Empty Silence:

Dramaturgy of Sound in the Avant-garde and Postdramatic Theatre Mladen Ovadija, 2013-07-01 Sound is born and dies with action In this surprising resourceful study Mladen Ovadija makes a case for the centrality of sound as an integral element of contemporary theatre He argues that sound in theatre inevitably betrays the dramatic text and that sound is performance Until recently theatrical sound has largely been regarded as supplemental to the dramatic plot Now however sound is the subject of renewed interest in theatrical discourse Dramaturgy of sound Ovadija argues reads and writes a theatrical idiom based on two inseparable intertwined strands the gestural corporeal power of the performer s voice and the structural value of stage sound His extensive research in experimental performance and his examination of the pioneering work by Futurists Dadaists and Expressionists enable Ovadija to create a powerful study of autonomous sound as an essential element in the creation of synesthetic theatre Dramaturgy of Sound in the Avant garde and Postdramatic Theatre presents a cogent argument about a continuous tradition in experimental theatre running from early modernist to contemporary works

Silent Moments in Education Colette Granger, 2011-12-10 Colette A Granger s highly original book considers moments in several areas of education in which silence may serve as both a response to difficulty and a means of working through it The author a teacher educator presents narratives and other textual artefacts from her own experiences of learning and instruction She analyses them from multiple perspectives to reveal how the qualities of education s silences can make them at once difficult to observe and challenging to think about Silent Moments in Education combines autoethnography with psychoanalytic theory and critical discourse analysis in a unique consideration of the relations teachers and learners forge with knowledge with ideas and with one another This provocative and thoughtful work invites scholars and educators to consider the multiple silences of participants in education and to respond to them with generosity and compassion

Moondust Athie Wolfe, 2011-04-01 It rained for three weeks straight a hard steady rain The first sighting of me came after that as the fog gathered its skirts and tiptoed out of the woods and things began to dry to look upward at the sun and grow A young boy found my body it was Leroy Wilson's son and that evening his mother saw my spirit walking through their apple orchard when she was putting the cows in Back then that first night my spirit was so dense she thought I was a real physical person she thought it was me alive and she called out to me but I kept going An hour later her son came clashing into the kitchen with the news of my bones Decades later called back by her bright and restless granddaughters *Moondust* reawakens to finish her story and find her peace A simple and compelling story of faith hope and freedom for women of all ages and for women FROM all ages

The Autism of Gxd Ruth M. Dunster, 2022-12-02 *The Autism of Gxd* An Atheological Love Story is truly a love story the story of Ruth Dunster's autistic search for an authentic personal and theological Gxd In this it resembles Augustine's *Confessions* as a theological autobiography It becomes atheological however as Dunster reckons with what Denys Turner terms *The Darkness of God* This awareness leads her through the poetry of Medieval mystics to the mythic death of God theology of Thomas J J Altizer The search for faith is nonetheless very real in this strange territory Dunster hears her autistic Gxd speaking in art poetry novels

and music and this further leads her into the territory of Literature Theology and the Arts where in Blanchot's words the answer is the poem's absence Indeed Dunster calls the book a strange poem or even a hymn Weaving an autistic mythology out of a rigorous survey of clinical autism this book abounds in challenge and paradox It offers a fascinating view into how an autistic poet becomes a theologian and what more mainstream theologies might learn from this disabled Gxd
