Emma Paterson She Led Woman Into A Mans World:

Emma Paterson, Trade Unionist and Feminist, In Her Own Words Steven Parfitt, 2024-11-28 Emma Paterson was a pioneer of trade unionism for women In her short life she set up a League dedicated to that cause edited a newspaper to publicise it and travelled the UK working for it Her spoken and written work addressed issues still with us today from the gender pay gap to domestic labour and those thankfully consigned to history such as whether women should be able to vote or find clothes appropriate to industrial work Emma Paterson Trade Unionist and Feminist In Her Own Words brings together the major works that comprise Emma Paterson s written output offering a unique insight into the struggles and concerns of women working in the workshops factories shops and homes of Britain s Industrial Revolution This book includes a long biographical chapter from the editor a preface from Frances O Grady first woman general secretary of the Trades Union Congress and then an annotated selection of Emma Paterson s most important works from her time as a young activist to her last days as an overworked editor and union leader This book will appeal to scholars and students of the history of Britain of its women workers of industrial labour and publishing history It addresses broader questions of class and gender the interconnections that exist between them and the silences that often accompany them The Women in the Room Nan Sloane, 2018-09-30 In February 1900 a group of men representing trade unionists socialists Fabians and Marxists gathered in London to make another attempt at establishing an organisation capable of getting working class men elected to Parliament The body they set up was the Labour Representation Committee six years later when 29 of its candidates were elected to the House of Commons it changed its name to the Labour Party No women took part in that first meeting but several watched from the public gallery Amongst them was Isabella Ford an active socialist and trade unionist who would have been familiar to most of the men assembled below She had been asked by her friend Millicent Fawcett to attend and report back on what happened Millicent was the President of the National Union of Women s Suffrage Societies and Isabella had been involved with the suffrage movement for a long time A few years later she would become the first woman to speak at a Labour Party conference moving a resolution on votes for women but at the Party s inception in 1900 she and every other woman in the hall was silent Throughout Labour s history even in its earliest years women were present in the room but they were not always recorded or remembered They came from many different backgrounds and they worked for the causes they believed in as organisers campaigners negotiators polemicists public speakers and leaders They took on the vested interests of their time sometimes they won Yet the vast majority of them have been forgotten by the Labour movement that they helped to found Even Margaret Bondfield who became Britain s first woman cabinet minister often barely merits a footnote Women made real and substantial contributions to Labour s earliest years and had a significant impact on the Party s ability to attract and maintain women s votes after World War I In addition to Margaret and Isabella in many of the rooms in which the Labour Party found its feet remarkable women wait to be rediscovered This book tells their story *Emma Paterson* Harold

Goldman,1974 Monograph comprising a bibliographical study of Emma Paterson and her role in promoting the trade unionization of the woman worker in the late 19th century in the UK examines her early life and educational aspects her activities in the field of women s rights incl in respect of equal pay and equal opportunity etc Bibliography pp 125 to 127 Biography Paterson E *The Women's Suffrage Movement* Elizabeth Crawford,2003-09-02 This widely acclaimed book has been described by History Today as a landmark in the study of the women s movement It is the only comprehensive reference work to bring together in one volume the wealth of information available on the women s movement Drawing on national and local archival sources the book contains over 400 biographical entries and more than 800 entries on societies in England Scotland and Wales Easily accessible and rigorously cross referenced this invaluable resource covers not only the political developments of the campaign but provides insight into its cultural context listing novels plays and films **Encyclopedia of Women Social Reformers** Helen Rappaport,2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women s struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book Silent Spring The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world **Feminism, Marriage, and the Law in Victorian England, 1850-1895** Mary Lyndon Shanley,2020-07-21 Bridging the fields of political theory and history this comprehensive study of Victorian reforms in marriage law reshapes our understanding of the feminist movement of that period As Mary Shanley shows Victorian feminists argued that justice for women would not follow from public rights alone but required a fundamental transformation of the marriage relationship [The National Federation of Women Workers, 1906-1921](#) Cathy Hunt,2014-03-11 This book is the first full length history of the all female National Federation of Women Workers 1906 21 led by the gifted and charismatic Mary Macarthur Its focus is on the people who made up this pioneering union the organisers activists and members who built branches and struggled to improve the lives of Britain s working women **Women of Ideas** Dale Spender,2024-11-20 Originally published in 1982 with characteristic energy humour and learning Dale Spender traces three hundred years of women s ideas She uncovers not only the ways and words of women but the methods of men While men control knowledge she argues they are in a position to take women s ideas If they like them they use them if they don t they lose them Every fifty

years women are required to reinvent the wheel for every generation of women is initiated into a world in which women's traditions have been denied and buried. Providing convincing evidence that women's absence from the record as creative intellectual beings is not women's fault but men's, Dale Spender claims at least 150 women from the past and suggests how such erasure can be avoided in the future. Given that men take what they want from women's ideas, Dale Spender advocates that women withdraw their labour, that they go on a knowledge strike, for if women cannot control the knowledge they produce at least they can ensure that it cannot be used as evidence against them. Exposing the inadequacies of much modern male scholarship, the author provides the readers with the opportunity to share in her own discoveries, excitement and mistakes in the process of researching and writing this book. The result is that *Women of Ideas And What Men Have Done to Them* is an ambitious and provocative book which will be used as a reference for many years to come and which is also from beginning to end a stimulating read. *Women's Emancipation Movements in the Nineteenth Century* Sylvia

Paletschek, 2005-11-14 The nineteenth century, a time of far-reaching cultural, political and socio-economic transformation in Europe, brought about fundamental changes in the role of women. Women achieved this by fighting for their rights in the legal, economic and political spheres. In the various parts of Europe, this process went forward at a different pace and followed different patterns. Most historical research up to now has ignored this diversity, preferring to focus on women's emancipation movements in major western European countries such as Britain and France. The present volume provides a broader context to the movement by including countries both large and small from all regions of Europe. Fourteen historians, all of them specialists in women's history, examine the origins and development of women's emancipation movements in their respective areas of expertise. By exploring the cultural and political diversity of nineteenth-century Europe and at the same time pointing out connections to questions explored by conventional scholarship, the essays shed new light on common developments and problems. **Knights Across the Atlantic** Steven Parfitt, 2016-11-17 *Knights Across the Atlantic* tells the story of the Knights of Labor, one of the great social movements of American history in Britain and Ireland. *The Women's Movements in the United States and Britain from the 1790s to the 1920s* Christine Bolt, 2014-09-25 This book presents a study of the development of the feminist movement in Britain and America during the 19th century. Acknowledging the similar social conditions in both countries during that period, the author suggests that a real sense of distinctiveness did exist between British and American feminists. American feminists were inspired by their own perception of the superiority of their social circumstances, for example, whereas British feminists found their cause complicated by traditional considerations of class. Christine Bolt aims to show that the story of the American and British women's movement is one of national distinctiveness within an international cause. This book should be of interest to students and teachers of American and British political history and women's studies. **Names and Stories** Kali Israel, 2002 Introduction Genres of Life Writing 1 One Not Being an Orphan 2 Pictures and Lessons 3 Making a Marriage 4 Bodies Marriage Adultery and Death 5 The Resources of
