Judd E. Hollander

Gordons Dream Learn About Size Activ:

Extraordinary Dreams and How to Work with Them Stanley Krippner, Fariba Bogzaran, Andre Percia de Carvalho, 2012-02-01 From visions of a past life to glimpses of the future history is full of accounts of unusual dreams This fascinating book explores historical scientific and cross cultural research on these sorts of extraordinary dreams and offers practical suggestions on how to work with them either individually or as a member of a dream group to enhance one s intellectual emotional and spiritual health Each chapter is devoted to a particular type of dream and presents a summary of research data on their nature Specific categories of dreams discussed include creative lucid out of body pregnancy healing collective telepathic clairvoyant precognitive past life initiation and spiritual visitation dreams as well as dreams within dreams Entertaining and instructive this book points the way to an expanded conception of human potential for the twenty first century

The Creativity of Social Dreaming W. Gordon Lawrence, 2018-03-21 This broad range of papers covers different aspects of social dreaming The book begins with a summary of the Social Dreaming Matrix conceptualised as a temporary system with its intakes transformation processes and outputs The remaining chapters cover social dreaming in different contexts including amongst others from the perspectives of art architecture theatre working with immigrants with pilots and lawyers and family mediators and hospitals All the papers cover areas outside of the goal orientated activities of the institution and examine what they may be saying about the organization of the participants

Experiences in Social Dreaming W. Gordon Lawrence, 2018-07-03 Social Dreaming is the name given to a method of working with dreams that are shared and associated within a gathering of people coming together for this purpose In the first chapter he outlines some ideas on this phenomenon Here follows a wide ranging collection of essays on the experiences of various practitioners either personal or what they have found when taking this phenomenon into the wider social arena such as the church schools consultancy and working with children

Go in Deeper Christopher Gordon, 2020-08-12 If you need a break from the toxic and negative information and energy that greets you at the crack of dawn each day this book is a great escape Whether you re down on your luck and need a jump start or you re considering your next conquest and need a little more assurance this book is for you One quote each day may just be the pick me up you need to activate your power

South Africa's Dreams Robert J. Gordon, 2021-02-05 In the early sixties South Africa s colonial policies in Namibia served as a testing ground for many key features of its repressive Grand Apartheid infrastructure including strategies for countering anti apartheid resistance Exposing the role that anthropologists played this book analyses how the knowledge used to justify and implement apartheid was created Understanding these practices and the ways in which South Africa s experiences in Namibia influenced later policy at home is also critically evaluated as is the matter of adjudicating the many South African anthropologists who supported the regime

Schizophrenia Bulletin , 2008 *Make Room for Dreams* Haim Gordon, 1989-06 *Make Room for Dreams* examines Zionism from both a philosophical and practical point of view This in

depth study reviews and evaluates the notion that Zionism has become a way of enlisting political or economic support for Israel and is no longer seen as a movement that should seek ways to realize humane or spiritual goals The discussion focuses on the concept of Zionism as the return of the Jewish people to the land of Israel a return that must be accompanied by a changing of certain basic attitudes concerning the Jews mode of being in the world The manner of blending existentialism with political thought is seen in relation to the Biblical experience and it is shown that Zionist challenges must draw their sustenance from the ability to read the Bible with existential and political awareness It presents five specific challenges for Zionism in Israel citing concrete examples from life in Israel and some examples from the history of Zionism The current situation is also described and precise determinations for responding to the challenges are woven into each chapter Also included is a thought provoking summary of the manner in which a more authentic Jewish existence can be lived in Israel This scholarly work is the first to deal with the complex issues behind the Zionist movement in present day Israel and will provide a valuable resource for philosophers political scientists and students in Jewish studies

Teaching Design for Mainstreaming the Handicapped Uriel Cohen,1981

All the Year Round ,1887

Corporate Governance in the Common-Law World Christopher M. Bruner,2013-03-29 This book presents a new comparative theory to explain the divergence between governance systems of Australia Canada the United Kingdom and the United States and explores the theory s ramifications for law and public policy Bruner argues that regulatory structures affecting other stakeholders interests notably differing degrees of social welfare protection for employees have decisively impacted the degree of political opposition to shareholder centric policies across the common law world
