Good Times Tomorrow:

GOOD TIMES IN THE HOSPITAL JAMES G. McCULLY, MD, 2012-10 *Good Times in the Hospital* is a collection of unlikely stories poignant vignettes and humorous anecdotes gathered from a lifetime of experience with real doctors and patients As the setting moves from Duke University Medical School to The Mayo Clinic to an inner city charity hospital to a military hospital to private hospitals in metropolitan centers and rural towns this inside look at hospital life allows the reader to gradually gain a new perspective on medical men and women They are not much different from the rest of us After forty years of medical education and hospital practice the author concludes that Doctors are no worse than other people As for the patients in these stories although hospitals are engaged in the most serious business imaginable you cannot find more laugh out loud behavior anywhere This is because when people are seeking medical care they are vulnerable and reveal their true inner selves And it turns out that the true inner selves of most people are often some combination of fascinating inexplicable and ridiculous To paraphrase a quote by Mel Brooks So long as this old world keeps spinning around and around every person riding on it will occasionally get dizzy and do something stupid *Good Times in the Hospital* reminds us that it is unhealthy to take life too seriously and a lighthearted temperament is just as important as a sound diet This point of view makes it possible for one book to combine a rare glimpse inside the hospital an informative look at health care and an entertaining collection of anecdotes There are chapters about juvenile practical jokes among medical students mistakes by doctors in training serious life lessons learned at the bedside hospital affairs that end badly doctors threatening other doctors with handguns a girl who tries to stop her grandma s pacemaker with an MR scanner an identical twin who has the surgery intended for her sister an old man patiently waiting his turn in a charity hospital emergency room while holding his intestines in his hand boyhood memories of a doctor who accompanied his father making house calls a doctor who missed his chance to win a Nobel Prize by not listening to his patient an intriguing case of domestic abuse fascinating hypochondriacs insights into why intelligent people spend their last dollar on irrational treatments amazing examples of cures by mind over matter the importance of our attitude on our wellness and even reflections on the question of medical miracles Is it appropriate to laugh at the behavior of doctors attending their patients and entertain ourselves with yarns of patients in their sickbed *Good Times in the Hospital* promotes the viewpoint that the best way to deal with our inevitable foibles is to laugh about them The author says If you believe that some things are sacrosanct and immune from humor you are reading the wrong book In an epilogue following this rich tapestry of medical tales the author offers some final thoughts on how to sort through medical advice a discussion of alternative medicine the real effect of malpractice lawsuits on doctors and the responsibility of patients for their own health This epilogue is a rare opportunity to hear from an experienced retired physician on such matters Such frank opinions are virtually never discussed by doctors in practice who must be circumspect in what they say for fear of alienating their patients losing their insurance coverage or becoming the target of a law firm Mostly though *Good Times in the Hospital*

Good Times Tomorrow Introduction

In the digital age, access to information has become easier than ever before. The ability to download Good Times Tomorrow has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Good Times Tomorrow has opened up a world of possibilities. Downloading Good Times Tomorrow provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Good Times Tomorrow has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Good Times Tomorrow. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Good Times Tomorrow. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Good Times Tomorrow, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Good Times Tomorrow has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular

choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
