Good King Richard:

Good King Richard? Jeremy Potter, 1983 An account of Richard III and his reputation **Good King Richard?** Jeremy Potter, 1994 Richard III the so called last English King of England and the wicked uncle of popular tradition is the most controversial and enigmatic of monarchs Still the Great Debate between traditionalists and revisionists rages on Was he an enlightened legislator out of his depth in the political intrigues of his time Or was he simply brutally the gargoyle on the great cathedral of English history Searching for the man behind the portraits Jeremy Potter adduces a formidable array of colourful and quarrelsome voices from St Thomas More to Laurence Olivier BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Good King Richard Jeremy Potter, 1989-05-01 Kingdom Come Allen M. Wakabayashi, 2009-09-20 God is up to something And his plans are far greater than you might imagine Christianity is not merely about isolated individuals going to heaven It s about God transforming the entire world and making things right Sicknesses will be healed sins will be forgiven injustice will be eradicated and all creation will be redeemed But this is not merely a distant future It s happening now through what Jesus came to establish the kingdom of God Allen Wakabayashi reawakens you to the world changing reality of the kingdom of God With clear biblical insight he unpacks what Jesus proclaimed about the good news of the kingdom and spells out the implications for you today Focusing on the kingdom of God will revolutionize how you live out your faith how you think about your world and how you explain the good news about Jesus Ultimately understanding yourself as a citizen of the kingdom will empower you to be one of God s change agents in the world God is at work to restore everything to be the way he intended it to be and you can be a part of what he is doing Get a glimpse of the kingdom coming and experience his will being done on earth as it is in heaven **Shadow Pasts** William D. Rubinstein, 2014-09-11 For many intelligent people the stuff of history does not consist of the kind of dry as dust investigations of diplomatic economic or political history that most university historians research and write about but the famous topics of historys mysteries who was Jack the Ripper Was there a conspiracy to kill President Kennedy Did Richard III murder the Princes in the Tower What are the mysteries of the ancient Pyramids Not only have a great many books and articles been written on these and similar topics by so called amateur historians but they have generated societies conferences newsletters and television programmes Many people who are not academic historians take a keen interest in these topics and have in some cases made themselves real experts on them with interesting theories of their own Despite all of this however these topics are virtually ignored by academic historians and can be treated with contempt In *Shadow Pasts* William D Rubinstein a well known and widely published history professor examines seven of the most famous and interesting topics which have been discussed debated examined and written about by amateur historians Each of these mysteries and the theories surrounding them are examined in detail with Professor Rubinstein presenting his own original and sometimes surprising conclusions about what really happened *The New Oxford Shakespeare: Modern Critical Edition*
