Good Bye For Today The Diary Of A Young Girl At Sea:

The New York Times Book Reviews 2000 New York Times Staff, 2001 This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating and sources, character analysis, comic elements and verbal conceits, evidence of authorship, performance analysis and feminist interpretations. Alongside theater reviews, production photographs and critical commentary, the volume also includes essays written by practicing theater artists who have worked on the play. An index by name, literary work and concept rounds out this valuable resource.

Thar She Blows Stephen Currie, 2001-01-01 Describes the whaling industry and its significance in America during the nineteenth century and discusses crew members' working conditions, life for family members left ashore and those on board, and the end of whaling.

The Practical Guide to Classroom Literacy Assessment Diane Barone, Joan M. Taylor, 2007 The authors have taken a complex topic and presented it in a very readable, accessible manner. An ideal candidate for school-based professional development organized on the study group model. Joan Irwin, Education Consultant, Former Director of Publications, IRA. Use assessment to meet the strengths and needs of students and enhance learning. Whether it is standardized test data, student journals or informal classroom question and answer assessments, provide invaluable ongoing diagnostic information for making key instructional decisions. In this engaging and comprehensive resource, Diane Barone and Joan Taylor demonstrate practical ways for embedding test preparation into teaching by integrating assessments and instruction to boost learning. The authors provide testing content and procedures developed for inservice and preservice teachers, administrators and coaches to help all students, including those who have previously failed. With rich classroom examples, dialogues, scenarios, checklists and student work samples, this book illustrates multiple assessment formats with expert how-to and when-to guidelines for literacy, writing, listening and speaking. In language that speaks straight to educators, this handy indispensable guide discusses real cases and conversations that demonstrate actual assessment strategies in classrooms. Specific applications for math and science literacy. Preparation and grading for high stakes testing. Practical help for portfolios. Rubric construction tips. The importance of oral and written literacy. Using *The Practical Guide to Classroom Literacy Assessment*, educators can measure students' abilities to navigate content and apply what they learn and effectively support their academic success on standardized and formative assessments.

Creating Junior Genealogists Karen Frisch Dennen, Karen Frisch, 2003 When family historians discover the value of their heritage, they naturally want to share it with their children and grandchildren. In *Creating Junior Genealogists*, the author offers a mother lode of ideas that will help family historians infuse the next generation with an appreciation of their heritage, including how to use family activities, visits to historical sites and museums, scrapbooks, heirlooms and much more to captivate and create lasting memories for children.
