Encountering New Testament Manuscripts Jack Finegan,1980-07-02 This is a print on demand book and is therefore non returnable The field of textual criticism remains an exciting one Thousands of manuscripts have been recovered in recent years Using the methods of textual criticism translators have been able to discern from these manuscripts a probably reading of the original New Testament text a difficult but important task Several scholarly books describing the process of textual criticism have already been written but *Encountering New Testament Manuscripts* is uniquely different in its approach Here students have an opportunity to see and read portions of the chief manuscripts for themselves and to learn firsthand the principles of textual criticism Included are twenty four photographs of some of the oldest and most important manuscripts including papyri parchment and paper texts with both uncial and miniscule script Through the steps of transcribing the original manuscripts and organizing the various evidences presented the student learns to develop conclusions about the reading of the original text A comprehensive introductory chapter surveying the nature and history of textual criticism and a concluding chapter on the question of methodology make this book a complete course on the subject Helpful indices and lists of important New Testament manuscripts make it an excellent resource volume as well **Rose Book of Bible Charts,**

Maps, and Time Lines Rose Publishing (Torrance, Calif.),2005 New 10 year anniversary edition of the bestselling book reproducible Bible charts maps and time lines Can reproduce up to 300 copies for students Back cover **Using New Testament Greek in Ministry** David Alan Black,1993-03-01 Here are all the tools pastors and teachers need to mine the Greek text and other language resources for the enhancement of personal study and sermon content 1 Samuel - 2 Kings David E. Garland,2005 Now completely revised 1 Samuel 2 Kings continues the Gold Medallion Award winning legacy of The Expositor s Bible Commentary series making world class biblical scholarship accessible to all people Medicine, Miracle, and Myth in the New Testament J. Keir Howard,2010-02-08 Did Jesus really restore sight to blind people How are we to

understand the stories of demon possession What are we to make of the virgin birth What was Paul's thorn in the flesh These and many similar questions often arise in people's minds as they read the New Testament and there are few places for the general reader to look to find the answers even ministers and students find it difficult to access useful and up to date information Commentaries on the New Testament rarely pay much attention to the diagnosis of the illnesses mentioned in the Gospels and elsewhere and the technical discussions that occasionally appear in medical and other journals are not easy to access Medicine Miracle and Myth in the New Testament is an attempt to bridge these gaps for the general reader as well as for students ministers and preachers and even doctors in order to provide a coherent interpretation of the New Testament data that meets the criteria of modern medical science Most attention is paid to the narratives of healing in the Gospels and Acts as it is important to be able to provide as far as possible a reasonable diagnosis of the conditions which Jesus met in his day to day ministry The application of modern insights into these stories would suggest that Jesus acted as a prophetic folk healer in the tradition of the Old Testament prophets such as Elijah and Elisha and this provides one important facet of his ministry Other subjects on which medical science has an important bearing such as the problems associated with the stories of the virginal conception of Jesus the possible cause of his death on the cross and the nature of Paul's thorn in the flesh for example are also discussed thus providing a comprehensive and intelligible outline of medical matters in the New Testament
