Dialogic Organization Development Gervase R. Bushe, Robert J. Marshak, 2015-05-26 A Dynamic New Approach to Organizational Change. Dialogic Organization Development is a compelling alternative to the classical action research approach to planned change. Leaders and consultants can help foster change by encouraging disruptions to taken-for-granted ways of thinking and acting and the use

of generative images to stimulate new organizational conversations and narratives This book offers the first comprehensive introduction to Dialogic Organization Development with chapters by a global team of leading scholar practitioners addressing both theoretical foundations and specific practices *Creating Sustainable Work Systems* Jan Forslin, Peter Docherty, A.B.
