modernist poet and critic Goran Printz Pahlson It was Printz Pahlson who introduced poetic modernism to Scandinavia and
his essays and poems delve deeply into English American and continental modernist traditions As well as Letters of Blood the
collection includes the full text of The Words of the Tribe a major statement on modern poetics in which Printz Pahlson
explores the significance of primitivism in Romanticism and Modernism and the nature of metaphor and literary materialism
The collection also includes essays on style irony realism and the relationship between historical drama and historical fiction
