The Quran: A New Interpretation M. B. Behbudi, Dr Colin Turner, 2013-09-13 This new rendering of the Holy Quran into the English language is the first of its kind since it is a combination of translation and exegesis in which the author opens out the verses of the Holy Book to reveal some of the layers of meaning expounded by the Prophet and transmitted through the ages by the Prophet's companions family and the scholars who followed them The fruit of over thirty years of research into the principles of Quranic exegesis and hadith analysis this work matches a depth of Arabic and Islamic learning with a mastery of English that is lucid and accessible while preserving the integrity of the original text

you will notice a lot of bicycles horse drawn carriages some for hauling freight others for shuttling people to and from their hotel the maroon Grand Hotel bus taxis and public tour carriages People are walking on the streets and sidewalks as well If you arrive in late May or early June you will have a chance of catching the lilacs in bloom There are five authorized motorized vehicles allowed on the island They are police cars fire trucks ambulances an assortment of maintenance vehicles for the electric company and snowmobiles which is the main mode of transportation for the approximately 450 to 500 permanent residents One of the best and easiest ways to get around is by bicycle Most people who visit the island think that Main Street and downtown is it There is more to the island than the eighteen or so fudge shops and tourist stores It is part of the experience but not the whole experience Me and My Misdeeds: A Comedian's Misadventures in the Land of Love
