unsuitable activities for each day of the year **Creative Bible Lessons in Genesis** Hoon Kim, 2009-05-26 Creative Bible Lessons in Genesis follows the work previously done with other studies in the series What makes this volume different is that it is sensitive to the influence of postmodernism on today's culture and values it complements the widespread use of multimedia and is experiential in approach With a desire to be relevant it does not scan Scripture but intends to be scripturally thorough and accurate with an understanding that the power of the studies is ultimately found in the biblical text Because much of what is understood to be truth today is arrived at by subjective interpretation there is a strong but subtle element in the studies that highlights the Imago Dei image of God in man The blueprint of the Trinitarian God in man is perhaps the sturdiest bridge between postmodern experientialisms and ultimate truth and reality In order to emphasize these elements Bible studies include projection games helps and visuals Also many of the studies are highlighted by a participation which attempts to be close to the text account There are small group and large group elements that have been developed with the technologically savvy student in mind Creative Bible Lessons in Genesis follows the lives of various individuals in Genesis In a world where communication is less face to face and more screen to screen family breakdowns are the norm rather than the exception and role models often communicate debatable values an anchor for life can only be found in the God who does not change Human nature can only be satisfactorily understood through the image of God in man and that all behavior desires and actions people take are ultimate acts of worship and desire for God The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform as well as from a subjective emotional experiential platform *The Aaron/Q'uo Dialogues* Barbara Brodsky, Carla L. Rueckert, 2011-12-06 Inspired by the breakthrough channeled series The Law of One Buddhist teacher Barbara Brodsky sent its author Carla L Rueckert some transcriptions of her own material Struck by Brodsky's lucid witty and fearless channeling Rueckert invited Brodsky to co channel a conversation between their spirit teachers Q'uo and Aaron Developed from the transcripts of nine weekends of joint channeling The Aaron Q'uo Dialogues An Extraordinary Conversation between Two Spiritual Guides offers teachings from a positive polarity perspective and provides answers to a wide range of spiritual questions such as What is the spiritual path and how do we live it Why do seemingly bad things happen to people who are trying to follow the dictates of love How do we open the heart Offering wise solutions to the major problems that prevent people from living with more awareness and compassion these conversations offer the spiritual seeker a valuable template for a life of spiritual peace Barbara Brodsky is a nationally known Buddhist teacher and the founder of Deep Spring Center www.deepspring.org Carla L Rueckert is best known for her channeling of The Law of One also called The Ra Material www.lresearch.org *The Mythology of Horses* Gerald Hausman, Loretta Hausman, 2012-09-05 An extraordinary collection of myths and facts about horses their honored place in human history and the mystique that has surrounded them in cultures around the globe Horses have always held a mystical sway over the human imagination no other
