Gospels In Verse:

The Gospels Henry Augustus Boardman,1855 *Harmony of the Gospels in Rhyming Verse* Roland S. Taylor,2002-08
From February to the middle of July 1942 a remarkable study was carried out in the Warsaw ghetto a study of starvation conducted by the Jewish physicians in the two largest hospitals in the ghetto The results of this study have survived and become a cornerstone of the medical literature on the changes undergone by the human body when not enough food is available What you are about to read is the story of that study why it was done how it was done who carried it out what was found and how it survived Everything about the study itself is true Everything about the background of the physicians who took part in the study is as accurate as I could make it The rest what motivated them to do the study how they got the equipment and how they smuggled the manuscript out is fiction but is consistent with what little information I had Thus the story you are about to read is a historical novel in the truest sense Together the fact and the fiction will give you the reader an understanding of an extraordinary scientific event that helped a people define itself during one of the saddest chapters of its existence **The Gospels** ,2017-05-24 This book presents the Christian Gospels Matthew Mark Luke and John in a color coded Greek English verse by verse format Each verse of the original Greek is followed by its English translation The work also includes brief guidelines for language instructors and detailed outlines of the Gospels themselves The Greek text is adapted from The New Testament in the Original Greek originally published by Brooke Foss Westcott and Fenton John Anthony Hort in 1881 Italic d104 indicates words added in the English translation to make better sense of the Greek original Since Greek lacks an indefinite article a or an for instance these must always be added Blue d104 indicates words spoken by the Father or by the Lord s Angel The endnote numbering in each Gospel also appears in blue Red d104 indicates words spoken by Jesus Green d104 represents quotations from scripture **The Gospels; With Moral Reflections on Each Verse**
