Lebanon,2018-03-08 God is everywhere He has chosen to reveal Himself in our modern age when humanity's faith in His love seems to be disappearing from the world He sent His archangel Gabriel the protector of children and the keeper of knowledge to remind us the God is with all of us within each of us and evidence for his existence is all around us The Way of Gabriel is his revelation through me a sinner servant and mere mortal as a conduit who heard His calling and I could not ignore He calls to each of us to close our mouths so we may finally hear All who have ears to hear should hear The Way of Gabriel is a spiritual journey that takes the reader who can be from across different faiths and experiences from a place of darkness uncertainty and the perception of being lost to a place as a New Child of God In today's global torment of ever increasing chaos as well as the growing trend away from God's Word The Way of Gabriel is a revelation to all mankind to remind us that we are all God's Children and that God is within all of us for we are not simply animals living for the moment who have lost all faith in something bigger than ourselves This is for those who have lost their way who long for spiritual and philosophical enlightenment as God as their center who yearn to recapture their faith in the Lord God that He and His Word guide our path in a world steeped in noise and tumult The Way is for those who seek the Quiet of the Lord in the Light Mind and want to protect themselves from all that distracts them from hearing the Word within ourselves Many paths lead to the Way but the Way is the path to the Lord and the Way wakes the beautiful more beautiful **The Fleeing Youth** Richard Distasi,2009-07-17 It is commonly accepted that the mission of Christ was an act that was independent of any corresponding and requisite deed on the part of humanity Though in part this is true this book asserts that the future spiritual evolution of humanity was dependent on human comprehension and understanding of the Event of Golgotha Comprehension and understanding are defined in this work as one's capacity to spiritually follow Christ through His entire Passion Death and resurrection The Apostles were chosen for this very task but eventually failed at the critical hour Golgotha Esoteric Christianity Young Man in Tomb Birth of Jesus Evolution of Christ Richard Distasi *Thru the Bible Vol. 37: The Gospels (Luke)* J. Boyer, 2016-06-30 The Lent Easter seasons cover one fourth of the year or 25 percent of the liturgical year One of the many things we do as Roman Catholics is sing Lenten and Easter hymns During Lent we express our sorrow for sin as we pray fast and give alms During Easter we shout Alleluias at the end of many hymns to express our praise of God for having raised Christ from the dead Thus those who observe Lent and Easter sing religious hymns written for each season The sounds of Lenten hymns in minor keys give way to Easter hymns in major ones This book presents an exercise for every day of Lent and Easter that combines the daily Scripture texts from the Lectionary for Mass with religious hymns sung during Lent and Easter It is designed to be used by individuals for private prayer or by families for public prayer A six part exercise is offered for every one of the 135 entries 1 the liturgical day 2 the daily Scripture texts 3 a verse from a traditional hymn 4 a reflection 5 a question for personal meditation and 6 a concluding prayer **The Mennonite**, 1929 **Four Guys Gospels** R.E.
