The Gorilla Hunters R. M. Ballantyne, 2022-04-06 Published three years after the hugely popular *The Coral Island* *The Gorilla Hunters* is the sequel to the original tale by author R M Ballantyne We are reunited with the young adventurers Ralph Peterkin and Jack six years on from their original adventure in the South Seas The boys decide to visit Africa to seek out the elusive gorilla Whilst there they take part in the now shocking sport of shooting and killing several animals to take home as trophies for museums and schools The trio also interact with locals though not always successfully Very much of its time *The Gorilla Hunters* is nevertheless an exciting adventure novel R M Ballantyne 1825 1894 was a Scottish artist and prolific author of mostly children s fiction Born in Edinburgh Ballantyne was the ninth of ten children At the age of 16 Ballantyne moved to Canada where he worked for the Hudson s Bay Company travelling all over the country to trade for fur He returned to Scotland in 1847 following the death of his father and it was then that he began his literary career in earnest writing over 100 children s adventure books over the course of his life Stories such as *The Coral Island* and *The Young Fur Traders* were hugely popular and many of them drew on his own experiences of travelling throughout Canada A stickler for detail Ballantyne continued to travel widely to research the backgrounds and settings for his exciting stories His tales became an inspiration for authors of the future including *Treasure Island* novelist Robert Louis Stevenson Ballantyne spent the latter period of his life living in London and Italy for the sake of his health He died in Rome in 1894 at the age of 68 **The**

Ballantyne, 2015-07-09 Excerpt from *The Gorilla Hunters* A Tale of the Wilds of Africa It was five o clock in the afternoon There can be no doubt whatever as to that Old Agnes may say what she pleases she has a habit of doing so but I know for certain because I looked at my watch not ten

minutes before it happened that it was exactly five o'clock in the afternoon when I received a most singular and every way remarkable visit a visit which has left an indelible impression on my memory as well it might for independent of its singularity and unexpectedness one of its results was the series of strange adventures which are faithfully detailed in this volume It happened thus I was seated in an arm chair in my private study in a small town on the west coast of England It was a splendid afternoon and it was exactly five o'clock Mark that Not that there is anything singular about the mere fact neither is it in any way mixed up with the thread of this tale but old Agnes is very obstinate singularly positive and I have a special desire that she should see it in print that I have not given in on that point Yes it was five precisely and a beautiful evening I was ruminating as I frequently do on the pleasant memories of bygone days especially the happy days that I spent long ago among the coral islands of the Pacific when a tap at the door aroused me About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
