**Good Ideas from Questionable Christians and Outright Pagans** Steve Wilkens, 2025-11-04 What indeed has Athens to do with Jerusalem What concord is there between the Academy and the church Tertullian 3rd century Such skepticism about the place of philosophy in the life of Christians persists down through the ages As a student author Steve Wilkens had deep reservations about studying the works of pagans or even questionable Christians Now a teacher at a Christian university Wilkens has developed a deep appreciation for teaching and studying philosophy In fact he believes that the life of faith can be enriched by good philosophical reflection In this book Wilkens helps you begin the same journey Using generous quotations from the original sources Wilkens provides an introduction to the study of philosophy by exploring a single key issue from each of the following philosophers Socrates Plato Aristotle Augustine Aquinas Descartes Kierkegaard Marx Nietzsche and Sartre The questions considered include Why ask why Is a just society possible Is God responsible for evil Can you be certain of anything Is morality all about power Do you really want to be free Wilkens encourages you not to be a mere spectator but to actively and critically engage the questions and ideas these philosophers raise Here is a book for beginning students thoughtful Christians or anyone who wants to explore life's deepest questions Kierkegaard Mark A.

Tietjen, 2016-03-02 Søren Kierkegaard 1813-1855 had a mission reintroduce the Christian faith to Christians Mark Tietjen thinks that Kierkegaard's critique of his contemporaries strikes close to home today Through an examination of core Christian doctrines he helps us hear Kierkegaard's missionary message to a church that often fails to follow Christ with purity of heart **Knowledge Unto Relationship** Jeffrey L. Romine, PhD, 2016-05-24 We live in a day of advanced

technology but what lies behind it is applied knowledge Knowledge is a sweeping term serving as a common denominator undergirding science philosophy theology and the list goes on It speaks to the condition of learnedness as opposed to merely opinion or its absence ignorance Christianity is knowledge based too Like pursuing a philosophic line of reasoning this book engages the biblical trajectory that follows from the Tree of Knowledge Drawing upon the great thinkers topics such as the great debate over faith and reason postmodernism law in the confines of covenant justice in the context of dominion and the role of the Holy Spirit are addressed distilling out key components related to knowledge showing how the path forward leads into covenant relationship *Christian Worldview and the Academic Disciplines* Deane E. D. Downey, Stanley E.

Porter, 2009-04-15 This book an edited compilation of twenty nine essays focuses on the differences that a Christian worldview makes for the disciplines or subject areas normally taught in liberal arts colleges and universities Three initial chapters of introductory material are followed by twenty six essays each dealing with the essential elements or issues in the academic discipline involved These individual essays on each discipline are a unique element of this book These essays also treat some of the specific differences in perspective or procedure that a biblically informed Christian perspective brings to each discipline *Christian Worldview and the Academic Disciplines* is intended principally as an introductory textbook in

Christian worldview courses for Christian college or university students This volume will also be of interest to Christian students in secular post secondary institutions who may be encountering challenges to their faith both implicit and explicit from peers or professors who assume that holding a strong Christian faith and pursuing a rigorous college or university education are essentially incompatible This book should also be helpful for college and university professors who embrace the Christian faith but whose post secondary academic background because of its secular orientation has left them inadequately prepared to intelligently apply the implications of their faith to their particular academic specialty Such specialists be they professors or upper level graduate students will find the extensive bibliographies of recent scholarship at the end of the individual chapters particularly helpful Downey and Porter present a unique contribution to the perennial question of how faith interacts with the academic disciplines Numerous factors contribute to this book's significance the common conviction that one's Christian beliefs ought to shape the contents of one's teaching the variety of perspectives and opinions and the wide range of academic disciplines under discussion The essays originating among the excellent faculty of Trinity Western University will deservedly be much used in undergraduate colleges and universities Hans Borsma J I Packer Professor of Theology Regent College Few faculty Christian or otherwise understand what their colleagues in other departments are doing or why This collection of essays is not only an excellent introduction to the whole scope of academic enterprises but to the unique and important relationship between each discipline and the Christian faith An important book not only for the entire range of faculty but for students yearning to understand both their Christian faith and what is being taught in the classroom James W Sirf author of the Universe Next Door and with co author Carl Peraino Deepest Differences A Christian Atheist Dialogue Christian Worldview and the Academic Disciplines is a book long overdue It will serve as an outstanding textbook for interdisciplinary courses But this book is more than that Christian Worldview and the Academic Disciplines is a book that everyone concerned with Christian thought especially in the context of the Academy will want to read I highly recommend it Craig A Evans Payment Distinguished Professor of New Testament Acadia Divinity College Nova Scotia [Christian Ethics](#) Steve Wilkens, 2017-06-27 Steve Wilkens edits a conversation between four major approaches to contemporary ethics in the Christian tradition virtue divine command natural law and prophetic This accessible introduction includes contributions by Brad Kallenberg John Hare Claire Peterson and Peter Heltzel **The God You Thought You Knew** Alex McFarland, 2015-09-29 Popular Apologist Corrects the Record on What Christianity Is All About The Christianity our culture rejects may not be true Christianity at all So many people today believe they have to be good to be accepted by God or that the Bible is just a list of do's and don'ts or that God is far away and unapproachable Instead of providing proofs about God and the Bible in this book Alex provides a reason to want to know Jesus By sharing his own story of the loneliness and alienation of his youth Alex taps in to universal fears of rejection and loneliness We all seek acceptance and purpose and there's only one solution Learn how to be anchored in the Truth and security that comes through Christ *10 Answers for*

*Atheists* Alex McFarland, 2012-09-28 With notable nonbelievers such as Richard Dawkins Sam Harris and Christopher Hitchens featured prominently in the media it is no surprise that many Christians wonder how best to answer the growing number of atheist arguments they encounter every day 10 Answers for Atheists is a one of a kind resource from respected Christian apologist Alex McFarland that looks closely at the philosophical assumptions at the root of atheism and agnosticism and exposes the logical historical and conceptual fallacies that perpetuate unbelief Readers will find easy to understand charts and clear explanations of key beliefs as well as trustworthy biblical answers to the honest questions posed by atheists and agnostics Every reader no matter where he or she falls on the spectrum of belief will hear a call to thoughtful engagement with the historic Christian faith **Christian Scholar's Review** ,2004 *Forthcoming Books* Rose Army, 2004

Library Journal ,2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **American Book Publishing Record** ,2004 Pagans & Christians Gus DiZerega, 2001 Although Christianity is still a major religious force there are growing numbers of people in other faiths including the various Pagan traditions Some Christians have responded to this trend with fear and derision while some Pagans have reacted to that fear with anger and mistrust Much of the problem is due to misunderstandings and lack of communication This can change with Gus diZerega s *Pagans Christians* Here you will find a penetrating and illuminating comparison showing that neither path has the single correct approach to the Divine Rather either or both can be authentic and legitimate expressions of the appreciation of the Ultimate Source of All Pagans Christians is an ideal way to help bridge what at time seems a wide chasm between Christian and Pagan beliefs By sharing core ideas of both paths this book provides a way to give deeper mutual understanding and unity among the religions of the world Although Pagans Christians accepts both paths as valid the book provides a more in depth explanation of Paganism the minority religion because in some ways Paganism demands a greater defense and explanation of its beliefs and ideas to dispel misunderstandings The author is a Third Degree Gardenerian Elder and in *Pagans Christians* has presented nothing less than a brilliant defense of Paganism clearly showing how it should stand beside all of the major religions of the world as an equal As part of this defense diZerega gives a listing of biblical contradictions and Christian philosophical difficulties which can help any Pagan responding to a negative attack and will help any Christian to view his or her religion as a way not the way Winner of the 2001 Coalition of Visionary Resources COVR Award for Best Non fiction Book **Pagans and Christians** Robin Lane Fox, 1983 **Paganism and Christianity** James Anson Farrer, 1892 *The Christian Truths of the Pagan Gods* John Gee, 2011-10-13 *Christian Truths of the Pagan Gods* takes an unflinching and honest look at what it means to be a God and also asks could the ancient gods actually exist within the scope of Christian Theology It also challenges Christians in their dealings with all believers and provides some good reasonings why they Christianity is a excellent option and worldview The text also challenges Christians to examine thier interactions with non believers as they
