To help you plan, captions under the color photographs in the front section answer essential questions about the recipe: What are the key ingredients? How long does it take to make? How many servings does it yield? What page is the recipe on? Each photograph shows how you can garnish the finished dish so it looks as well as tastes magnificent. More than 1,500 drawings help to spell out these step-by-step instructions so that crucial steps or techniques will be easily understood. The Good Housekeeping Illustrated Cookbook, 1989.
