*Emily's Quest* L. M. Montgomery, 2014-05-06 I love Emily Madeleine L Engle Will Emily s Dreams Ever Come True High school is over and Emily Starr is ready to find her destiny but she s not quite ready to leave the safety of New Moon farm She knows that she doesn t need New York City or some other exotic locale to help her become a famous writer But as all of Emily s friends begin moving away to pursue their own aspirations in exciting places she wonders if she s made the right choice After suffering through a devastating illness receiving rejection notices from multiple publishers and nearly losing Teddy her childhood sweetheart Emily realizes that her quest for love acceptance and happiness is far from over This new edition lovingly restores the original unabridged text and includes an all new exclusive introduction with special memories from L M Montgomery s granddaughter What Readers Are Saying Emily s Quest is my favorite of the Emily books probably of all her books and a wonderful read for any romantic like me Wonderful As with all the Montgomery books the beauty of the world captures you Emily s Quest is a brilliant end to a most charming series of books Emily s Quest is truly a wonderful ending to one of the best stories ever written **"I Say No"; Or, The Love-letter Answered** Wilkie Collins, 1893 Witch Magic Kody Boye, 2024-06-08 With the vampire s death I have claimed my revenge But what life is worth living without vengeance I struggle to determine this in the aftermath of my victory Lost for purpose I turn to my mentor Emily Bane when I return to the Agency not only seek to peace but to discover what happened to my predecessor whose untimely passing left a place for me to become a Hunter of the Agency When I learn that a coven of witches was responsible for his trauma I vow to seek justice for the man whose life was ended too soon What I cannot anticipate is a ritualistic sacrifice occurring in the wilds near the Louisianan border More people have died and when it becomes apparent that the witches are involved I must work to hunt them down before the coven reveals themselves to the world This book was previously released as Witch Haunt in 2017 It has been rewritten in first person with expanded details *Emily* Bill Kenney, 2023-11-19 Emily The Warrior is the story of a precocious female eighth grade basketball player She fights neither demons nor mystical characters but rather the real life struggles of growing into a well rounded young lady as she enters high school still determined to improve her extraordinary basketball skills Emily Barker the star of her middle school team is five feet ten inches tall and skinny Her limbs look as fragile as yellow pencils but she is fiercely competitive Her father played in college and may be living vicariously through her Her mother wants a more balanced life for her only child Emily spends her summers sweating in various gymnasiums with multi racial and multi cultural teammates while her friends lounge at the town s pools with the boys She and Billy her peer on the boys team plot to enhance the start of their high school basketball careers but that gets misinterpreted by her friends two of whom have their eye on Billy for other reasons While there is plenty of basketball action the reader gets an insight into the life of an elite junior athlete the sacrifices both she and her family make to support that and how teamwork over rides racial and cultural differences Emily wants to be part of her friend s world explore her other

talents satisfy her parents and have them understand her as she begins to understand more of herself She is becoming aware that there is a lot more to life than basketball and struggles to balance her commitment her sport with her recognition of her other skills and opportunities     **Emily's Castle** Don Clayton,2010-12-20 It s just a cruel hard fact of life Real life never works out like it does in the story books But why not That s the question nine year old Emily Westbrooke is asking This energetic whiz kid is not about to stand aside and watch her parents tear her world apart If her father could write incredible stories of love and happiness with such beautiful endings then why could he not make his own life come out just as well That s just not the way life is but why not To change the course of ones own life is hard enough but the course of another s near impossible That is precisely what Emily must do when her life is about to take a disastrous turn That is until until she discovers the greatest power on earth But there is just a little more to calling upon this miraculous power than she realizes Real life just never works out like it does in the storybooks But why not Lite Works Publishing December 2010 Release
