Hooray! Wow, I Am Grateful! Tonya Drummond,2023-01-29 This book is intended to reach Children s hearts and show them how to deal with different situation that occurs in not only they life but other people they know life in a positive light whether it be fiction or non fiction Some children can express and deal with life challenges sometime by feeling other people unfortune by expressing how it effects them I pray the children will always come out with a positive outlook from reading my books by being gentle courteous respectful kind and grateful in any situation I always believe there will always be light at the end of every tunnel Although there might be heartache pain sacrifices as well as strife I personally feel there will be light somewhere waiting for a slight of relief for others But in the mist of all of that turmoil we must admit and remember we still need light in our hearts and life Therefore I humbly ask and say let our children imagine wish hope and dream For they imagining and dreaming for tomorrow while their hopes and wishes are for today So let them live their dreams and to the world I always say dream to live for living is your dreams *Scouting and Scoring* Christopher J.
