Ruvolo,Carol Ruvolo,2001 Simon Peter loved Jesus Christ with all of his heart soul mind and strength but he loved Him imperfectly because he was human Although Peter was wholly committed to Christ he did many things wrong There must have been days when he wondered if he d ever make it I m a lot like that and you probably are too That s why we identify with Peter so well and have so much to learn from his example This study focuses on Peter s relationship with the Lord Jesus Christ Each chapter deals with a critical episode in their relationship from which we can draw some valuable life lessons The study questions at the end of each lesson will encourage us to apply what we learn from Peter s example in our daily lives

Legacy from Christ Robert Davis Smart,2017-03-29 How shall we disciple those past sixty years old This book is for those in their final season of spiritual formation Dr Bob Smart gives Gods perspective on the treasury Christ has given Christians in their final lap In this book the reader will discover how to give their message in the form of benedictions final wills and testaments The Christian will learn how to come to the river of death and how to cross over it in a way that says to die is gain There are many touching stories to encourage the Christian to finish well      *American Book Publishing Record* ,2002

*John's Gospel* Hermann Beckh,2021-11-10 That there is a living stream of Johannine Christianity can no longer be doubted There is now an abundant literature from Rosicrucian and esoteric traditions from the deepest prayer and meditation that addresses the exalted nature of John the Evangelist as expressed through his Gospel Letters and the Book of Revelation Yet it fell to Hermann Beckh to elucidate clearly how the individual known as John became the source of such undying love and wisdom in Christ According to Rudolf Steiner John was the ailing Lazarus called from death to a new life as the disciple Jesus loved Beckh demonstrates how John s invaluable writings were based on personal spiritual knowledge and experience expressing the divine work of the Cosmic Christ on human nature and on the Earth leading far into the future Whilst Beckh s authorship originated within the context of the emerging Christian Community founded in 1922 his profoundly original books could not be confined to its framework Not only could Beckh tackle original texts in Tibetan Sanskrit and Avestan but through his independent vision he was able to establish new links with philosophical Alchemy Jakob B hme Goethe Nietzsche and Novalis He thereby stands with these figures as a co worker in a greater community Having prepared the way with his Mark s Gospel of 1928 John s Gospel could be described as the capstone of Beckh s writings as a triumphant announcement that theology and the study of John s Gospel have finally come of age Appearing here in a freshly revised translation by Alan Stott the current volume is enhanced by a series of valuable addenda that shed further light on Beckh s significant achievements      *The Lamb Christology of the Apocalypse of John* Loren L. Johns,2014-11-10 Revision of the author s thesis Ph D Princeton Theological Seminary 1998      The Gospel of John James Montgomery Boice,1999

Focusing on Jesus coming to earth this commentary helps readers move beyond a cursory look at John's Gospel into a deeper more accurate understanding      *Evidence for the Resurrection* Josh McDowell, Sean McDowell, 2010-12-09 When Jesus died on the cross it seemed that all had been lost Death had won But after three days in a rich man's tomb Jesus appeared alive The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands Then Jesus made an amazing claim In the future they too would have resurrected bodies like his bodies that would never deteriorate age or perish They would have new life without death or pain in the presence of a loving God forever But can we really believe His promise For that matter can we really believe that the promise was made by a man who rose from the dead In this fascinating look at the claims of the Gospel writers and 2 000 years of believing Christians bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave In clear concise and accessible chapters Josh and Sean present the facts about the resurrection and what it means for readers today      *The Gospel According to John* D. A. Carson, 1991 With this acclaimed volume in the Pillar New Testament Commentary series Carson explains the text of John's Gospel to help you minister the Word of God to others either by preaching or by leading Bible studies The commentary will also deepen your understanding of the Gospel in your own life and worship Throughout his commentary Carson does the following makes clear the flow of the text focusing on the movement of thought rather than on word studies and Greek syntax engages a small but representative part of the massive secondary literature on John providing a kind of map of contemporary studies on this Gospel draws a few lines toward establishing how John's Gospel contributes to biblical and systematic theology offers a consistent exposition of John as an evangelistic Gospel Preceded by a comprehensive introduction treating such matters as the authenticity authorship purpose and structure of the Gospel this commentary on John exhibits the solid evangelical Scripture exposition for which Carson is well known and respected      **Joyce in the Belly of the Big Truck; Workbook** Joyce A.
