Foundations of Enterprise Governance and Enterprise Engineering Jan A.P. Hoogervorst, 2018-03-23

This book outlines the important foundational insights for enterprise governance and enterprise engineering which are obviously provided by the social and organization sciences but also by other sciences such as philosophy and information technology It presents an employee centric theory of organization in order to secure enterprise performance and also to comply with moral considerations about society and human individuals This is necessary as prescriptions based on best practices or the best managed companies are often merely anecdotal faddish or controversial and based on unsubstantiated pseudo theories The book consists of four main chapters the first of which summarizes the importance of foundational insights for enterprises and explains the mutual relationships between the basic elements of enterprise governance and enterprise engineering Next chapter 2 explains the necessary philosophical foundations concerning knowledge truth language and human existence Subsequently chapter 3 describes the ontological foundation and the nature of society and enterprises as understanding their characteristics is a prerequisite for understanding and designing enterprises Finally chapter 4 approaches ideological foundations as beliefs and convictions as they create specific requirements for the design of enterprises In this way the book covers all the cornerstones of the employee centric theory of organization drawing on foundational insights The book is mainly intended for students specializing in areas such as business administration management and organization science governance and enterprise and information systems design However professionals working in these areas will also benefit from the book as it allows them to gain a deeper understanding of the theoretical

foundations of their work and will thus help them to avoid strategic failures due to a lack of coherence and consistency between the various parts of their organization Women, Tech, and Enterprise Kavita Indapurkar, Neeru Sidana, Richa Goel, Tilottama Singh, 2025-11-03 This book explores South Asia's progress towards women leadership in business and entrepreneurship addressing gender biases and socio-economic barriers while also providing insights into technology and societal dynamics *Women Tech and Enterprise A Path to Sustainable Equality in South Asia* explores the resilience and adaptability of women entrepreneurs in various industries It provides practical advice on leveraging technology building networks securing funding and navigating challenges in entrepreneurship By emphasising the significance of sustainability and inclusivity in entrepreneurship through interviews with industry experts and thought leaders the book also sheds light on the crucial role of community and support networks in nurturing women's entrepreneurship while exploring emerging trends and opportunities in the field It is hoped that the inclusion of personal anecdotes practical advice expert analysis and sustainability focused on women technology and entrepreneurship in South Asia throughout this book will inspire and equip readers for success *Implications for Entrepreneurship and Enterprise Development in the Blue Economy* Raimi, Lukman, Kah, Jainaba M. L., 2022-04-08 The blue economy is a widely used concept in policy circles however people across a wide spectrum have a peripheral understanding of the phenomenon At the moment there are several conflicting understandings of the blue economy but no universally accepted definition and veritable measures Considering the existential importance of the blue economy for the protection of marine environments and sustainability of businesses there is an urgent need for rigorous conceptual policy focused theoretical and empirical studies on the subject from multidisciplinary perspectives *Implications for Entrepreneurship and Enterprise Development in the Blue Economy* enriches existing definitions of a blue economy with inputs from a multidisciplinary lens and provides veritable measures for evaluating blue economy progression and compliance Covering topics such as economics natural resource development social equity and sustainability this reference work is ideal for policymakers entrepreneurs managers oceanographers marine biologists scholars industry professionals government officials academicians researchers practitioners instructors and students **Private Enterprise-Led Economic Development in Sub-Saharan Africa** John Kuada, 2015-10-05 *Private Enterprise Led Development in Sub Saharan Africa* provides a novel theoretical and conceptual model to guide research into Africa's economic development It endorses the view that private enterprise led growth will help reduce poverty since it strengthens individuals capacity to care for themselves and their families *Federal Register*, 1995-02 *Culture and Enterprise* Emily Chamlee-Wright, The late Don Lavoie, 2002-01-04 What is the animating spirit behind what may appear to be the coldly calculating world of markets and business enterprise Though often mathematically modelled in dry terms markets can be looked at instead as meaningful domains of human activity To economists markets have been seen as nothing but objective forces or allocation mechanisms This book however argues that they can be seen as involving the human spirit

personal expression and moral commitments It presents the view that markets are not so much things that need to be measured as meanings that need to be narrated and interpreted The aim of this book is to introduce two scholarly fields to one another economics and cultural studies in order to pose the question how does culture matter to the economy When we look at the economy as a legitimate domain of culture it transforms our understanding of the nature of business life By viewing markets as an integral part of our culture filled with the drama of human creativity we might begin to better appreciate their role in the world Hidden Hands in the Market Peter Luetchford,Geert De Neve,Jeffery Pratt,2008-09-01
