Gospel Solution:

The Gospel Solution Tom Weaver, 1999 *Five Views on the Gospel* Michael Horton, Scot McKnight, David A. deSilva, Julie C Ma, Shively T.J Smith, 2025-06-03 Five Views on the Gospel presents five different perspectives on the question What is the gospel Presenting a variety of contemporary and tradition based perspectives each contributor answers key questions about the nature of the gospel Questions contributors address include What is the gospel What is the context for understanding the New Testament teaching about the gospel What are the primary biblical texts that you believe express the gospel and how do you understand them What are people called to do with the gospel and what are the benefits promised by the gospel How can the definition and proclamation of the gospel be contextualized and made relevant today What example of an inadequate gospel and a false gospel can you offer What does it mean to live a life worthy of the gospel The CounterPoints format provides a unique opportunity for each contributor to set forth their own understanding of the gospel to interact with competing perspectives and for the editors to sum up points of agreement and disagreement and a path forward in the debate Positions and Contributors include The Reformation Gospel Michael Horton The King Jesus Gospel Scot McKnight The Wesleyan Gospel David A deSilva The Pentecostal Gospel Julie C Ma A Liberation Theology Gospel Shively T J Smith The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion *Asking the Right Questions* Matthew S. Harmon, 2017-06-20 Simple Questions to Ask Every Time You Open Your Bible We all know that we should read our Bibles yet at times we struggle with knowing exactly how no matter how long we ve followed Jesus In this empowering book Professor Matthew Harmon walks us through two simple sets of questions to ask every time we open our Bibles Understanding the Bible 1 What do we learn about God 2 What do we learn about people 3 What do we learn about relating to God 4 What do we learn about relating to others Applying the Bible 1 What does God want me to understand 2 What does God want me to believe 3 What does God want me to desire 4 What does God want me to do Arming you with practical ways to get to the heart of any passage this book will help position you to experience the joy that results from being transformed by God s Word *Gospels Speak*, The Dorothy A. Lee, 2017 This book takes four fundamental questions of human existence including the existence of evil and suffering the pervasiveness of anxiety and fear the quest for personal meaning and the issue of whether a sense of purpose is to be found in human history and creation Each of these questions is addressed in each chapter to one Gospel to see what it has to offer in the light of the good news revealed in Christ **Themelios, Volume 44, Issue 2** D. A. Carson, 2019-09-09 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it

Stewards of the Gospel Ronald E. Vallet, 2011-07-22 The word stewardship comes across as stale and mildly distasteful to many in the church today as a term limited in its scope to euphemistic conversations about financial giving Yet as Ronald Vallet points out when the apostle Paul refers to stewards of the mysteries of God 1 Cor 4 1 he is talking about something much deeper and richer than fund raising In *Stewards of the Gospel* Vallet recovers a more adequate understanding of Christian stewardship in light of both the New Testament and the realities facing today's church as it deals with challenges to justice to the environment and even to faith itself He then applies his reinvigorated concept of stewardship in practical ways to congregations to their pastors and leaders and to the seminaries and denominational structures that mold and support those leaders Enhancing Vallet's broad gospel oriented vision of stewardship are thoughtful responses from six seasoned theological educators Daniel Aleshire David L Bartlett Bruce C Birch Terry Parsons Eugene F Roop and L E Ted Sivers

Three Views on the Origins of the Synoptic Gospels Robert L. Thomas, Noted evangelical scholars present the best contemporary insights into the three dominant views on the origins of the Synoptic Gospels

The First and the Last George R. Sumner, 2004 As Christians become more engaged with the reality of religious pluralism many find themselves torn between two worthy goals to be faithful to the lordship of Jesus Christ and to be open generously to possible truths found in other religions In *The First and the Last* George Sumner offers a constructive way forward showing how Christian theology can bring these two goals together At stake in the current debate over religious pluralism is the issue not only of evangelism and mission but also of the Christian claim to the uniqueness of Jesus Christ Sumner leads readers through the challenges and possibilities raised by this debate and he outlines a distinctive new method for assessing from a Christian standpoint the claims and practices of neighboring faiths The crux of Sumner's approach is what he calls final primacy a position that 1 sets non Christian religions in relation to the unique mediating role of Jesus Christ and 2 relates the truth claims of other religions to the overall scheme of grace Sumner

goes on to demonstrate the effectiveness of this position in practical terms using final primacy as a frame of reference for a number of twentieth century theologies namely those of Barth Rahner and Pannenberg and as a way of examining both Indian and African theologies against their respective backgrounds of Hinduism and tribal practices Additionally the book serves as an excellent introduction to the history of interfaith thought Sumner both surveys how religious pluralism has been handled in the past and illustrates how the position of final primacy at once redefines and promotes its most pressing issue interreligious dialogue A provocative approach to religious pluralism sure to stir widespread discussion The First and the Last provides valuable reading for anyone interested in theology interfaith dialogue and missions

Gospel Women and the Long Ending of Mark Kara Lyons-Pardue,2020-01-23 Kara Lyons Pardue examines the issue of the ending of the gospel of Mark showing how the later additions to the text function as early receptions of the original gospel tradition providing an ancient fix to the problem of the ending in which the women flee the tomb in terror and silence Lyons Pardue suggests that the long ending functions canonically smoothing out the problem of 16 8 in ways that support the nascent four gospel canon Lyons Pardue argues that the long ending represents an ancient reception of the preceding gospel that continues to the unique portrait of discipleship that is characteristically Markan Mary Magdalene forms the renewed paradigm of an unlikely person or outsider here a woman being the one to go and tell the good news This pattern is then projected onto all disciples who are called to proclaim the news to the entire created order 16 15

The Mission and Death of Jesus in Islam and Christianity A. H. Mathias Zahniser, 2017-09-15 The common wisdom is that Christians and Muslims should dialogue only about what they agree on This book takes a different approach As the author observes If we focus only on our common ground we will miss some of the motivating force of our traditions because that force derives not only from what we hold in common but also from those convictions that keep us apart
