Good Times With Baby:

The Good Times Russell Baker, 2014-08-05 A superb and often hilarious memoir of a life in journalism from the Pulitzer Prize winning author of *Growing Up* The New York Times Book Review Baker here recalls his years at the Baltimore Sun where on starvation wages he worked on the police beat as a rewrite man feature writer and White House correspondent Sent to London in 1953 to report on the coronation he spent the happiest year of his life there as an innocent abroad Moving to the New York Times and becoming a two fisted drinker he covered the Senate and the national political campaigns of 1956 and 1960 and just as he was becoming bored with routine reporting and the obligation to keep judgments out of his stories was offered the opportunity to write his own op ed page column The Observer With its lively stories about journalists Washington politicians and topical scandals the book will delight Baker s devotees and significantly expand their already vast number Publishers Weekly Aspiring writers will chuckle over Baker s first horrible day on police beat his panicked interview with Evelyn Waugh and his arrival at Queen Elizabeth s coronation in top hat tails and brown bag lunch Library Journal A wonderful book Kirkus Reviews When Bad Times Were Good Times , *A Good Time* Shannyn Schroeder, 2013-07-04 A passionate free spirit and a sweet talking playboy sound like a match made in heaven until life gets in the way of all the fun and games Indy Adams values her freedom above all else She works hard to support herself moonlighting as a waitress while she fights for her first big sale in the Chicago real estate market The last thing she needs is to be tied down so she doesn t think twice about declining her philandering boyfriend s marriage proposal Besides she just landed a new client a wealthy lothario exactly the kind of guy who would understand her no strings approach Handsome rich and charitable most women jump at the chance to even talk to video game developer Griffin Walker let alone date him So he can t understand why Indy wants nothing more than a few steamy nights together Despite his romantic track record Griffin longs for real love complete with a home and family and he wants it with Indy But a blessing in disguise may lead them both to a life they never expected and give Griffin a chance to show Indy that it s okay to want more than a good time 99 258 Words Let the Good Times Roll John Chilton, 1997 The first biography of the father of rhythm and blues *GOOD TIMES IN THE HOSPITAL* JAMES G. McCULLY, MD, 2012-10 Good Times in the Hospital is a collection of unlikely stories poignant vignettes and humorous anecdotes gathered from a lifetime of experience with real doctors and patients As the setting moves from Duke University Medical School to The Mayo Clinic to an inner city charity hospital to a military hospital to private hospitals in metropolitan centers and rural towns this inside look at hospital life allows the reader to gradually gain a new perspective on medical men and women They are not much different from the rest of us After forty years of medical education and hospital practice the author concludes that Doctors are no worse than other people As for the patients in these stories although hospitals are engaged in the most serious business imaginable you cannot find more laugh out loud behavior anywhere This is because when people are seeking medical care they are vulnerable and reveal their true inner selves And it turns out that the true

inner selves of most people are often some combination of fascinating inexplicable and ridiculous To paraphrase a quote by Mel Brooks So long as this old world keeps spinning around and around every person riding on it will occasionally get dizzy and do something stupid Good Times in the Hospital reminds us that it is unhealthy to take life too seriously and a lighthearted temperament is just as important as a sound diet This point of view makes it possible for one book to combine a rare glimpse inside the hospital an informative look at health care and an entertaining collection of anecdotes There are chapters about juvenile practical jokes among medical students mistakes by doctors in training serious life lessons learned at the bedside hospital affairs that end badly doctors threatening other doctors with handguns a girl who tries to stop her grandma's pacemaker with an MR scanner an identical twin who has the surgery intended for her sister an old man patiently waiting his turn in a charity hospital emergency room while holding his intestines in his hand boyhood memories of a doctor who accompanied his father making house calls a doctor who missed his chance to win a Nobel Prize by not listening to his patient an intriguing case of domestic abuse fascinating hypochondriacs insights into why intelligent people spend their last dollar on irrational treatments amazing examples of cures by mind over matter the importance of our attitude on our wellness and even reflections on the question of medical miracles Is it appropriate to laugh at the behavior of doctors attending their patients and entertain ourselves with yarns of patients in their sickbed Good Times in the Hospital promotes the viewpoint that the best way to deal with our inevitable foibles is to laugh about them The author says If you believe that some things are sacrosanct and immune from humor you are reading the wrong book In an epilogue following this rich tapestry of medical tales the author offers some final thoughts on how to sort through medical advice a discussion of alternative medicine the real effect of malpractice lawsuits on doctors and the responsibility of patients for their own health This epilogue is a rare opportunity to hear from an experienced retired physician on such matters Such frank opinions are virtually never discussed by doctors in practice who must be circumspect in what they say for fear of alienating their patients losing their insurance coverage or becoming the target of a law firm Mostly though Good Times in the Hospital is an insightful panoply of true life stories that illustrate the best and worst of human nature a chance for the reader to have some fun and learn a little along the way

Reading with Babies, Toddlers and Twos Susan Straub, KJ Dell'Antonia, 2013-05-07 It's never too early or too late to start sharing books with your baby Reading is one of the first activities you can enjoy with your child and Reading with Babies Toddlers and Twos gets you started Instill a love for reading early by answering questions such as Which books will a newborn baby enjoy What do you buy after you've read Goodnight Moon Are eBooks and apps appropriate for young children Can I make up a story to tell my child What are the best collections of fairy tales fables and other classic stories A parenting resource to help with early learning and literacy Straub Dell'Antonia and Payne use their decades of experience as parents book reviewers and children's librarians to bring you the very best in children's books so you'll never run out of ideas for reading with your baby An accessible and enjoyable guide this book is a go-to resource Traci
