The Prostitute in the Family Tree Doug Adams,1997-01-01 The Bible is funny Very funny according to Douglas Adams In this book Adams demonstrates how readers can discover this often neglected humor looking at the Bible as a whole and seeing biblical stories with all their rough edges the unethical and ambiguous characters the unsolved problems and the surprising endings Adams argues that by missing the humor and irony of the Bible readers often miss intended meanings as well

Cast Your Bread Warren Ravenscroft,2016-08-22 As this is the fourth book in the series Cast Your Bread the author has once again under the guidance of the Holy Spirit brought significant detail to the devotions and Bible studies shared in this edition Again it is easy to read the material with a depth of insight for those who choose to mine the depths of Gods Word While the devotional talks take you on some wide and varied subjects all relevant Bible references have been given to make these articles easy to follow and to be able to readily find and follow through the messages given and shared As you delve more into the Word of God seeking understanding the astute student will be rewarded with much insight about truth and as we know it is only the truth that sets us free The Bible studies are exactly that with in depth teaching that will probably require more than one sitting to fully comprehend the extensive work contained within these pages Where possible the author has blended several accounts of the gospels so the full and true picture can be gained The last section has been gleaned from the authors experience with the preparation of interesting Bible talks and messages to congregations who come under the ministry of the person who shares the truth of the Bible As you read and study all the pages contained within these covers may you be enriched beyond measure as you uncover the spiritual gems hidden in the mine of Gods Holy Word

M. Russ,2016-06-30 I guess it was around two years ago that I found some poetry that was lost a gold mine of words original unseen poetry inside a yellow stained old diary that dates between 1860 and 1880 I started reading the diary and found myself getting excited with each and every word I was walking with them seeing what they saw and feeling what they felt I decided that since I am an avid lover of poetry and because of the way I felt after reading the diary I had to share the lost past with everyone So here we are two and a half years later Lost and Found Poetry This book has eighty lost poems that you have now found I want you to feel how they felt see what they saw hear what they said live where they lived So as soon as you open the book to the first page be ready You might cry you might laugh you will be sad and you will be happy very religiousbut together well share what we have found Lost and Found Poetry The words are kept in their original format from the diary and misspellings are the same as in the original I did not want to take anything away from the words or feeling they wanted us to hear by making corrections What you will be reading is the original diarys format *Television Series and Specials Scripts, 1946-1992* ,2009-10-21 In
