## **Gospel Without Compromise:**

**The Power of Integrity** John MacArthur, 1997-04-30 We live in a society that has largely abandoned moral standards and Christian principles Unkept campaign promises false advertising exaggerated tax exemptions employee theft compromise has become a way of life Such moral concession has even invaded the church Faced with an opportunity to proclaim Christ to unbelievers we feel intimidated and keep silent Or we water down God s Word on ethical issues at work or in our community to avoid rejection Too often we prefer hypocrisy to integrity But God longs for His people to be different to maintain a commitment to His standards no matter what the cost Is consistent obedience to God integrity attainable in this world of sin and self By the grace and power of God yes One of the nation s most respected pastors points the way to persevering character in Christ Drawing from scriptural examples of godly men who modeled integrity during severe testing MacArthur makes a compelling case for the impact a man or woman of integrity can have in our world A helpful study guide for individuals or groups is included     *The Gospel Without Compromise* Catherine de Hueck Doherty, 1979     **The Gospel Without Compromise** Catherine de Hueck Doherty, 1982     **Living the Gospel Without Compromise** Catherine de Hueck Doherty, Heigberger, Marian, 2002 Recent events in world history are showing that cracks are beginning to form in our modern economic political and technological world In the midst of this people of all kinds be they powerful rulers of nations or the humble poor on the street corner are beginning to awake to the powerful spirituality that has been hidden just below the surface of their daily lives Some are filing into churches in droves while others are muttering quiet prayers as they lie in bed but all are hungering for answers How can we find security Where is all of this leading us In this important book compiled from writings of Catherine Doherty she speaks straight from the heart with wisdom and clarity about the problems facing us in the modern world A Russian refugee who made good and then gave up everything to serve the poor of America Catherine has unique and startling insight into the stark realities of the life of faith from the very rich to the very poor The answers my surprise us by their simplicity but they must begin in ourselves and be incarnated in our own lives before we can expect them to take root and change the world There is concrete help within these pages and solutions which will help us all to make an unequivocal choice to live the gospel without compromise in our lives     Staritsa Donald A. Guglielmi, 2017-12-07 The present book is the first work to highlight Catherine Doherty s vocation to spiritual motherhood Drawing upon primary archival sources the author traces Catherine s development as a staritsa or spiritual mother in the Russian Eastern tradition Of particular interest are the chapters dealing with Catherine s exercise of spiritual motherhood for priests and laity alike Previously unpublished letters of spiritual direction between Catherine and her major spiritual directors offer the reader a privileged glimpse into the soul of this servant of God and her spiritual children as she grows in her vocation as staritsa For example in one striking letter Catherine describes how she guided a disillusioned young priest who was struggling with a drinking problem and temptations involving young women and was bordering on despair With

clenched teeth I sailed into him first gently almost caressingly calling him back to Christ he once loved then more sternly then quietly He left full of thanks and some hope      The Gospel Without Compromise Catherine Doherty,1989      **Sermons for the Battlefield** Dominique J. Fryar,2012-05-02 One of the greatest questions in the Christian faith is how do I achieve spiritual prosperity and finally gain victory over my life Many are tired of fighting the same fight and being dealt the same hand and want God to hurry up and answer them Time and time again we look to our external circle to find stimulation for an internal struggle only to find ourselves looking back at the Eternal Answer to avoid a worst situation The keys to success are written in every self help book and can be heard in speaking arenas around the world but God wants us to listen to what He has to say True success is not measured by the amount of money in your bank account or the number of people that follow a multi million dollar empire Change your thinking Most millionaires and successful people still find themselves unhappy and spiritually dry and seeking for spiritual nourishment We are charged to be different and to show others that do not know the way how to reach their greatest potential and live a spiritually prosperous life God is calling every man to him The Lord has room in the kingdom for all willing to lose their life to earn eternal life and achieve spiritual prosperity No matter if you want to be rich in favor own a Fortune 500 company or just want to develop the position in your life right now God wants to show you how to take where you are and use that to get to where you want to be      **Galatians** R. Alan Cole,2015-03-20 In his letter to the Galatians the apostle Paul makes his most passionate and direct appeal for a gospel free of ethnic or ritual exclusion Alan Cole illuminates the potency and power of Paul s message to the Galatian church      Paul's Message and Ministry in Covenant Perspective Scott J. Hafemann,2015-01-22 The essays presented here represent over twenty five years of thinking about the theology and life of the Apostle Paul who as a slave of Jesus Christ Rom 1 1 was a servant of the new covenant with a ministry of the Spirit 2 Cor 3 6 8 Taking the questions raised by the history of scholarship since F C Baur as their starting point Hafemann s exegetical studies focus on how Paul s self understanding shaped his message the motivations of his ministry and his consequent call to suffer for the sake of his churches Hafemann s work reveals that Paul s views of redemption of his own redemptive mission and of the life of the redeemed derived from his eschatological conviction that the purpose of the new covenant realities inaugurated by the Christ is to prepare for their promised consummation when Christ returns to judge the world      *Becoming a Contagious Church* Mark Mittelberg,2010-12-21 Discover a Proven Approach to Raising Your Church s Evangelistic Temperature Evangelism It s one of the highest values in the church So why do so few churches put real effort into it Maybe it s because we don t understand the evangelistic potential of the church well enough to get excited about it Becoming a Contagious Church will change that Revised and updated this streamlined edition dispels outdated preconceptions and reveals evangelism as it really can be What s more it walks you through a 6 Stage Process and includes a brand new 6 Stage Process assessment tool for taking your church beyond mere talk to infections energy action and lasting commitment This book is not optional It s required reading for all who are serious about reaching

their communities for Christ Ignoring this book would be pastoral malpractice Lee Strobel author of *The Case for the Real Jesus* You can't read this book without having your heart stirred to share the gospel It's contagious Rick Warren author of *The Purpose Driven Church* and *The Purpose Driven Life* Entire leadership teams and outreach committees should read and discuss this powerful book and then put its principles into action John Maxwell author of *Developing Leaders Around You* I can't emphasize how important books like this one are for the future of the church It demythologizes the fear and awkwardness of evangelism into something biblical tangible and practical for every person Dan Kimball author of *They Like Jesus but Not the Church* *Becoming a Contagious Church* is hands down the most comprehensive work on church evangelism I've ever read Its principles can turn inward looking church attenders into outward looking church evangelists Craig Groeschel senior pastor LifeChurch tv

**Introduction to Evangelism** Alvin Reid, 1998-08-01 The evangelistic mandate says Alvin Reid is central to the mission of the church in any age In this important new book Reid traces the essence of evangelism its history and character teaching Christians how to preach the Gospel effectively Using methods built upon biblical historical and theological foundations this exhaustive guide integrates doctrinal issues with practical matters of methodology while developing the personal spirituality of those who seek to carry out the Great Commission By recognizing the timeless aspects of the evangelistic task and adapting them to today's needs and the needs of the future Reid gives Christians the tools they need to spread the Word with assurance at the dawn of the new millennium

**Follow** Floyd McClung, 2010-09-01 Isn't it time to stop asking What would Jesus do and start asking What is Jesus doing now Follow is a real life guide to discipleship the Jesus way Here Floyd McClung tells how he traded a life of religion for a life of relationship with Jesus a relationship that led him to form communities of Christian disciples around the world Taking the Gospels at face value leads Floyd to define a radical strategy for discipling new believers while strengthening our own devotional lives He details practical ideas for forming discipleship groups that reflect Jesus's principles of accountability transparency humility and outreach Through it all Floyd emphasizes the importance of following Jesus personally rather than adhering to ineffective rules or traditions With stories and scriptural principles Floyd McClung leads us through the liberating process of changing the focus of our lives from ourselves to Jesus so we can do life the way Jesus did and experience a richer spiritual life than we've ever known

**The House of God** Moreno Dal Bello, 2016-02-26 For the time is come that judgement must begin at the House of God and if it first begin at us what shall the end be of them that obey not the Gospel of God And if the Righteous scarcely be saved where shall the ungodly and the sinner appear 1 Peter 4:17-18 Many view the word Gospel as an ambiguous term these Scriptures not only refer to the judgement of the ungodly they actually provide the reader with information as to exactly who the ungodly are and that which qualifies a person as godly What verse 17 reveals is rather confronting when one looks deeper into the significance of its words for what these two Scriptures present is no less than an insight into the purpose of election and the inextricable connection between the

essentiality of believing the Gospel a completely unambiguous term and salvation These verses reveal the conclusive and irrevocable evidence that only Gospel believers are Righteous in God s eyes that it is only they who are of the House of God

**John** Jimmy Swaggart, JOHN BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God [Literary Evangelism: Beyond the Open Mic](#)
