## Gordon Craig Archives:

**The Death of Edward Gordon Craig** Toronto Free Theatre Archives, Edward Gordon Craig, Irene Pauzer, Jan Kudelka, 1980\* *Gordon Craig Archives* Lindsay Mary Newman, 1976 **Edward Gordon Craig and Hamlet Exhibition at McLaughlin Library, 1976** Guelph Spring Festival Archives, Edward Gordon Craig, University of Guelph. Library, Edward Johnson Music Foundation, 1976 Performance Making and the Archive Ashutosh Potdar, Sharmistha Saha, 2022-11-30 This book investigates theories and practices shaped by a performance's relationship to the archive. The contributions in the volume examine how the changing nature of performance practices has made it imperative to understand how the archive and archival practices could add to the performance work. They explore a variety of themes including artistic engagement with the archive in both conceptual and material terms: physical, virtual, and digital forms; publicly and privately collected; oral, written, and digital ways; or organized and unorganized collections. Finally, the volume examines how archives are modelled on existing structure and the ways in which they can be brought into discourses and practices of performance making through engagement and contestation. A novel approach to performance theory, this volume will be of great interest to scholars and researchers of performance studies, media and culture studies, studies of technology and art, as also literature and literary criticism. Experimental Theatre James Roose-Evans, 2013-10-08 It is a pleasure to read. Well-written, free of cant, impressively wide-ranging. The book is really an introduction to the avant-garde. John Lahr *Tracing Your Theatrical Ancestors* Katharine M. Cockin, 2023-08-31 An essential source of reference for researchers trying to uncover the theatrical experience of one of their forebears. How can you find out about the lives of ancestors who were involved in the world of theater on stage and on film in the music halls and traveling shows in the circus and in all sorts of other forms of public performance? Katharine Cockin's handbook provides a fascinating introduction for readers searching for information about ancestors who had clearly defined roles in the world of the theater and performance, as well as those who left only a few tantalizing clues behind. The wider history of public performance is outlined from its earliest origins in church rituals and mystery plays through periods of censorship driven by campaigns on moral and religious grounds up to the modern world of stage and screen. Case studies, which are a special feature of the book, demonstrate how the relevant records can be identified and interpreted, and they prove how much revealing information they contain. Information on relevant archives, books, museums, and websites make this an essential guide for anyone who is keen to explore the subject. *The Poetics of Difference and Displacement* Min Tian, 2008-06-01 Intercultural theater is a prominent phenomenon of twentieth-century international theater. This book views intercultural theatre as a process of displacement and replacement of various cultural and theatrical forces, a process which the author describes as the poetics of displacement. **Intersectional Encounters in the Nineteenth-Century Archive** Rachel Bryant Davies, Erin Johnson-Williams, 2022-08-11 Rachel Bryant Davies and Erin Johnson Williams lead a cast of renowned scholars to initiate an interdisciplinary conversation about the mechanisms of power that have shaped the nineteenth century archive to ask What is a nineteenth century archive broadly defined This landmark collection of essays will broach critical and topical questions about how the complex discourses of power involved in constructions of the nineteenth century archive have impacted and continue to impact constructions of knowledge across disciplinary boundaries and beyond academic confines The essays written from a range of disciplinary perspectives grapple with urgent problems of how to deal with potentially sensitive nineteenth century archival items both within academic scholarship and in present day public facing institutions which often reflect erotic colonial and imperial racist sexist violent or elitist ideologies Each contribution grapples with these questions from a range of perspectives Musicology Classics English History Visual Culture and Museums and Archives The result is far reaching historical excavation of archival experiences

**Performing the Matrix** Meike Wagner, Wolf-Dieter Ernst, 2008 Performing the Matrix Mediating Cultural Performances presents a collection of case studies and analyses dealing with performances of the matrix that take up questions of identities and social thinking visualization and perception the discursive power of texts and historiographic paradigms and artistic strategies of political intervention Since 1999 The Matrix has become a popular catchword through the homonymous Wachowski brothers movie As both a traditional concept and a popular phenomenon matrix can take on a new value when reconsidered in the light of performance studies A behind the scenes look at theatre performance political activism and events may reveal a productive mediating structure that can metaphorically be described as a matrix This mediating structure and its materializations are fundamentally reshaping modern culture Accordingly politics of visibility media networking telepresence and liveness are considered to be understood as performances of the matrix If so how does this understanding of cultural performances as always already mediatized influence contemporary concepts of performance and media

**"In My Mind's Eye"**, 2009 Shakespeare, Performance and the Archive Barbara Hodgdon, 2015-10-23 Shakespeare Performance and the Archive is a ground breaking and movingly written exploration of what remains when actors evacuate the space and time of performance An analysis of leftovers it moves between tracking the politics of what is consciously archived and the politics of visible and invisible theatrical labour to trace the persistence of performance In this fascinating volume Hodgdon considers how documents material objects

sketches drawings and photographs explore scenarios of action and behaviour and embodied practices Rather than viewing these leftovers as indexical signs of a theatrical past Hodgdon argues that the work they do is neither strictly archival nor documentary but performative that is they serve as sites of re performance Shakespeare Performance and the Archive creates a deeply materialized historiography of performance and attempts to make that history do something entirely new Barbara Hodgdon is Professor of English at the University of Michigan now retired Her major interest is in theatrical performances especially performed Shakespeare She is the author of *The End Crowns All The Shakespeare Trade* and most recently the Arden edition of *The Taming of the Shrew*
