpenters trials and triumphs work that remains the gold standard for melodic pop This beautifully illustrated definitive biography with exclusive interviews and never before seen photographs is a must have for any Carpenters fan
