Gospels And Jesus:

The Gospels and Jesus Graham Stanton, 2002-03-08 Jesus of Nazareth and the four New Testament gospels continue to fascinate people from many cultural and religious backgrounds Who was Jesus Are Christian claims about him supported by solid historical evidence How reliable are the evangelists portraits of Jesus which were written some fifty years after his crucifixion These questions can be explored only on the basis of a sound grasp of the intentions and methods of the four evangelists Professor Stanton insists that the evangelists are concerned with both the story and the significance of Jesus of Nazareth Part I of this book examines the distinctive emphases of all four evangelists and discusses the apocryphal gospels with special reference to the Gospel of Thomas Part II deals with the ways of assessing the evidence for Jesus and explores his teaching intentions and the reasons for his downfall This book pays particular attention to appropriate methods for careful study of the gospels and the historical Jesus to provide an excellent textbook and a penetrating study for the general reader NEW TO THIS EDITION Every chapter updated to take account of recent scholarly developments Fuller discussion of literary criticism chapter 2 the Gospel of Thomas chapter 7 archaeological evidence chapter 8 and methods for reconstructing the teaching of Jesus chapter 9 Bibliography is extended updated and partly annotated New cross references added to increase usability Map now included Material within some chapters and sub sections has been reorganised to increase accessibility Biblical quotations are now taken from the NRSV text New larger format and text design *Jesus and the Gospels* Craig L. Blomberg, 2009-08-01 Gold Medallion Award winning study of Christ s life as recorded in the Gospels newly updated in 2009 from the original 1997 work **Jesus in the Gospels** Winkley Professor Emeritus of Biblical Theology Leander E Keck, 2005-09 Study Manual content illuminates some aspect of the Jesus in the Gospels each week and connects Scripture to daily life and Jesus call to discipleship The overarching aim is to deepen discipleship through better understanding of the biblical texts and their message The study helps group members understand that Jesus is rooted in Judaism and the Scriptures of Judaism and that Christianity and the New Testament are rooted in the Scriptures of Judaism our Old Testament The Study Manual guides daily study and preparation for the weekly group meeting The main elements in the format are designated by scriptural phrases They have no wine John 2 3 is a brief statement about the human condition and alerts the reader to some aspect of daily life that Scripture can shed light on Beginning with Moses and all the prophets Luke 24 27 is a way of referring to Scripture as a whole and signals the fact that we can understand Jesus in the Gospels better by understanding the Old Testament better Do you want to become his disciples too John 9 27 New International Version is designed to stimulate thoughtful reflection so readers can come to their own conclusions about what their own discipleship calls for Accompanying each day s Scripture reading assignments are suggestions of things to look for that take the reader deeper into Scripture As readers become aware of detail in Scripture they might ask themselves repeatedly What am I to make of this The study manual provides space for writing notes on insights observations and questions related to the

Scripture and for putting into words personal perceptions of Jesus from the week s Scripture Jesus and Gospel Graham Stanton,2004-07-08 Publisher Description The Past of Jesus in the Gospels Eugene E. Lemcio,2005-08-22 The aim of this study is to show that the Evangelists to an extent hitherto unrecognized wrote narratives which set out to distinguish Jesus s time from their own Such an effort Professor Lemcio explains went beyond their merely putting verbs in past tenses and dividing their accounts into pre and post resurrection periods Rather they took care that terminology appropriate to the Easter appearances did not appear beforehand and that vocabulary used prior to Easter fell by the wayside afterwards The author shows that words common to both eras bear a different nuance in each and that the idiom used is seen to suit the time These are not routine or incidental expressions but reveal what Jesus the protagonist and the Evangelists as narrators believed about the Gospel the Christ the messianic task and the nature of salvation This much becomes apparent from a study of the internal evidence and by next turning to data outside the Gospels the author attempts to show how biographical and historical writings of the ancient world may prove useful in separate efforts to reconstruct the course of Jesus s life Lemcio shows how expectations for idiomatic and linguistic verisimilitude in Graeco Roman historical and biographical writing were met and often exceeded by the Evangelists His study thus makes a valuable contribution towards our understanding of the literary art of the Gospel narratives and highlights a literary sensitivity on their writers part which has failed to receive the critical attention it deserves **The Many Gospels of Jesus** Philip Wesley Comfort,Jason Driesbach,2008-03-16 In the wake of The DaVinci Code and the recent discovery of The Gospel of Judas there has been an increased interest in the ancient books commonly known as the Gnostic Gospels This volume compares the Gnostic Gospels with the four gospels in the Bible **Simulating Jesus** George Aichele,2015-01-30 Can the different pictures of Jesus in the New Testament be reconciled Or are they simply simulations the products of a virtual Gospel Simulating Jesus argues that the gospels do not represent four versions of one Jesus story but rather four distinct narrative simulacra each of which is named Jesus The book explores the theory and evidence justifying this claim and discusses its practical and theological consequences The simulations of Jesus in each of the gospels are analysed and placed alongside Jesus simulacra elsewhere in the Bible and contemporary popular culture Simulating Jesus offers a radical understanding of Scripture that will be of interest to students and scholars of biblical studies The Relationship Between The Ministry of JESUS and That of JOHN the BAPTIST Recorded in The Four Gospels Rev. Paul C. Jong, Table of Contents 1 You Must Know and Believe in the Ministry of John the Baptist Mark 1 1 2 2 John the Baptist Was Not a Failure Matthew 11 1 14 3 John the Baptist Who Came in the Way of Righteousness Matthew 17 1 13 4 Look at the Ministry of John the Baptist Luke 1 17 23 5 Let Us Gladly Enjoy the Glory of God John 1 1 14 6 Do You Know the Ministries of Two Servants of God John 1 30 36 7 Why Did Jesus Have to Receive the Baptism John 3 22 36 8 Spread the True Gospel and Jesus Righteous Deed Matthew 3 1 17 9 The Relationship between the Work of John the Baptist and the Gospel of Atonement for Our Sins Matthew 21 32 10 Jesus Who Came to Blot

Out Your Sins Matthew 3 13 17 11 Behold I Send My Messenger Mark 1 1 5 12 Let s Believe in Jesus with the Understanding of John the Baptist Luke 1 1 17 The New Testament begins with the Four Gospels that is the Gospels of Matthew Mark Luke and John All of the Four Gospels dealt with and completely recorded the ministry of John the Baptist It is because his ministry is so important Without the understanding of the ministry of John the Baptist we cannot claim to know the ministry of Jesus Christ If so we can ask ourselves Was the ministry of John the Baptist recorded in the Four Gospels of that much importance Pointing out John the Baptist even Jesus said And if you are willing to receive it he is Elijah who is to come Matthew 11 14 Hence John the Baptist was a man born on this earth to carry out a special ministry Jesus also said And from the days of John the Baptist until now the kingdom of heaven suffers violence and the violent take it by force Matthew 11 12 This is true because John the Baptist was born on this earth and when he baptized Jesus Christ the sins of this world were passed on to Him Thus Jesus was able to take on the sins of this world at once By having allowed this to be so the Lord has allowed those who believe in the ministry of John the Baptist and the ministry of Jesus to enter Heaven by receiving the cleansing of sins This is the meaning inherent in the Scripture passage from the Gospel of Matthew chapter 11 verses 12 14 Do you believe that the gospel of the water and the Spirit is the Truth If you do it means that you know the ministry of John the Baptist and the ministry of Jesus completely However many Christians who do not understand the ministry of John the Baptist do not know the gospel Truth of the water and the Spirit and they lead their life of faith only with the fervors of their flesh Though ignorance such people do not even try to know the ministry of John the Baptist written in the Four Gospels Hence the ministry of John the Baptist has all too long been coming under disregard even among Christians who claim to believe in Jesus Perhaps for this reason I find there isn t that many people who have interest in the ministry of John the Baptist these days Thus people are prone to look strangely at those who have interest on this topic It is because many people have been looking away from the ministry of John the Baptist and the ministry of Jesus reluctantly for all too long The New Life Mission <https://www.bjnewlife.org> Jesus Tried and True H. H. Drake Williams, 2013-01-11 Are the gospels found within the New Testament superior to others Has the church unfairly chosen Matthew Mark Luke and John while leaving out many others Are there truly lost Christianities that would enrich our understanding of Jesus Would modern day seekers as well as followers of Jesus be better served by including gospels outside of the New Testament in their understanding of Jesus Jesus Tried and True answers these questions by examining the date source and reception of the canonical gospels of Matthew Mark Luke and John and then comparing this data with the other gospels It assesses this information by looking within these gospels and also evaluating early church history examining the writings of early church writers such as Papias Ignatius of Antioch Justin Martyr Irenaeus and Eusebius It then compares these findings with the date source and reception of the non canonical gospels that have received the most attention lately such as the Gospel of Thomas Gospel of Mary Gospel of Judas Gospel of Philip and Gospel of Peter There is also a brief survey of thirteen of the most important non canonical gospels The

survey provides an opinion on the dependence of these upon the gospels within the New Testament JJesus Tried and True affirms the superiority of the New Testament gospels It concludes by addressing whether non canonical gospels are lost Christianities and also whether the designation apocryphal is appropriate for other gospels **Four Portraits, One Jesus** Mark L. Strauss,2011-03-01 To Christians worldwide the man Jesus of Nazareth is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential Four Portraits One Jesus is a thorough yet accessible introduction to these documents and their subject the life and person of Jesus Like different artists rendering the same subject using different styles and points of view the Gospels paint four highly distinctive portraits of the same remarkable Jesus With clarity and insight Mark Strauss illuminates these four books first addressing their nature origin methods for study and historical religious and cultural backgrounds He then moves on to closer study of each narrative and its contribution to our understanding of Jesus investigating things such as plot characters and theme Finally he pulls it all together with a detailed examination of what the Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels **The Jesus of the Gospels** Andreas Köstenberger,2020-03-31 A reader friendly guide to the life and teachings of the Jesus of the Gospels The Jesus of the Gospels brings together the best elements of a survey of the Gospels and a commentary on the Gospels to help readers know Jesus and understand the good news Drawing on decades of experience teaching and writing on the Gospels Andreas Köstenberger presents a holistic portrait of Jesus by leading readers through an in depth study of Matthew Mark Luke and John Each chapter explores one gospel account beginning with a short introduction that highlights the gospel s individual distinctives followed by an outline of the book Köstenberger breaks each gospel into short sections explaining the meaning and how it sheds light on Jesus and His mission Numerous sidebars maps and diagrams highlight supplemental information and regular Recap sections summarize key points For those interested in further study footnotes point to useful resources In addition to helping readers follow the storyline and theology of each gospel Köstenberger also emphasizes practical application showing readers how to apply what they re learning to their lives Ideal for those who are new to the study of the Gospels and for instructors looking for an accessible introduction based on solid scholarship The Jesus of the Gospels offers readers and students to the riches of the Gospels and a deeper knowledge of Jesus and the good news Jesus, Paul, and the Gospels James D.G. Dunn,2011-05-03 This compact theological primer from a widely respected scholar offers a well integrated and illuminating approach to a variety of basic issues in the study of the New Testament Provided by publisher **Discovering Jesus?** T. Desmond Alexander,2010-11-03 If asked how Matthew s Gospel differs from Luke s or what aspects of Jesus personhood and ministry the Gospel of Mark focuses on compared to those of John how would you answer In Discovering Jesus T D Alexander sets out to help readers understand how each Gospel account is uniquely written and why

all four are important for having a rich picture of the person of Jesus Christ Alexander guides readers to see how the Gospels display Jesus as the Son of David who establishes the kingdom of God the Son of God who suffers to ransom others the Savior of the world who seeks the lost and the Lamb of God who brings eternal life through a new exodus Each chapter ends with discussion questions for individual or group study *Portraits of Jesus* Michael R. Cosby,1999-11-01 This book provides a learning by doing approach to the study of the Gospels It allows students to uncover literary patterns theological issues and interpretive problems through close readings of primary sources Questions are asked along the way that help readers understand the shape of the narrative and the themes important to each Gospel writer **Jesus and His Biographers** William Henry Furness,1838 **Jesus is the Christ: The Messianic Testimony of the Gospels** Michael F Bird,2012-06-01 Explains the importance of the title and role of Messiah in each of the Gospels and argues that Christianity was a messianic movement rooted in its Jewish context Michael Bird engages the subject of the messianism of the four Gospels While the title and role of Messiah ascribed to Jesus in the Gospels has long been regarded as a late add on a fabricated claim or an insignificant feature Bird argues in contrast that the messianic claims are the most significant for the portrayal of Jesus Jesus in the Gospels Rudolf Schnackenburg,2005-02-18 According to renowned biblical scholar Rudolf Schnackenburg a truly historical portrait of Jesus is unattainable because the primary sources written about Jesus were not historical records as such What is attainable however is a faith interpretation of Jesus life and works gleaned from the writings of those closest to the life of Christ the four Gospels Thus Schnackenburg provides a full faith interpretation of Jesus as each Gospel community portrayed him A surprising number of commonalities about Jesus are revealed and a fully recognizable portrait of Jesus emerges Jesus in the Gospels and Acts Daniel J. Scholz,2009 Engaging scholarly and theologically honest this introductory textbook will be welcomed by students and professors alike What do we really know about Jesus and how do we know it Jesus in the Gospels and Acts Introducing the New Testament explores these questions from the perspective of the New Testament specifically the four Gospels and the Acts of the Apostles as well as the extracanonical gospels Using language and concepts considerate of a religiously diverse undergraduate audience the author explores issues of authorship historicity culture and theology Features include Check Your Reading questions check the students basic comprehension Do You Have the Basics puzzles check for comprehension through crosswords word finds sequencing and matching activities Questions for Reflection challenge the students to think more deeply about the reading s meaning and the implications for us today This book focuses on the central figure of the Christian Scriptures Jesus Arguably no other figure in history has had more influence in shaping many of the religious and cultural norms in the world today Whether you belong to a specific faith tradition or none at all possessing a working knowledge of Jesus and the Gospels is important for religious historical and cultural literacy from the author s introduction **Jesus and the Gospels** Clive Marsh,Steve Moyise,2015-09-24 This book offers an ideal introduction to the Gospels and explains why it is that scholars and

lay people have such different understandings of the person of Jesus The first half of the book looks at the main sources for the life of Jesus principally the Gospels of Matthew Mark Luke and John but also the so called apocryphal Gospels The second half of the book begins with an examination of the criteria employed by scholars to determine the earliest and most reliable forms of the tradition The third edition interacts with developments in modern scholarship particularly the advance of memory studies With study questions at the end of each chapter updated reading lists and a new chapter bringing scholarship up to date the third edition of this classic text will provide a perfect companion for students coming to grips with academic study of Jesus and the Gospels
