Brown Ph.D.,2009-04-10 Supplication captures a universal cross cultural approach to spirituality Authored by Dr Patricia Brown The Supplicate Order defines supplication as an expression for the laws and principles that guide a spiritual aspirant toward communion with the sacred mysteries progressing toward an expanded perception of life and grateful reception of blessings positive creativity healing and wisdom It shows how humanity bridges the manifest explicate order and the unmanifest implicate order Offering a fresh perspective on supplication The Supplicate Order carries four messages that pertain to spiritual aspirants at any level

Don't abandon yourself to self loathing or to another person's or group's absolute power over you. Start with what you know to do. Don't be too eager to get exotic or far removed from your resonant spiritual persuasion. Never think you know everything. Don't give up. Brown explains how key universal principles verify the human capacity to bring forth gifts of the spirit while psychological health and development determine invocatory efforts and receptive capacities. The Supplicate Order integrates global spiritual wisdom and psychological knowledge with the trends of new science highlighting the human invocation of the sacred.

**The Ancient Future** Traci Harding, 2025-09-04

COME WREAK A LITTLE HAVOC WITH HISTORY. The white light surrounded her, exuding from the ground within the circle. The mist rose towards the sky to form a billowing cloud. From within the largest stone, a ball of blue light steadily made its way towards her. Late one evening, a car accident leaves Tory, daughter of a prominent history professor, stranded near a ring of stones in the English countryside. She resolves to spend the night at the sacred site, a black belt in Tae kwon do. Tory holds little fear for her safety. But across the vortex of time and space, she is being watched. The Merlin knows of the legend. Tory is to become, and through the wisdom of the Old Ones, teleports her back to the Dark Age. Prince Maelgwn of Gwynedd and his band of knights stumble across this mysterious woman dressed in jeans and leather jacket. Believing she is the witch of the stones, they threaten to kill her. Rising to her own defence, Tory challenges the Prince's champion to unarmed combat. With her superior fighting skill, she easily overwhelms the warrior, winning the admiration of the Prince and changing the course of British history forever.
