Good Works:

The Good Works Reader Thomas C. Oden, 2007-07-16 Often considered one of the sparks that ignited the Reformation the place of works in the Christian life is still debated In this volume distinguished theologian Thomas Oden draws together Christian teaching from across the centuries to provide a comprehensive witness on this essential topic Oden listens to the timeless teaching of the patristic writers the theologians who defined orthodoxy in the first five centuries after Christ His listening extends not only to well known fathers such as Augustine Irenaeus and Eusebius but also to lesser known yet no less important fathers such as Oecumenius Pseudo Basil and Peter Chrysologus Oden s masterly compendium of classic Christian teaching covers treatment of the poor the outcast the imprisoned and the least of these Anyone involved in any ministry of compassion will find stunning spiritual resources here *A Zeal for Good Works excited and directed; in a sermon, etc* John BARNARD (Pastor, of Marblehead.), 1742 **Works** John Tillotson, 1717 *John Calvin and the*

Righteousness of Works Kevin P. Emmert, 2021-07-12 John Calvin s understanding of works righteousness is more complex than is often recognized While he denounces it in some instances he affirms it in others This study shows that Calvin affirms works righteousness within the context where faith righteousness is already established and that he even teaches a form of justification by works Calvin ascribes not only a positive role to good works in relation to divine acceptance but also soteriological value to believers good works This study demonstrates such by exploring Calvin s theological anthropology his understanding of divine human activity his teaching on the nature of good works and his understanding of divine grace and benevolence It also addresses current debates in Calvin scholarship by exploring topics such as union with Christ the relation between justification and sanctification the relation between good works and divine acceptance the role of good works in the Christian life and the content of good works **A Treatise on Good Works** Martin Luther, 2014-05-06 A Treatise on Good

Works by Martin Luther Christ saves through Faith Complete New Edition A Treatise on Good Works is considered Luther s clearest exposition on Christian life and the relationship between faith and good works Contrary to the teachings of the Roman church of his day Luther taught that people need not perform extraordinary acts of religious devotion to be saved but rather that Christ saves them by grace through faith Martin Luther 10 November 1483 18 February 1546 was a German monk Catholic priest professor of theology and seminal figure of the 16th century movement in Christianity known later as the Protestant Reformation He strongly disputed the claim that freedom from God s punishment for sin could be purchased with monetary values He confronted indulgence salesman Johann Tetzel a Dominican friar with his Ninety Five Theses in 1517 His refusal to retract all of his writings at the demand of Pope Leo X in 1520 and the Holy Roman Emperor Charles V at the Diet of Worms in 1521 resulted in his excommunication by the Pope and condemnation as an outlaw by the Emperor

Strange Work Rev Herbert Melville Munson Jr,2013-03-25 *Strange Work* is a verse by verse commentary on the Bible book of Revelation Nearly three millennia ago the prophet Isaiah predicted that the Lord God of hosts would one day rise up and do a strange work on the Earth He said it would come as a destruction upon the whole earth Isaiah 28 21 22 The last thing that modern man expects is that the true and living God will one day actually intervene upon the Earth Yet with one voice the prophets of the Bible predict that is exactly what He will do The book of Revelation is the most detailed of the Bible s prophecies of that fast approaching supernatural intervention on planet Earth Someone has dubbed the book of Revelation The prophetic Grand Central Station of the Bible That is a very good way to describe it All the great eschatological end time themes in the Bible run to the book of Revelation like train tracks to a central hub The Sermons of Charles Wesley Charles Wesley,Kenneth G. C. Newport,2001 Charles Wesley 1707 1788 is widely recognized as one of the greatest writers of the English hymn The importance of Charles however extends well beyond his undoubted poetic abilities for he is a figure of central importance in the context of the birth and early growth of Methodism a movement which today has a worldwide presence It was Charles and not John who first started the Oxford Holy Club from which the ethos and structures of organised Methodism were eventually to emerge It was Charles rather than John who first experienced the strange warming of the heart that characterised the experience of many eighteenth century evangelicals and in the early years it was Charles no less than John who sought to spread mainly through his preaching the evangelical message across England Wales and Ireland Eye witness testimony suggests that Charles was a powerful and effective preacher whose homiletic work and skill did much to establish and further the early Methodist cause In this book this other side of Charles Wesley is brought clearly into focus through the publication for the first time of all of the known Charles Wesley sermon texts In the four substantial introductory chapters a case is made for the inclusion of the 23 sermons here presented and there is discussion also of the significant text critical problems that have been negotiated in the production of this volume Other chapters present a summary of Charles s life and preaching career and seek to show by example how the sermons no less than the hymns are significant vehicles for the transmission of Charles s message This book hence makes a plea for a reassessment of the place of Charles Wesley in English Church history and argues that he deserves to be recognised as more than just The Sweet Singer of Methodism **The Westminster Confession of Faith** Rowland S. Ward,2021-06-14 Rowland S Ward s guide has served as an invaluable resource for many wishing to understand the rich theological tapestry of the Westminster Confession In this revised and expanded volume Ward has sought to bring further clarity to and appreciation for this great summary of doctrinal truth If you are looking for an easy to read exposition of the Confession with sharp analysis of its contents and relevant discussion questions look no further **The Pastoral Epistles** Michael L. Gowens,2018-04-02 Where may we go to find answers to questions concerning how a church is supposed to function the qualifications of church officers the priorities

of pastoral ministry the role of females in the church the importance of the Christian home and the biblical pattern of church government The New Testament canon contains three personal letters penned by the apostle Paul addressing these and many other questions The Pastoral Epistles to Timothy and Titus contain pastoral and ecclesiastical counsel for the church in all ages Great encouragement and guidance for gospel ministers is here And for the church that seeks to conform to Scripture more than cultural trends the Pastoral Epistles contain indispensable wisdom **The Complete Works of John Bunyan** John P. Gulliver, 2023-06-13 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost 1-2 Timothy, Titus Annette Bourland Huizenga, 2016 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format will aid readers in their advancement toward God's vision of dignity equality and justice for all Book jacket Sermons, Or Homilies, Appointed to be Read in Churches in the Time of Queen Elizabeth, of Famous Memory, 1817
