## Gop Doa:

*Losing to Win* Jeremy Gelman, 2020-07-20 Most everyone voters political scientists even lawmakers think Congress is dysfunctional Instead of solving problems Democrats and Republicans spend their time playing politics These days Capitol Hill seems more a place to bicker not to pass laws The reality is more complicated Yes sometimes Congress is broken But sometimes it is productive What explains this variation Why do Democrats and Republicans choose to legislate or score political points And why do some issues become so politicized they devolve into partisan warfare while others remain safe for compromise *Losing to Win* answers these questions through a novel theory of agenda setting Unlike other research that studies bills that become law Jeremy Gelman begins from the opposite perspective He studies why majority parties knowingly take up dead on arrival DOA bills the ideas everyone knows are going to lose In doing so he argues that congressional parties decisions to play politics instead of compromising and the topics on which they choose to bicker are strategic and predictable Gelman finds that legislative dysfunction arises from a mutually beneficial relationship between a majority party in Congress which is trying to win unified government and its allied interest groups which are trying to enact their policies He also challenges the conventional wisdom that DOA legislation is political theater By tracking bills over time Gelman shows that some former dead on arrival ideas eventually become law In this way ideas viewed as too extreme or partisan today can produce long lasting future policy changes Through his analysis Gelman provides an original explanation for why both parties pursue the partisan bickering that voters find so frustrating He moves beyond conventional arguments that our discordant politics are merely the result of political polarization Instead he closely examines the specific circumstances that give rise to legislative dysfunction The result is a fresh straightforward perspective on the question we have all asked at some point Why can't Democrats and Republicans stop fighting and just get something done

*Mr. Trump's Wild Ride* Major Garrett, 2018-09-18 Major Garrett has been reporting on the White House for nearly two decades covering four different presidencies for three news outlets But if he thought that his distinguished journalistic career had prepared him for the unique challenges of covering Donald Trump he was in for a surprise Like many others in Washington Garrett found himself having to unlearn many of his own settled notions about the nature and function of the presidency He also had to separate the carnival like noise of the Trump presidency from its underlying substance For even in its first half Trump's tenure has been highly consequential In *Mr Trump's Wild Ride* Major Garrett provides what journalists are often said to do but usually don't a true first draft of history His goal was to sift through the mountains of distracting tweets and shrieking headlines in order to focus on the most significant moments of Trump's young presidency the ones that Garrett believes will have a lasting impact The result is an authoritative mature and consistently entertaining account of one of the strangest eras in American political history A consummate professional with unimpeachable integrity remarkable storytelling skills and a deep knowledge of his subject earned through decades of experience Garrett brings to life the twists and turns of covering this White House and its unconventional occupant with wit sagacity and style *Mr Trump's Wild Ride* should place him securely in the first rank of Washington journalists **Jahresbericht des Instituts für rumänische**
