

A long-exposure photograph of a night sky filled with star trails, creating a sense of motion. The trails are curved, following the path of the stars. Below the sky, a snowy landscape is visible with a few dark trees and a person standing in the foreground, their silhouette illuminated by a light source. The overall scene is serene and majestic.

Acts Carl R. Holladay,2016-08-01 Highly respected scholar Carl R. Holladay offers an in depth critical commentary on the book of Acts in this new work from the acclaimed New Testament Library series Holladay offers a theological contextual and literary interpretation paying attention to Acts as a rich narrative that accounts for the development of the early Christian

church He sees Luke's literary style as an expression of its theological purpose Holladay writes Convinced that Jesus life and death and the emergence of the early Christian movement occurred under divine guidance and continued the biblical story by fulfilling God's ancient promises Luke decided to incorporate them into a grandly conceived narrative told in a dignified yet dramatic style Acts reflects the close relationship between medium and message yet it also illustrates how the medium is the message Holladay's commentary is theologically rich and steeped in narrative analysis that understands the high level of literary style as an expression of the theological content and the telling of the Christian origin The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament providing fresh translations based on the best available ancient manuscripts critical portrayals of the historical world in which the books were created careful attention to their literary design and a theologically perceptive exposition of the biblical text The contributors are scholars of international standing The editorial board consists of C Clifton Black Princeton Theological Seminary M Eugene Boring Brite Divinity School and John T Carroll Union Presbyterian Seminary

**Besorah** Mark S. Kinzer, Russell L. Resnik, 2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke's besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century

**Word, Care, and Worship** Peter Nyende, 2025-04-14 In this second volume by Dr Peter Nyende he outlines a biblical theology of pastoral ministry that highlights its vital importance and provides a comprehensive understanding of its fundamental goals and activities This understanding is rooted in Jesus's designation as the chief shepherd which is the fulfilment of the pastoral responsibilities of the priests and prophets in the Old Testament and the catalyst of the ministry of the apostles and their non apostolic counterparts in the New Testament Nyende identifies the three components of pastoral ministry in the Bible as preaching and teaching the word caring for those in difficulty and facilitating worship thus providing readers with an exemplary framework for a truly biblical model of pastoral ministry This book is for pastors and theological students who seek to deepen their understanding of pastoral ministry by going beyond the mechanics of their everyday tasks and discovering the true goal and meaning that fuels their ministry

**The Gospel, Freedom, and the Sacraments** Barry

Charles Newman,2016-01-07 To be baptized particularly as an adult indicating a radical change from the self directed life to the life to be lived under the lordship of Jesus Christ must be one of the most dramatic experiences available to us To take part in the Lord s Supper remembering his death for us must be one of the most moving services in which we could ever participate But are these ceremonies obligatory for the believer Did Jesus explicitly or implicitly make them mandatory Does it not seem somewhat strange that the gospel by which we are freed from the Law of Moses demands that we abide by two new ceremonial laws However greatly they differed from one another did the reformers go far enough in examining the Scriptures to see what they did indeed say about such ceremonies Have we written back into our understanding of Scripture that so much underlies our present beliefs and practices Does an examination of what the early fathers thought help or hinder us in our search for the truth *The Path to Salvation in Luke's Gospel* MiJa Wi,2019-05-23 This book investigates

Luke s message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke s Gospel built on careful examination of its socio economic context it demonstrates that Luke s message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke s question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke s notion of salvation of the rich which will happen as participation in the salvation of the poor Wi s conclusion challenges its readers by asking the question along with Luke s audience What must we do **A Greek and English lexicon to the New Testament.
