Gospel Of Matthew Moffatt New Testament

David L. Turner

Gospel Of Matthew Moffatt New Testament:

Matthew (Baker Exegetical Commentary on the New Testament) David L. Turner, 2008-04-15 New Testament scholar and professor David L. Turner offers a substantive yet highly accessible commentary on Matthew in this latest addition to the BECNT series. With extensive research and thoughtful chapter by chapter exegesis, Turner leads readers through all aspects of the Gospel of Matthew, sociological, historical, and theological, to help them better understand and explain this key New Testament book. He also includes important insights into the Jewish background of this Gospel. As with all BECNT volumes, Matthew features the author's detailed interaction with the Greek text. This commentary admirably achieves the dual aims of the series: academic sophistication with pastoral sensitivity and accessibility, making it a useful tool for students, professors, and pastors. The user-friendly design includes shaded text, chapter introductions summarizing the key themes of each thought unit.

The Gospel of Matthew - The Gospel of Mark David L. Turner, Darrell L. Bock, 2006-03 The Cornerstone Biblical Commentary provides students, pastors, and laypeople with up-to-date evangelical scholarship on the Old and New Testaments. It is designed to equip pastors and Christian leaders with exegetical and theological knowledge to better understand and apply God's Word by presenting the message of each passage as well as an overview of other issues surrounding the text. Publisher

The Structure of Matthew's Gospel David Bauer, 2015-01-29 This book addresses a central issue confronting the reader of the Gospel. Professor Bauer describes the impasse that has been reached in recent investigation of the structure of Matthew and demonstrates that an appreciation of literary design can provide a way forward. After identifying rhetorical features that relate to literary structure, he devotes the major part of his book to a systematic examination of such features as they appear in the Gospel in order to gain a fresh insight into the shape of the work. This study is valuable both for its comprehensive and judicious review of the question of structure in Matthew's Gospel and for the new direction which it establishes.

Isaiah's Christ in Matthew's Gospel Richard Beaton, 2002-11-14 Matthew's Jesus is typically described as the humble, compassionate messiah. This 2002 book argues that this is however only half the story. Matthew's theologically rich quotation of Isaiah 42:1-4, traditionally considered one of the four servant songs, underscores that manifest in Jesus' powerful message and deeds, particularly his healings and inclusion of the marginalized, is the justice that was thought to accompany the arrival of the kingdom of God. The study explores modifications to the text form of the Isaianic citations, their relationship to the surrounding context, and the rhetorical force of the final form. It argues that the quotations are bi-referential, functioning on both a narrative and theological level, and also explores the issues surrounding the troublesome extraneous content. It arrives at the conclusion that this citation was central to Matthew's understanding of Jesus' life and mission. All told, this study offers a refreshing exploration of Matthew's high ethical Christology.

The Intention of Matthew 23 David E. Garland, 2014-04-03 Preliminary Material Introduction The Composition and Structure of Matthew 23 Matthew 23:1-12 The Intention of the Woes of Matthew 23 The Charge of Hypocrisy in Matthew 23 The Exegesis

of the Individual Woes in Matthew 23 13 28 Matthew 23 29 39 Conclusion Appendix A Appendix B Bibliography Index

The Gospel of Matthew Theodore Henry Robinson,1928 The aim of The Moffat New Testament Commentary is to bring out the religious meaning and message of the New Testament writings The New Testament was the literature of the Early Church written out of faith and for faith and no study of it is intelligent unless this aim is kept in mind **Matthew's**

Missionary Discourse Dorothy Jean Weaver,1990-04-01 This book offers a distinctive solution to the interpretative difficulties surrounding Matthew s Missionary Discourse While the discourse proper lies within a narrative framework designating the setting of its delivery the outlined mission does not at all points agree with the designated setting Weaver shifts attention from historical critical to literary critical concerns Rather than focusing on the historical setting s of the disciples mission s she analyses the role of Mt 9 35 11 1 within its literary setting in the Gospel and assesses the impact of this text on the reader of the Gospel **'Behold, the Angels Came and Served Him'** Kristian A. Bendoraitis,2015-11-19

Angels have been analyzed in Christological research due to their primary function as messengers and mediators between heaven and earth Their role in the Gospel narratives however has been largely unexplored Utilizing the Old Testament and sources from the Second Temple period to illustrate the variety of angel traditions Bendoraitis identifies how these traditions are reflected in Matthew s Gospel and interprets the passages in which angels appear or are represented resulting in a detailed exegesis of those passages which specifically mention angels Each reference is critically analyzed in view of its role in the Gospel s narrative and in light of Matthew s redactional hand In addition each chapter is accompanied by a discussion of relevant traditions of angels in order to illustrate how Matthew s use of angels has facilitated his Gospel s message The examination concludes by postulating three factors in the inclusion of angel traditions in Matthew s narrative pertaining both to Matthew s Christology and worldview **Oral Transmission and the Dream Narratives of Matthew 1-2** Alistair N.

Shaw,2019-10-10 The first Gospel has traditionally been considered a very Jewish work Recent scholarship has suggested some Hellenistic influence The issue is explored in this work with attention focused on the dream narratives of the first two chapters An investigation is carried out using a new methodology The memory techniques used in an oral or semi literate society are explored A search is made for such techniques in Matthew and these are then compared with similar devices in a wide range of literature Old Testament contemporary Jewish Greek and Roman The intention is that literary practice should help to clarify the cultural setting in which Matthew functions This is a work which will interest New Testament scholars with a focus on Gospel studies and oral transmission It may also appeal to some classical scholars or those with a specialized interest in Josephus **Texte und Untersuchungen zur Geschichte der altchristlichen Literatur** ,1968 **Matthew,**

Mark David L. Turner,Darrell L. Bock,2015-10-16 The Cornerstone Biblical Commentary series 18 volumes is the product of nearly 40 scholars many of whom participated in the creation of the NLT The contributors to this series who are well known and represent a wide spectrum of theological positions within the evangelical community have built each volume to help

pastors teachers and students of the Bible understand every thought contained in the Bible In short this will be one of the premier resources for those seeking an accessible but fairly high level discussion of scriptural interpretation David L Turner PhD is a graduate of Cedarville University Grace Theological Seminary ThD and Hebrew Union College Jewish Institute of Religion Cincinnati MPhil PhD candidate He has been professor of New Testament at Grand Rapids Theological Seminary since 1986 and has previously published several articles on the Gospel of Matthew Darrel L Bock PhD University of Aberdeen is research professor of New Testament Studies at Dallas Theological Seminary His special fields of study include the use of the Old Testament in the New Testament Luke Acts the historical Jesus and the integration of theology and culture Among his most recent publications are *Breaking the Da Vinci Code* New York Times best seller May 2004 and a two volume commentary on Luke Baker *An Introduction to the New Testament, Volume 1* D. Edmond Hiebert, 2002-09-30 Volume One The Gospels and Acts With typical thoroughness Dr Hiebert has produced this volume of his New Testament introductions Though not a commentary on the gospels and Acts the book presents their message along with a discussion of such questions as authorship composition and the Synoptic problem Practical suggestions on how to study these five books are included The bibliographies and annotated book lists are extremely helpful for pastors teachers and laymen Volume Two The Pauline Epistles This is a detailed introduction to all of Paul's writings epistles that without question are among the most precious treasures of the Christian church Dr Hiebert discusses the historical circumstances of their writing deals with ethical problems and provides helpful general information on the content and nature of the books themselves Discussed in general and separately these epistles are treated in chronological order with emphasis on their eschatology soteriology Christology or ecclesiology The Wesleyan Bible Commentary: Matthew-Acts Charles Webb Carter, Ralph Earle, W. Ralph Thompson, 1964 *The Moffatt New Testament Commentary*, 1947 The Torn Veil Daniel M. Gurtner, 2006-12-21 In this 2006 text Daniel M Gurtner examines the meaning of the rending of the veil at the death of Jesus in Matthew 27:51a by considering the functions of the veil in the Old Testament and its symbolism in Second Temple and Rabbinic Judaism Gurtner incorporates these elements into a compositional exegesis of the rending text in Matthew He concludes that the rending of the veil is an apocalyptic assertion like the opening of heaven revealing in part end time images drawn from Ezekiel 37 Moreover when the veil is torn Matthew depicts the cessation of its function articulating the atoning role of Christ's death which gives access to God not simply in the sense of entering the Holy of Holies as in Hebrews but in trademark Matthean Emmanuel Christology God with us This underscores the significance of Jesus' atoning death in the first gospel

Rediscovering Faithfulness Kenneth W. M. Wozniak, 2024-07-09 What does faithfulness mean for modern Christians who find themselves immersed in a social and moral context two millennia removed from that of Jesus As a notion endorsed by Christians universally irrespective of church tradition geographic location economic and political milieu or spiritual experience faithfulness is essential to mature Christian living Yet many in the modern church have lost or perhaps forgotten

the true nature of faithfulness and thus have wandered from that which God envisages for believers Rediscovering what faithfulness entails however is altogether possible Theological ethicist Kenneth W M Wozniak takes the reader on a journey of encounter looking to the earliest Christians and their understanding of fidelity to the way of Jesus as a model for believers today and as the means by which the essence of faithfulness rooted not in adherence to a performance standard but rather in personal cultivation of the divine character the Jesus way not only can be discovered but also embraced and enjoyed by the one who aspires to align with the very being of God *Israel's Last Prophet* David L. Turner,2015-08-01 Jesus words of indictment and judgment in the Gospel according to Matthew have fueled centuries of Christian anti Judaism But what did those words originally mean within Matthew s narrative David L Turner examines how Matthew has taken up Deuteronomic themes of prophetic rejection and judgment and woven them throughout the Gospel culminating in Matthew 23 32 Matthew was engaged in a heated intramural dispute with other Jewish groups Turner argues The legacy of Christian anti Jewish violence reflects a gross misunderstanding of Matthew by generations who have failed to recognize the author s worldview and allusions Christian view of divorce according to the teachings of the New testament Shaner,2023-07-10 **Jesus and the Servant** Morna D. Hooker,2010-04-01 Morna D Hooker is Professor Emerita of Divinity at Robinson College University of Cambridge England She is coeditor of the Journal of Theological Studies and the author of nine books including *Pauline Pieces and From Adam to Christ* **The Geography of Hell in the Teaching of Jesus** Kim Papaioannou,2013-09-19 The topic of hell has held a strange fascination for believers through the centuries becoming the subject of paintings sermons books articles and much more For many it has been a source of terror for most a wellspring of questions Is there such a thing as hell How long will it last Who will go there Is hell fair In this study Kim Papaioannou tackles the topic at its most foundational level in the words and teaching of Jesus Rather than attempt overarching and all encompassing answers he begins instead with a detailed study of the relevant texts and builds from there upwards The result is a picture that is not only coherent and satisfying but more importantly solidly based on biblical exegesis of the most refined nature Papaioannou concludes by putting hell into a more palatable and biblically sound perspective Though unreservedly scholarly the study is written in such a way that lay readers can understand and enjoy it

Uncover the mysteries within Explore with is enigmatic creation, Discover the Intrigue in **Gospel Of Matthew Moffatt New Testament** . This downloadable ebook, shrouded in suspense, is available in a PDF format (Download in PDF: *). Dive into a world of uncertainty and anticipation.
