Emqs For The Mrcgp Paper 2:

EMQs for the MRCGP Paper 2 Hayley Dawson, 2005 **The Complete MRCGP Study Guide** Sarah Gear, 2006 This greatly expanded revised and updated guide comprehensively covers every aspect of the new format membership examination of the Royal College of General Practitioners Its new format includes current treatment issues and the latest research and is divided into three parts covering main medical topics non clinical areas and ambiguous topics and exam questions for the registrar year Concise and easy to read covering a wide range of skills and approaches that are used daily by general practitioners it will serve well as a useful resource for personal and professional development This is **EMQs for the NMRCGP Applied Knowledge Test** Hayley Dawson, Anna Trigell, 2018-04-19 The previous edition of this book for the Membership of the Royal College of General Practitioners examination proved to be hugely popular since publication in 2005 But now the MRCGP exam and Summative Assessment have merged to become the compulsory nMRCGP and with this has come a change in the format of the written exam Rather than Paper 1 and Paper 2 there is now a single Applied Knowledge Test consisting of one three hour exam This new edition reflects all these changes In addition updates include revised guidelines and questions on relatively new topics such as practice based commissioning This book will continue to familiarise you with the types of questions found in the new exam and also covers good exam technique to optimise your results with the knowledge you have The questions have been divided into papers so you can practice exam timing and you can also use the book to test yourself on specific subjects by referring to the topic based question index Compared with the limited alternative preparation material for this examination this book gives far better explanations of answers and the information is presented more accessibly It is essential for all examination candidates *Emqs for the Mrcgp* Hayley Dawson, Michelle Wates, Anna Trigell, 1997-06 Paper 2 of the examination for Membership of the Royal College of General Practitioners is a multiple choice question MCQ exam that has changed recently from standard true or false MCQs to more involved and less guessable EMQs Extended Matching Questions This book will familiarise you with the types of questions found in the new exam and also covers good exam technique to optimise your results with the knowledge you have The questions have been divided into papers so you can practice exam timing and you can also use the book to test yourself on specific subjects by referring to the topic EMQs for Medical Students Adam Feather, Charles H. Knowles, 2008 *EMQs for the NMRCGP Applied Knowledge Test* Hayley Dawson, Anna Trigell, 2008 The previous edition of this book for the Membership of the Royal College of General Practitioners examination proved to be hugely popular since publication in 2005 But now the MRCGP exam and Summative Assessment have merged to become the compulsory nMRCGP and with this has come a change in the format of the written exam Rather than Paper 1 and Paper 2 there is now a single Applied Knowledge Test consisting of one three hour exam This new edition reflects all these changes In addition updates include revised guidelines and questions on relatively new topics such as practice based commissioning This book will continue to familiarise you with the types of questions found in the new

exam and also covers good exam technique to optimise your results with the knowledge you have. The questions have been divided into papers so you can practice exam timing and you can also use the book to test yourself on specific subjects by referring to the topic based question index. Compared with the limited alternative preparation material for this examination, this book gives far better explanations of answers and the information is presented more accessibly. It is essential for all examination candidates.

The GPVTS Guide to Success Lucy Blunt, 2011. This invaluable guide to the GPVTS supports trainees from the process of application through to qualification and beyond. Written by a recently qualified general practitioner, it combines a frank and friendly approach with a wealth of insider knowledge to guide the trainee through each stage of the training process. It not only features real life case studies from those in training or who have recently completed training but also gives handy hints and tips on how to avoid some of the common trainee pitfalls. This first hand account aims to guide trainees through all the highs and lows of train.

Guide to Education and Training for Primary Care Yvonne Carter, Neil Jackson, 2002. For patients, good quality primary healthcare is of fundamental importance. In order to provide quality care, education and training is paramount to professionals in primary care. Yvonne Carter and Neil Jackson have brought together a group of well known practitioners to help them give an up to date and comprehensive overview of education and training in primary care. Readers will find much here which will help them chart the way forward in their own practice teams in ways which should lead to good results for patients and that enhanced professionalism in practitioners so crucial to their satisfaction and morals. From the foreword by Sir Donald Irvine: With the advent of PCGs, PCTs and a huge government programme of primary care development comes a great need to understand the education and training system and its relation to other systems in the NHS, i.e. service provision and research and development, a three systems approach. The book encourages and facilitates strategic thinking and planning in relation to education and training at various levels including organisation, team and individual healthcare professional. The Guide to Education and Training in Primary Care contains up to date information on educational concepts and practice for the benefit of all healthcare professionals in primary care and the wider NHS. The book covers a range of issues paramount to education and training including clinical governance, quality and audit, research methods, clinical effectiveness and evidence based primary care. A chapter devoted to learning from patients and coverage of the interface between primary and secondary care make this book a unique and valuable resource for all in primary care. About the Editors: Professor Yvonne Carter is Professor of General Practice and Primary Care and Head of Department at Barts and the London, Queen Mary's School of Medicine and Dentistry, University of London. She is editor of many books and is committed to increasing the research capacity in primary care and is particularly interested in the accreditation of research practices and the development of primary care research networks. Dr Neil Jackson is Dean of Postgraduate General Practice, London Deanery, University of London. He is currently advising the Governments of Georgia and Uzbekistan to develop systems of Primary Care, a network of GP trainers and Family Medicine Training programme in
