**Spirituality in John's Gospel** Gabriel-Mary Fiore CSJ, 2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John s Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel s spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What

makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel s authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John s spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel s spirituality     Spirituality in John's Gospel Gabriel-Mary Fiore,2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John s Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel s spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel s authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John s spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel s spirituality     **The Spirituality of Following Jesus in John's Gospel** Sean Seongik Kim,2017-10-12 Research on following Jesus has mostly been done in terms of what Jesus followers ought to do In this unprecedented study Kim presents following Jesus in John s Gospel through the perspective of what Jesus does for his followers Following Jesus is a journey towards the place where Jesus leads his followers that is to a relationship with the Father It is ultimately participating in the Son s communion with the Father Jesus who was in the bosom of the Father descended from him and ascends to him taking his followers with him so that they may be with him where he is with the Father in glory and love Kim develops this thesis by examining the term *akolouthein* to follow and correlated motifs in John s Gospel     **The Spiritual Wisdom Of The Gospels For Christian Preachers And Teachers: Feasts, Funerals, And Weddings** John Shea,2010-01-01 Wisdom wit and Sacred Writ are the outstanding interactive hallmarks of this fourth and final volume in The Spiritual Wisdom of the Gospels for Christian Preachers and Teachers series In the same style and format as the first three volumes Shea presents evocative reflections to enhance Scripture based preaching and teaching for liturgical feast days funerals and weddings Christian preachers and teachers and anyone interested in the spiritual life will find Feasts Funerals and Weddings an insightful and relevant resource John Shea STD is a theologian author and storyteller who lectures nationally and internationally on storytelling in world religions faith based healthcare contemporary spirituality and the spirit at work movement     *Four Views on Christian Spirituality* Bruce A. Demarest,2012-05-08 How do Christians cultivate a vibrant and Christ centered spirituality that s rooted

in biblical clarity Spiritual formation the cultivation of a relationship with God lies at the heart of what it means to be a Christian in the body of Christ But with the rise of diverse spiritual practices from Zen meditation to out of body experiences the idea of spirituality has become watered down by postmodern culture Christian spirituality on the other hand embraces devotion to the triune God abiding in Christ the pursuit of holiness and the cultivation of virtues But what exactly falls within the scope Christian spirituality This volume of the Counterpoints series focuses on the Church's search for spiritual identity meaning and significance as interpreted by four of the major Christian traditions Eastern Orthodoxy represented by Bradley Nassif Roman Catholic represented by Scott Hahn Progressive Protestant represented by Joseph Driskill Evangelical represented by Evan Howard The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion **Christian**

**The Spirituality of Paul** Leslie Hardin, 2016 The traditional venues for making sense of the complicated apostle Paul are history and theology Indeed one cannot understand him apart from either However something is still missing from our portrait of Paul Rather than thinking of Paul as a theologian and an apostle Leslie Hardin argues there is great benefit in approaching him as a disciple a Spirit filled man who wanted to pass vibrant spirituality on to those he encountered In The Spirituality of Paul Hardin uncovers the things Paul practiced in his own life and those he taught his followers in order to attempt to live an authentic Spirit filled Christian life Hardin points out that in order to foster the power of the Spirit Paul like each of us had to dedicate himself to everyday routines and practices What were those spiritual disciplines How did they help him And how might they be applied in our modern lives to bring us closer to Christ Whether a general reader or mature believer the reader of this book will find Paul to be a true brother a fellow sinner receiving grace

**Spiritual Studies in St. John's Gospel ...** Arthur Ritchie, 1888 **Symbols and Spirituality** Michael T. Winstanley, Val O'Brien, 2008 Complementarian Spirituality Natalie Brand, 2013-10-09 In this work Dr Brand seeks to contribute a unique complementarian expression of Reformed spirituality in order to stimulate a spiritual renewal in the contemporary Reformed tradition Using a distinctively feminine approach in a theological arena largely monopolized by male theologians the author anchors corporate and personal spirituality upon the unio mystica so returning to a Calvinistic appreciation of the Christian life Grounding Reformed spirituality on the marital union between Christ and the church a corporate portrait of the church is explored Critical of the neglect of women in Reformed church life and practice the author

calls the tradition to reform proposing an intentional complementarian use of women that can practically and spiritually profit the whole church body The book culminates with an initial tracing of a Reformed feminine spirituality which is pastorally relevant to women as well as encouraging a renewed experiential enjoyment of Christ for both men and women

**Theodicy and Spirituality in the Fourth Gospel** Daniel DeForest London, 2020-06-15 Daniel DeForest London argues that the Fourth Gospel offers a potentially transformative response to the question of suffering and the human compulsion to blame Based on his reading of John 9 the man born blind London argues that the Gospel does not offer a theodicy but rather a theodical spirituality an experience of praying the question of suffering and remaining open to a divine response London shows how the Johannine Jesus's response poses three sets of symbols in dichotomy day night vision blindness sheep wolf each subverted by another core symbol light judge shepherd By interpreting these symbols in light of mimetic theory he argues that Jesus's response reveals the scapegoat mechanism in which an innocent victim is blamed by violent victimizers However rather than blaming the victimizers Jesus continues to engage with the characters who appear to be villains the light of the world transforms night and day into one continuous day the Good Shepherd welcomes sheep and wolf into his beloved flock In this way readers are invited to bring to the Johannine Jesus their own violence resentment and wolfish rage regarding the question of suffering and to experience the theodical spirituality of the Fourth Gospel
