Gosudarstvo V Sovremennom Mire

Jiyuan Zhang

Gosudarstvo V Sovremennom Mire:

The Revival of Private Law in Central and Eastern Europe Donald D. Barry, George Ginsburgs, William B.

Simons, 2023-12-18 This series critically examines issues of legal doctrine and practice in Central and Eastern Europe including studies on the harmonization of legal principles and rules the legal impact of the intertwining of domestic economies on the one hand with regional economies and the processes of international trade and investment on the other The series offers a forum for discussion of topical questions of public and private law from domestic regional and international perspectives Comparative research that provides insights in legal developments that can be communicated to those interested in questions not only of law but also of politics economics and of society of countries in the region also finds a home in the series For information about a related title visit the webpages of the Brill journal Review of Central and East European Law

The Soviet Union and the Strategy of Non-Alignment in the Third World Roy Allison, 1988-12-15

This study investigates the overall Soviet conception of non alignment in the Third World and assesses Soviet policy in relation to this issue

Restructuring Soviet Ideology Sylvia Babus Woodby, Alfred Evans, 2019-07-11 This book offers an analysis of the character and impact of ideological change addresses a different arena of Soviet policy or social life and reflects somewhat different concerns about the role or significance of ideology It summarizes the way in which Marxism Leninism has been understood

Russia and Islam Roland Dannreuther, Luke March, 2010 This book examines contemporary developments in Russian politics how they impact on Russia's Muslim communities how these communities are helping to shape the Russian state and what insights this provides to the nature and identity of the Russian state both in its inward and outward projection

The Spectre of Afghanistan Amin Saikal, Kirill Nourzhanov, 2021-01-28 Aiming to connect a number of divergent perspectives on the current state of Afghanistan this book outlines the country's past and present instability and how this impacts and is conceptualised by its neighbours as well as by international heavyweights such as Russia China and the United States Given Afghanistan's extensive cross border ethnic linguistic sectarian and cultural ties with its neighbours whatever transpires in the war torn country is bound to have regional and global security implications This study focuses on the current formal and informal defensive policies the states of Central Asia may or may not have in place in the event of the Afghan situation deteriorating further or the Taliban led insurgency substantially widening their influence The book also considers the positions and policy responses of three influential actors in the region Russia China and the United States It assesses the convergence of interests between these great powers in stabilising Afghanistan and their divergence of geopolitical objectives in the region With President Donald Trump unpredictably upheaving American policy in Afghanistan an assertive Russia continuing to expand its influence across Central Asia and China seeking to have a wider economic and security role in the region this book offers a timely assessment of an internationally important topic

The Soviet Concept of 'Limited Sovereignty' from Lenin to Gorbachev Robert A.

Jones,2016-07-27 The book examines the origins development and contemporary significance of the Soviet doctrine of limited sovereignty Brezhnev Doctrine with particular reference to the Doctrine s implications for the Soviet Union s relations with Eastern Europe The author identifies and considers the multiple functions served by the Soviet Union s essentially dualistic or bi axial approach to sovereignty which embraces notions derived from both general international law and from Soviet Marxist Leninist doctrine The book also includes a comparative analysis of the US Monroe Doctrine The author argues that although in the Gorbachev era of new thinking the Soviet doctrine of sovereignty may be developing a third axis Western predictions of the imminent or actual demise of the Brezhnev Doctrine are premature The Struggle for the Third World

Jerry Hough,2010-12-01 In the last quarter century the Soviet Union and the United States have repeatedly come into conflict in various parts of the third world During this period the most backward third world countries have sometimes proved susceptible to radical revolution but the countries well on the way to industrialization have moved away from left wing economic and political policies In the longer perspective the West has been winning the struggle for the third world The changes in those countries have been the subject of intense published debate in the Soviet Union debate on Marxist concepts of the stages of history on theories of economic development and revolutionary strategy and on foreign policy Jerry F Hough explores the breakup of the orthodox Stalinist position on these issues and the evolution of free swinging discussion about them He suggests that paradoxically many of the old Stalinist ideas retain their strongest hold in the United States which has not fully recognized its victory in the third world and the importance of the West s great economic power The United States too often assumes that radical regimes will inevitably follow the Soviet path of development and that the nature of a regime determines the nature of its foreign policy Because of these misperceptions Hough argues the United States misses many opportunities in the third world It emphasizes military power even to the extent of undermining its crucial economic power and it fails to offer the face saving gestures that would permit Soviet retreats Hough presents a prescription for an American policy better suited to the new realities in the third world and to the changing Soviet attitude toward them Islamic

Leadership and the State in Eurasia Galina M. Yemelianova,2022-02-01 The book presents the first integrated study of the relationship between official Islamic leadership muftiship non official Islamic authorities grassroots Muslim communities and the state in post Communist Eurasia encompassing Lithuania Belarus Ukraine the Volga Urals Crimea the North Caucasus Azerbaijan and ex Soviet Central Asia It employs a history based perspective and compares this relationship to that in both the Middle East and Western Europe It argues that the nature and role of official Islamic leadership as well as state Muslim relations in most of the post Soviet lands have largely retained their particular national and broader Eurasian character which distinguishes them from what prevails in the Middle East and Western Europe At the same time the increasing political Europeanisation of Lithuania and Ukraine since 2014 and to some extent Belarus has accounted for their divergence towards the Western model of state Muslim relations **The Orthodox Church and Civil Society in Russia** Wallace L.

Daniel, 2006 In the void left by the fall of Communism in Russia during the late twentieth century can that country establish a true civil society Many scholars have analyzed the political landscape to answer this question but in *The Orthodox Church and Civil Society in Russia* Wallace L Daniel offers a unique perspective within the church are individuals who hold the values and institutional models that can be vital in determining the direction of Russia in the twenty first century What the tireless workers of the church are doing and whether they will succeed in building a new cultural infrastructure are questions of crucial importance Daniel tells the stories of a teacher and controversial parish priest the leader of Russia's most famous women's monastery a newspaper editor and a parish priest at Moscow University to explore thoroughly and with a human voice the transformation from Communist country to a new social order focusing on normal everyday realities Unlike other scholars who have concentrated on government and politics or looked only within the church's Moscow patriarchy Daniel explores specific religious communities and the way they operate their efforts to rebuild parish life and the individuals who have devoted themselves to such goals This is the level Daniel shows at which the reconstruction of Russia and the revitalization of Russian society is taking place This book is written for general readers interested in the intersection between politics religion and society as well as for scholars The subject and the approach cut across several disciplines area and cultural studies history political science and religious studies Jacket

The Crisis of Russian Democracy Richard Sakwa, 2010-12-16 The view that Russia has taken a decisive shift towards authoritarianism may be premature but there is no doubt that its democracy is in crisis In this original and dynamic analysis of the fundamental processes shaping contemporary Russian politics Richard Sakwa applies a new model based on the concept of Russia as a dual state Russia's constitutional state is challenged by an administrative regime that subverts the rule of law and genuine electoral competitiveness This has created a situation of permanent stalemate the country is unable to move towards genuine pluralist democracy but equally its shift towards full scale authoritarianism is inhibited Sakwa argues that the dual state could be transcended either by strengthening the democratic state or by the consolidation of the arbitrary power of the administrative system The future of the country remains open

Contemporary Russian Conservatism Mikhail Suslov, Dmitry Uzlaner, 2019-10-14 This volume is the first comprehensive study of the conservative turn in Russia under Putin Its fifteen chapters written by renowned specialists in the field provide a focused examination of what Russian conservatism is and how it works The book features in depth discussions of the historical dimensions of conservatism the contemporary international context the theoretical conceptualization of conservatism and empirical case studies Among various issues covered by the volume are the geopolitical and religious dimensions of conservatism and the conservative perspective on Russian history and the politics of memory The authors show that conservative ideology condenses and reworks a number of discussions about Russia's identity and its place in the world Contributors include Katharina Bluhm Per Arne Bodin Alicja Curanovi Ekaterina Grishaeva Caroline Hill Irina Karlsohn Marlene Laruelle Mikhail N Lukianov K re Johan Mj r Alexander Pavlov Susanna Rabow Edling

Andrey Shishkov Victor Shnirelman Mikhail Suslov and Dmitry Uzlaner Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes **Russia's Uncommon Prophet** Wallace L. Daniel, 2016-04-20 This lucidly written biography of Aleksandr Men examines the familial and social context from which Men developed as a Russian Orthodox priest Wallace Daniel presents a different picture of Russia and the Orthodox Church than the stereotypes found in much of the popular literature Men offered an alternative to the prescribed ways of thinking imposed by the state and the church Growing up during the darkest most oppressive years in the history of the former Soviet Union he became a parish priest who eschewed fear who followed Christ's command to love thy neighbor as thyself and who attracted large diverse groups of people in Russian society How he accomplished those tasks and with what ultimate results are the main themes of this story Conflict and controversy marked every stage of Men's priesthood His parish in the vicinity of Moscow attracted the attention of the KGB especially as it became a haven for members of the intelligentsia He endured repeated attacks from ultraconservative anti Semitic circles inside the Orthodox Church Fr Men represented the spiritual vision of an open non authoritarian Christianity and his lectures were extremely popular He was murdered on September 9 1990 For years his work was unavailable in most church bookstores in Russia and his teachings were excoriated by some both within and outside the church But his books continue to offer hope to many throughout the world they have sold millions of copies and are testimony to his continuing relevance and enduring significance This important biography will appeal to scholars and general readers interested in religion politics and global affairs **The Participation of the Soviet Union in Universal International Organizations** C.O. Osakwe, 2024-09-02 The State in Socialist Society Neil Harding, 1984-01-01 The focus of all the essays in this collection is the problem of state power in Communist regimes The problematic nature of the relationship between state and society has troubled the marxist tradition since its inception and continues to be an unresolved issue for its contemporary theorists Western attempts to characterise the state formations of Communist regimes are equally notoriously debatable and fraught with methodological problems Both indigenous and Western attempts to theorise these formations are thoroughly reviewed in the early chapters of this book

Later chapters each written by an expert in the field go on to explore particular issues the problem of nationalism within a multi national state for instance or the recent experience of selected Communist regimes in attempting to adapt their institutions to meet new problems Special attention is paid to the USSR in view of the enormous significance of the Soviet State and the extent to which it has served as a model Other case studies have been included on the basis that these state formations display unique features Yugoslavia that size and importance commends them China or that failure in the process of institutional adaptation is instructive for their pathology Poland What this book sets out to do is to bring a variety of approaches and a varied expertise to bear upon a very large but relatively neglected issue in contemporary politics the nature of the state formations of Communist regimes

Nationalism And Policy Toward The Nationalities In The Soviet Union Gerhard Simon,2019-04-11 This book examines Soviet nationalities policy from the 1920s to the present Tracing nationalities policy to its roots in Bolshevik efforts to arrest the decay of the Russian Empire Dr Simon looks at the evolution of Soviet policy analyzes the reactions of non Russian peoples to the policies and discusses the forms of expression and the goals of

Biographical Dictionary of Dissidents in the Soviet Union, 1956-1975 E.J. Driessen,H.L. Verhaar,S.P. de Boer,2024-11-25

Like Cattle and Horses S. A. Smith,2002-04-09 Exploration of the development of national and class identities among Shanghai workers claiming that nationalism had a greater hold on working class identity between 1895 and 1927 than class consciousness

The Image of Islam in Russia Greg Simons,2020-12-30 This book covers the developing and important issue of the role and place of Islam in the increasingly complex dynamics of Russian politics It is achieved by examining various aspects of Islam and Muslims in Russia from a multidisciplinary perspective Islam and Muslims are currently at the forefront of popular culture mass media and political imaginations in the age of the Global War on Terrorism Frequently these are for the wrong reasons as they are not well understood but rather stereotypically misrepresented often for various political reasons Russia is also highly stereotyped the diverse and mysterious country is often misunderstood in terms of the communicated cultural social and political images This book is an attempt to expose and analyse the wealth in diversity of Islam and Muslims in Russia a country where different religions have occupied the same political spaces for better and worse for many centuries The content of this book is focused upon the contemporary social political cultural and identity contexts of Russia in terms of the interrelated dynamics and forces that are shaping the relations and place of Islam and Muslims in Russia today The chapters in this book were originally published in the journal Religion State Society

Reforming the State Without Changing the Model of Power? Anton Oleinik,2013-10-18 This book places administrative reform in post socialist countries in a broad context of power and domination This new perspective clarifies the reasons why reforms went awry in Russia and some other post Soviet countries whereas they produced positive outcomes in the Baltic States and most East European countries The contributors analyse the idea that administrative reform cannot produce sustainable changes in the organization of the state apparatus as long as it does not touch the underpinning model

of power and domination Using an interdisciplinary and comparative approach the essays combine elements of philosophy sociology political science and economics including a wealth of primary and secondary data surveys in depth interviews with state representatives and participant observation The book focuses on Russia and analyses recent developments in this country by the way of comparison with the experience of carrying out administrative reform in Ukraine Bulgaria Poland Germany and North America This book was published as a special issue of the Journal of Communist Studies and Transition Politics

Gosudarstvo V Sovremennom Mire Book Review: Unveiling the Power of Words

Gosudarstvo V Sovremennom Mire Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gosudarstvo V Sovremennom Mire has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gosudarstvo V Sovremennom Mire has opened up a world of possibilities. Downloading Gosudarstvo V Sovremennom Mire provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gosudarstvo V Sovremennom Mire has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gosudarstvo V Sovremennom Mire. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gosudarstvo V Sovremennom Mire. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gosudarstvo V Sovremennom Mire, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gosudarstvo V Sovremennom Mire has transformed the way we access information. With

the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
