Life in Christ, foundations of Catholic morality, Christian prayer. Chapters in each of the four parts lead with a thought provoking story that connects the reader to important teachings which are then communicated through an easy to understand question and answer format. Models of Evangelism Priscilla Pope-Levison, 2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures. This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it's through one on one conversations, social media, social justice, or the liturgy of worship services. At once biblical, theological, historical, and practical, this book by a seasoned scholar offers an engaging, well researched and well organized presentation and analysis of eight models of evangelism. Covering a breadth of approaches from personal evangelism to media evangelism and everything in between, Priscilla Pope-Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention. Each chapter introduces and assesses a model biblically, theologically, historically, and practically, allowing for easy comparison across the board. The book also includes end of chapter study questions to further help readers interact with each model.

Christ in the Gospels of the Liturgical Year Raymond E. Brown, 2012-05-03 2009 Catholic Press Association Award Winner. A decade after the untimely death of renowned Scripture scholar Father Raymond E. Brown SS, he continues to inspire and inform scholars and preachers, students and pastoral ministers, lay and ordained. It was only days after Father Brown's death that his final book was published by Liturgical Press. That book, *Christ in the Gospels of the Ordinary Sundays*, completed his six volume series on preaching the Scriptures, a series that had begun in the mid 1970s with the publication of his popular *An Adult Christ at Christmas*. Those six volumes are collected here in one convenient commemorative edition to mark the tenth anniversary of Brown's death. Brown's work is left largely untouched and readers will find that his wisdom is lasting. Yet Brown, being a scholar's scholar, would recognize the need for some enhancement in a work being republished some thirty years after the first volume appeared. Appropriately then, this edition contains introductory essays by Brown's colleagues and friends, John R. Donahue SJ and Ronald D. Witherup SS, as well as useful indexes and a bibliography of resources for preaching the word of God in the context of the lectionary. As Witherup notes in his preface, Brown had the rare capacity to simplify complex biblical studies in

a manner that did not dumb down the material but allowed it to be understood by a wide audience He did this in a fashion that was both inspiring and educational That very broad audience those who grew up with Brown so to speak as well as a whole new generation of readers and preachers of the word will find this book to be a source of inspiration and knowledge that they will turn to again and again Raymond E Brown S S 1928 1998 was the Auburn Distinguished Professor of Biblical Studies at Union Theological Seminary in New York City He was author of some forty books on the Bible and past president of three of the most important biblical societies in the world By appointment of two popes Pal VI in 1972 John Paul II in 1996 Brown was a member of the Roman Pontifical Biblical Commission Time magazine called him probably the premier Catholic Scripture scholar of the U S
