The Last Days of Marie Antoinette G. Lenotre,Mrs. Rodolph Stawell,1907 **The Last Days of the Romanovs** George Gustav Telberg,2011-01-01 Our stay in Tobolsk was altogether very agreeable I did not see anything very objectionable in the conditions of our life Certainly there were some disadvantages as compared to what it had previously been there were lots of trifles that created friction but one could get used to them We all used to work very hard The empress was teaching theology to the children all the children took lessons except Olga Nicholaevna who had completed her course of studies in 1914 She also taught a little German to Tatiana Nicholaevna The emperor personally gave lessons in history to the czarevitch Klavdia Michaelovna Bitner was giving instruction in mathematics and the Russian language to the Grand Duchesses Maria Anastasia and the czarevitch Hendrikova gave lessons in history to Tatiana Nicholaevna I was instructor in English The lessons started at nine a m and continued up to eleven o'clock From eleven till twelve o'clock the children were free to take a walk Studies were resumed at twelve and continued for an hour At one p m lunch was served and after that coffee was drunk According to the doctor's advice the czarevitch had to rest a little on the sofa after lunch During his rest Gilliard or myself used to read to him aloud After that Nagorny dressed the czarevitch and we went out for a walk till about four or five o'clock After we returned the emperor gave a lesson in history to the czarevitch After the lesson the czarevitch liked very much to play a game called The slower you ride the farther you go We divided into two parties The czarevitch Gilliard or myself were one party Dolgoruky and Schneider the other The czarevitch used to be extremely fond of that game Schneider also used to put her heart into the game and fussed a little with Dolgoruky over it This was quite funny We played

the game nearly every day and Schneider always used to say that she would never play the game again From six to seven p m the czarevitch took lessons with me or with Gilliard From seven to eight p m he prepared his lessons for the next day Dinner was served at eight p m After dinner the family assembled upstairs Sometimes we played cards I played double patience with Schneider Tatischeff Olga Nicholaevna Botkin Schneider Gilliard and Dolgoruky played bridge The children and the emperor occasionally played b zique At times the emperor read aloud Sometimes the Grand Duchesses Olga Maria and Anastasia would go up to Demidova s room where Toutelberg Ersberg and Tegleva had their meals Occasionally Gilliard Dolgoruky the czarevitch or myself used to accompany them We stayed some time in this room and had plenty of jokes and laughter The emperor got up early At nine a m he always had tea in his workroom and read till eleven a m He then had a walk in the garden and during the walk always took some physical exercise In Tobolsk he frequently used to saw logs With some assistance the emperor built up a platform on the roof of the orangery A staircase which was constructed by our combined efforts led to the platform The emperor liked very much to sit on this platform when the weather was stormy Up till noon the emperor took his exercises after which he always used to go to his daughters room where sandwiches were served Later he retired to his quarters and worked till lunch time After lunch the emperor took a walk or worked in the garden till dusk At five p m the family had tea after which the emperor used to read till supper time Memoirs of Catherine the Great

of short stories featuring an eccentric polymath detective expat who solves international crimes mostly based in modern day China Spiritual thrillers in the style of Charles Williams *The Last Days of the Ottoman Empire* Ryan Gingeras,2022-10-27

A tour de force of accessible scholarship The Guardian Impressive It is a complicated story that still reverberates and Gingeras narrates it with lucid authority New Statesman The Ottoman Empire had been one of the major facts in European history since the Middle Ages Stretching from the Adriatic to the Indian Ocean the Empire was both a great political entity and a religious one with the Sultan ruling over the Holy Sites and as Caliph the successor to Mohammed Yet the Empire s fateful decision to support Germany and Austria Hungary in 1914 doomed it to disaster breaking it up into a series of European colonies and what emerged as an independent Saudi Arabia Ryan Gingeras s superb new book explains how these epochal events came about and shows how much we still live in the shadow of decisions taken so long ago Would all of the Empire fall to marauding Allied armies or could something be saved In such an ethnically and religiously entangled region what would be the price paid to create a cohesive and independent new state The story of the creation of modern Turkey is an extraordinary bitter epic brilliantly told here The Last Days and Last Moments of ...
