Dependency Michèle COHEN,2018-11-27 Learn How to Understand and Overcome Emotional Dependency Stop Controlling Others and Be Codependent No More Did you think you were really in love only to lose those feelings of love after a few months You thought you were in love but did you discover that you needed help Difficulty to live without the other feeling of not being loved emotional dependency can cause great suffering and relational difficulties on a daily basis Whether in family couple work or friendship effective dependency is a barrier to healthy relationships with each other Always wanting to please to want to be loved at all costs we often forget to love ourselves and the consequences can weigh on our lives And yet we are all emotional addicts This book shows you how problematic and pathological emotional addicts demonstrate by their actions a real pathology of attachment and emotional immaturity that forces them to sink deeper and deeper into this addiction to the love of the other Then we will describe what in their childhood helped to install this addiction and how their emotional life dramatically suffers the harmful consequences of their addictive behaviors which they seem to not to know the root causes We will also discuss in this book the therapeutic approach that will allow these patients to understand why and how they have become entrapped in this addiction and above all to improve their relationships with themselves and others in order to free themselves from it There are many things to learn in order to enjoy life even when you are alone No longer being emotional dependent it is possible but for that you have to be ready to change in order to have a better life People who attach too much do not benefit from the relationships in which they are engaged they cling disproportionately to others and fail to feel good when alone Living in love and being loved in return is good but living in harmony with oneself is even healthier Dark Psychology: Advanced Gaslighting Techniques and Priming Ryan Mitchell,2024-09-07 The human mind is

a vast and enigmatic terrain where powerful forces operate outside the field of consciousness Since the dawn of time the study of human behavior has fascinated philosophers scientists and power manipulators Through specific knowledge referred to in non academic contexts as Shadow Psychology it is possible to shape thoughts and behavior almost imperceptibly using repetition suggestion and other powerful resources that act on the subconscious These teachings are valuable not only for those who wish to exert direct influence on others but also for those who seek to protect their minds from the influences of others The aim is clear to be one step ahead Dark psychology is the field that explores the less enlightened side of the human

mind using advanced techniques to manipulate behavior and emotions through the subconscious This is a comprehensive guide to the main tools of this field offering the reader the opportunity to master these concepts and techniques in a practical way The central aim of the book is to provide the reader with the necessary knowledge to use these techniques both for personal manipulation purposes ensuring advantage in social and professional interactions and to develop defense mechanisms against external influences Each chapter unveils the underlying mechanisms of the subconscious showing how it can be accessed and influenced almost imperceptibly Ideal for anyone seeking to understand and apply dark psychology in their daily lives whether to influence effectively or to protect themselves from the manipulations around them

Making Marriage User Friendly Russ Holloman Ph. D., 2012-05 Why are some marriages more successful more satisfying and more enduring than others The answer to this question is perhaps the most widely studied and best known

part of our marriage and family therapy literature although arguably it is the least understood and certainly the least followed in terms of avoiding the pitfalls that lead to unsuccessful marriages What this book proposes as an answer to this question is the nearest thing we have to a manifesto for marriage and family living It provides us with a clear description of what married life should be like No words or ideas sum up the intention of this manifesto better or indicate more clearly its challenge to contemporary marriages than the words making marriage user friendly
